"Come along," said Doctor McAllister. "I'd like to take a look at her." Doctor Reinhardt made no objection to Ashton's accompanying us, so together we followed him into the long white ward. The girl we found lying upon the narrow cot, beside which we stopped, justified his description of her. She was not at all a beauty, according to our standards, but the thought came to me that in some far off corner of the world where standards were different, she might have been accounted so, possibly in a supreme degree.

Her skin was very dark, a brownish-olive, her hair blue-black, very abundant and wavy, and the surrounding white of pillowcase, sheet and night-dress set off the richness and depth of her coloring to the greatest advantage. Where the quality in her face lay that gave it that strange, weird, unearthly look, even now in quiet slumber, I could not decide. The features were bold, rather than fine; the brows and lashes very heavy, and the nose broad at the base, the lips full and rather wide, though not protruding, the cheek-bone high and prominent.

But this analysis left me no wiser than before; it failed utterly to account for that strange different look her face wore. There was no negro blood in her veins, even in a remote stage of dilution. The fact was as obvious as it was that she was not a Caucasian.

"There will be no trouble about identifying her," Doctor Reinhardt remarked, and I agreed with him, thinking that he referred to the strange quality of distinction I had noted about her face. But it was

## Gains Health And 8 Pounds

"Since a severe spell of illness two years ago I've been in miserable health. It seemed like everything I

ate disagreed with me, bilious spells and constipation worried me continually and my weight dropped alarmingly. My circulation became sluggish and backaches tortured me constantly. Nothing helped me until I started Sargon. Now, my strength and energy are back, I've gained 8 pounds; my circulation is toned up and all my ailments are over.

"Sargon Pills completely overcame my constipation and biliousness." Mrs. F. R. Collins, 204 Portland St., Dartmouth, N. S.

Sargon may be obtained in Charlottetown from the Hughes Drug Co., Ltd.

he said to Doctor Reinhardt, as he straightened up and prepared to leave the ward, "She's been that way, you say ever since she was brought in?" "Yes."

"She's in a hypnotic or subjective condition of some sort I'd be very glad if you'd keep me informed, over the phone, concerning her condition. If there's any radical change, I'd like to come out and see her again."

"If you don't mind my suggesting it, I believe it would be a good thing to take her out of the ward and put her in a private room where she could be under constant supervision. If she says anything, in any intelligible language, it might be well to make a note of it."

With that and a brief word of good night, he strode away, and Ashton and I followed him, he looking completely mystified, and I feeling scarcely less so. We drove back to the Meredith with hardly a word, but as we crossed the lobby on our way to the elevators, Doctor McAllister paused.

## Whatever Your Skin Trouble-- Get Well This Magic Way

Many Sufferers Relieved by Famous Herbal Healer

Whether it be a disfiguring rash, or an outbreak of pimples, sore chapped hands, frostbite, or any cut, burn, or scald—dress the place at once with this grand herbal ointment, Zam-Buk. It is beautifully soothing, swiftly healing, and highly antiseptic.

Even in chronic troubles like eczema, salt rheum, ulcers, and poisoned sores, Zam-Buk eradicates disease and grows new skin. You can "rub it in" for colds on the chest, bodily chills, stiffness, sprains, muscular pains, etc. In fact, there are a hundred uses for Zam-Buk. Be sure to keep a box at home.

ALL SPEAK WELL OF ZAM-BUK "Zam-Buk rid me of my poisoning and completely healed my feasted finger." Mrs. S. Gray, St. Rose Du Lac, Manitoba. "I had attack of Barber's Itch yielded to Zam-Buk in two weeks. My skin is now fine and healthy." Mr. D. H., Box 417, Humboldt, Sask.

The unparalleled success of Zam-Buk as a healer of skin troubles is in its original and valuable formula. Zam-Buk is compounded from certain extracts of herbal origin, so refined that they soak through the tiny pores into underlying tissues. Zam-Buk heals from below as well as on the surface. It kills poisonous germs, stops pain and itching, and grows new skin. Zam-Buk is also a splendid remedy for piles and a fine dressing for injuries. Zam-Buk Ointment, Soap Box, Zam-Buk Medicinal Soap, etc.

When I suffered from painful itchy boils, Zam-Buk was the most effective remedy. Hazel B. Beal, Newburn, Lunenburg, Nova Scotia.

"I couldn't find anything to relieve a burn on my arm until my Mother applied Zam-Buk. Mrs. E. Croteau, Waterloo, Que.

The mark on her arm is enough to prove that," he answered. He paused there, but I knew he was not all.
