Canadiens Gain Sixth Straight Win Over Bruins

BOSTON, Jan. 3 (AP)—Montreal's top-place Canadiens gained their sixth straight win over the Boston Bruins during the current National Hockey League season by a 6-3 margin tonight before a sell-out crowd at the Boston Garden. The triumph increased Canadiens' lead over the idle Detroit Red Wings to a game and a half. Canadiens scored their first goal in 33 seconds, when Elmer Lach trapped the charging Bruins and beat goalie Paul Bischoff, his recent teammate, without assistance. The last Montreal counter, made by Buddy O'Connor, came after the Bruins, who were two goals down, pulled their goalie out of the cage during the last 30 seconds of play. While tallying their first three goals in less than 15 minutes, Canadiens out-skated the Bruins by a wide margin. A penalty against Frankie Eddolls, late in the opening period, enabled the Bruins to register their first two goals during the second minute of the middle frame. Bill Jennings put them into a 2-3 tie after being set up by Bill Cowley. But Canadiens, with defenceman Pat Egan in the penalty box, clinched the game when Maurice Richard snarled at 15:57 and Ken Mosdell made it certain by

Racing People Keep Chins High

MIAMI, Fla., Jan. 3 (AP)—Their world fell apart today, but racing people kept their chins high. A 16-year-old groom, who has seen 80 years around the track, seemed to put their thoughts into words. "We've got to do as Uncle Sam says," commented the groom, Charles Bone of Hartford, Conn., an employee of the A.B. Carpenter stable. "This is all I know. There's nothing else that I can do. But if they can find anything else for me I'll take it." Ben C. Cassano, 83, another groom for the Carpenter stable, pointed to his neck. "The boys overseas are taking it there. If they can take it, we can." A veteran of the First Great War, Cassano was born near Lexington, Ky., and has been employed in racing for 35 years. "I'm willing to go into defence work or any other kind of work," he said, "but there's not much that I can do." Outside L. Dupes, a former jockey, said that "all the boys are broken hearted. This means the end of their careers for the time being." The board here for top honors in the League's individual scoring race. Mr. Chrystie was left to guard the British embassy in Paris in 1940. One day in 1941 Goering demanded to be let in, saying he intended to convert the Embassy to a German consulate. Mr. Chrystie refused, saying: "If you enter it will be over my dead body and I will push Goering aside and banged the door in his face. Mr. Chrystie was jailed for five months by Goering's order. He was released by the British Government in London for 15 years. William M. Stewart, member of the British Empire, is Chief Officer of the Queen Elizabeth, a wartime troop transport.

Absenteeism Led To Ban On Racing

WASHINGTON, Jan. 3 (AP)—Absenteeism in war plants near race tracks was cited today as the real reason for the Government ban on racing. This explanation came from a Government official, who declined to be quoted by name, but who described as "relatively insignificant" the number of workers directly involved in the operation of race tracks. "Absenteeism is the answer," he said. "There has been a regular pattern of absenteeism following the opening of tracks in some instances. The increase has been as much as 30 per cent." James F. Eyrnes, director of war mobilization and reconversion, who ordered the tracks closed after today, merely explained that he acted to reduce the drain on manpower, transportation, communication facilities and other services. Mr. Eyrnes' assurance that professional baseball and football are safe for the present from an outright ban similar to that closing down race tracks appeared to be based on the theory that these sports have not cut deeply into war factory work schedules. The re-opening several months ago of the Hollywood Jockey Club, located near a large aircraft plant, resulted in pressure from high military quarters for the closing down of racing, it was learned. Meanwhile, the War Manpower Commission sent representatives to Miami to recruit war workers from the ranks of jockeys and other employees at Tropical Park race track.

"Smokey" Smith Gets Gratuity

OTTAWA, Jan. 2 (CP)—Canada's most recent Victoria Cross winner, Pte. Ernest (Smokey) Smith of New Westminster, B.C., has become the first Canadian to have the 10 pound life gratuity that goes with the award paid by the Canadian Government. Previously Canadian V.C.'s were paid by the British Government but Canada undertook the payment through an agreement signed in June, 1943. Brig. James Melville, chairman of the Canadian Pensions Commission, today wrote Smith, advising him that for the rest of his life, on March 31 and Sept. 30 of each year, he would receive a Government cheque for \$28. While the British pound is quoted at \$4.43, for the purposes of the Victoria Cross gratuity, it will be worth an even \$5. Officers who win the V.C. receive no gratuity unless they are in necessitous circumstances, and then an award of 75 pounds is paid. Canada's other seven V.C.'s of this war were officers.
