DOWN THE BACK STRETCH

W. H. Keyes, well known here, now trainer for Fred Pooler, Skowhegan, Maine, will have the pacer Crusader 201 1-4 in his stable this year. He is eligible to a 2.17 pace.

Another good one that Billy will train is Mss Uhleen (3) 2.07 3-4, marked by Billy in that notch last fall over a half mile track. Both owner and trainer are of the opinion that this lady will go in 2.05.

Lillian 2.08 1-4 raced here last Exhibition by "Red" Hanfin, as intimated in last week's paper has been purchased by James W. Gallagher of Woodstock, from John Kelly, Bangor, Me. She will be trained by Peter Conroy, who is now located in Woodstock.

Monte Gerow will be assisted in his training by W. H. Vinney. Monte will have a stable of six or eight to look after, among them a two year old pacer that is said to be mighty good and several aged ones that are reputed to be fast. Monte will also prepare his own good pacer Del Volo 2.10.

368 mares have been nominated by 61 breeders and owners in the Kentucky Futurity for foals of 1933. These will race as two year olds in 1935 and as three year olds in 1936.

The principal nominators were Walnut Hall Farm with 109 and Calumet Farm with 42, both of Lexington, Ky. The principal nominators by stallions are Truax

2.03 1-2 with 33, Peter Volo 2.02 with 29, Spencer 1.59 3-4 with 24, Volomite (3) 2.03 1-4 with 23, Protector (3) 1.59 1-4 with 21, Guy Abbe (3) 2.06 3-4 with 19. Of the 16 States in the U. S. A. Kentucky has 229 entries, Pennsylvania 44, New York 24, Ohio 23. There are none entered from Canada.

The Bay State Circuit will get under way at Goshen, N. Y., race track, June 6th and will bring together many of the best fields of horses that have ever been raced through it. Following Goshen the circuit will move to Chatam, N. Y., Sturbridge, Mass., and Avon and Windsor, Conn.

The Grand Circuit starts at North Randall the last week in June where the Matron and Champion Stallion stakes will be the feature events for colts. There will be thrilling contests between two and three year olds for honors, although the chances are they will not be as fast a bunch as raced last year.

The Toledo, Ohio, Grand Circuit meeting will follow North Randall and immediately after it there will be three weeks racing at Rockingham Park, N. H., which will be under the management of Allan J. Wilson, of Boston, Mass. As there will be pari-mutual betting it is a sure thing that there will be immense crowds and wonderful racing. The best horses in America are

Acadia University Wins Intercollegiate Track And Field Meet

Records Go By The Board As Acadia Track Team Wins Event For The Sixth Time—Kelly Coached Squad Rolls Up Total Of 76 Points.

(Canadian Press)

WOLFVILLE, N. S., May 19—A Canadian intercollegiate record of long standing and two Maritime marks went by the board as Acadia University amassed a total of 76 points to win the Maritime intercollegiate track and field meet here today.

Acadia's athletes downed the old Maritime records for the discus throw and the hop, step and jump and tied the half-mile mark, but it was husky Earl Oldham of the University of New Brunswick squad who broke the Dominion record with a throw of 32 feet 2 2-5 inches in the shot put.

His cast just nosed past the record of 39 feet 1 1-2 inches set at

Toronto in 1910 by H. N. McKinnon, of Queen's University.

Earl Anderson, of Acadia, eclipsed the discus throw mark by more than five inches with a throw of 118.22 feet. Oswald Mann, also of Acadia, set a new record of 42.26 feet in the hop, step and jump. Jack Harding, a team-mate, tied the Maritime mark for the half-mile run, winning the event in 2:7 3-5.

Acadia's 76 points gave the University a commanding lead over Mount Allison, which finished second with 55. University of New Brunswick garnered 19 points to finish in third place, while Dalhousie University gained one point. The fifth entry, St. Francis Xavier, did not send representatives.

Kid Chocolate Wins Decision From Watson

The "Kid" Successfully Defends Title of Featherweight Champion of the World—12,000 View Fight.

(By Alan Coult, Associated Press Sports Editor.)

MADISON SQUARE GARDEN, New York, May 19—(C.P.)—A flash of ebony fighting fury caught Seaman Tom Watson of Old England unexpectedly tonight, bowled him over briefly and sustained sufficient force to clinch a 15-round victory over the sturdy Briton for Cuba's Kid Chocolate, still the Featherweight Champion of the world so far as New York—and probably England—are concerned.

Before an excited crowd of 12,000 that contributed to a gate of \$30,000 Chocolate rallied from a poor start to carry off the unanimous decision of referee Pete Hartley and the two judges. The Cuban Kid, on the Associated Press sheet, carried off eight rounds and won decisively.

Watson, game to the finish, was credited with five rounds, while two were even.

Most of the drama of the fight, hard and bitterly fought most of the way, was packed into the tenth round when Chocolate, at the peak of his decisive rally, floored the British title-holder with a looping left hand to the jaw. Seaman Tom almost turned a complete somersault from the combined force of the blow and his own effort to escape, but he refused to take advantage of a long count and bobbed up after two strokes of the timekeeper's mallet.

With characteristic frenzy Chocolate ripped and smashed into his rallying rival. Weathering this gale Watson, although pale and somewhat shaken, fought back courageously and managed a wink at his handlers as he went to his corner at the end of the round.

Chocolate sustained his dazzling pace for the better part of the eleventh round piling up a commanding margin on points. But he barely held his own in the last three sessions as the little British bulldog gamely tried to turn the tide.

TURF CLASSIC SCHEDULED FOR TODAY

(Canadian Press)

TORONTO, May 19—Quiet tension enveloped Woodbine Park tonight on the eve of its historic annual feature—the running of the King's Plate, oldest continuously run race in America.

Two dozen of the best Ontario three-year-olds and up who have not scored a victory since graduating from juvenile company, were entered for the 74th running of the Canadian turf classic tomorrow afternoon when the Governor-General, Earl of Bessborough accompanied by the Countess will officially open the Canadian racing season.

During the past week track conditions have been ideal for the gruelling trials, but gathering clouds tonight bore a threat of rain.

Definite choice of a favorite doubtful for lack of outstanding performances during early workouts, the bulk of betting is expected to rest on King O'Connor, Seagram's four-year-old gelding that finished second to Queensway in the event last year. The big son of the Winter King-Corren O'Connor will be ridden by jockey Eddie Legere and will carry 127 pounds.

A Tribute To Champions

On the recent victorious return to Moncton of the Moncton Hawks from Vancouver bringing with them for the first time to the East the Allan Cup, one of Canada's outstanding shoe men and a grand supporter of hockey, President John J. McHale, of Scott-McHale Limited, London, Ont., thought so highly of the Hawks achievement as to present through their Moncton dealer, a pair of the finest Astoria shoes to each and every member of the victorious team including Coach Nicklin.

To realize that leaders in the business world as far west as London, Ontario, should pay tribute to the Allan Cup winners, although from our eastern part of Canada, shows true sportsmanship and is a tribute to the excellence of the greatest achievement so far realized by a Maritime hockey team.

Mr. Jas. Sutherland, energetic representative for Scott-McHale shoes has just been calling on the local representatives, the Wright Shoe Company.

S'ide Baseball Club Meets

The adjourned meeting of the Summerside Baseball Club held in the Town Hall on Thursday was very largely attended and some lively discussion took place and much interest was manifest on the advisability of continuing as separate clubs as heretofore, or organized by a House League as advocated by the Pioneers and C. Y. M. L. Mr. Kelly, the president, presided.

At the opening of the meeting a communication was read from the Harris Sluggers intimating their intention of resigning if the League formed as a house league.

After considerable discussion it was decided that the C. Y. M. L. and Pioneers would affiliate as one club and the Harris Sluggers as a separate team.

A schedule was arranged for the season and exhibition games will be played on May 24 between the Pioneers and C. Y. M. L., the winners to play the Harris Sluggers in the evening. Everything points to a successful season.

Each team was represented at the meeting and a goodly number of fans were present. S.

Can. Tennis Stars Are Defeated

(By C. H. Peters, Canadian Press Correspondent.)

MONTREAL, May 19—(C.P.)—Smashing and volleying with relentless speed and accuracy, the powerful United States doubles team of George Lott and John Van Ryn today defeated the Canadian combination of Dr. Jack Wright and Marcel Rainville, 6-1, 6-3, 6-3. The victory was the third straight scored by the United States in the North American zone Davis Cup final here. It won the Davis Cup final here. It won the Davis Cup final here.

Two singles triumphs in straight sets on Thursday had given the U. S. team a commanding lead, but just in case of mistakes, their formidable doubles team stepped into the fray with a will, and in 45 minutes had emerged with a crushing victory that swept Canada firmly out of the international Davis Cup play for this year.

Under favorable conditions an airplane can be seen from about 10,000 to 15,000 feet.

Horse Memoirs

(C. E. MacKenzie)

BINGENS IN 1916 ETC

(C. E. MacKenzie) Blood lines seem to follow racing, one season a certain blood line is the large money winners and in a few years other blood lines develop, thus we have changes that tend to increase the interest in this kind of sports.

Having had access to an article on the Bingens, I have gleaned the following that will be of interest to our horsemen as the greater number of us remember racing activities in 1916.

On our Maritime tracks that year members of the Bingen family won a sum total of \$7160.25, Halifax being responsible for \$2692.50; Charlottetown second with a Bingen win of \$1437.50; Moncton for \$562.00 and St. John \$675.00 while the balance was spread over fifteen other Maritime tracks.

Among the winning sires and their get are the following:

Achille 2.15 1-4 whose three colts were responsible for \$470.00; Lloyd Achille winning \$350.00; Achilles Pride \$112.50 and Achille Jr. \$75.00. It may be noted that the mare Achilles Pride was later owned by Mr. Joseph J. Stewart, Bay View, and I understand that he has two colts from this great mare, one coming four years old from Harvest Bells which looks as though she might be speedy. The younger is a son of the noted sire Bud Indworthy; this colt shows every indication of stepping out and under the tuition of our genial friend Joe, is likely to need watching.

"J. I." has always had an interest in speed and if I mistake not his first was the game race mare Roberta Mack 2.29, a daughter of Fleetwood. He also owned the mare Della Park, another game trotter that would step miles in 30 or better. Here's luck Joe, with this beautiful son of Bad Axworthy.

Aquill's sons Arkola and Belmont Millar annexed \$280.50 of the stakes in 1916, the latter being one of the many speedy horses bred by Mr. John Andrews, Belmont. Baring 2.12 1-4 had two representatives in 1916 races that brought home \$640.00; Brage winning \$600.00 and Bill Baring \$40.00.

Benares three colts—Bendale, Marching Boy and Marjorie S. won \$715.00. Bingen 2.06 1-4 himself had fifty-nine winning sons and daughters;

La Copia 2.09 1-4 alone winning \$1010.00.

Cochato 2.11 1-2 had forty-one representatives in the winnings that year; Cochato Lady and The British Soldier winning \$597.50. Commodore Ledyard who stood for service in this province had a total of thirteen taking part of the stake monies that eventful year, making a total win of \$1544.75. His leading colts were Bob Mao who annexed \$912.50 and Hilda S. \$227.50, both these horses being Island bred, the former being bred on MacPherson farm, Charlottetown Royalty and Hilda S. by Mr. A. A. Stewart, Hillsboro, she being a daughter of Lady Hilda 2.29, a daughter of All Right and Tabatha by Kingbird.

La Copia who had been in the stud before coming to the Maritime had three colts raced in the Maritime, namely: Copious, Hattie Cope and Lucy Cope.

Marshall M. sons, Earl Bingen and Marshall M. Jr. won \$328.50. Todds noted son Mayor Todd won \$600.00 and this same sire had twenty three other colts getting in the money.

As this article has been on race winnings our older fans will remember that in 1907 or twenty-five racing seasons ago we had a wonderful series of races over our Maritime tracks and possibly the following will refresh our memories regarding the Halifax meet of that year. The leading winner was Frank Boutlier of Halifax who drove his mounts out in front to the extent that he won \$1300.00 while James Gallagher, Woodstock, N. B., won \$960.00 and Peter Carroll \$880.00. The total stakes hung out was \$8,800.00—of which Island horses brought home some sixteen hundred dollars, divided as follows: E. Crosby, Cape Traverse, \$200.00, winning first in the three year old trot stake; J. A. Morrison, Summerside, with three entries winning \$220.00; Malcolm Steele, Summerside, one 1st in 2.30 trot \$200.00; G. Ives, Montague, \$200.00 winning first in the three year old pace stake; Frank Beales, Charlottetown \$200.00, 1st in the two year old trot stake; A. E. Long \$200.00, two seconds in the 2.35 and 2.30 trot and pace; Large Bros., \$100.00 a second in the four year old trot stake; S. N. Dawson, North Tryon

Sport Briefs

Jack Conn, Manager of the Halifax Wolverines, is very silent regarding the three new players he has secured in Upper Canada and the West to bolster up his team for 1933-34. Rumour has it that Dave Neville, star centre player of Montreal Royals, Quebec Champions 1933, will be with the Wolves. Dave is certainly a good man, one of the very best in the game and the Wolves will not lose any prestige by securing his services. Another centre talked of for them is Jimmy Dewey of the Saskatoon Quakers, who monopolized a large part of the program on the air during the play-offs. The third member we have heard no mention of, but no doubt it is some star.

Saint John Beavers have, we understand, signed up Stevie Estabrooks, flashy left winger. Stevie was runner up to Gulliver, the leading scorer in the New Brunswick B. League. It is expected that he will team up again with Foster Dickson at centre.

Eight new players have been spoken of for Saint John, mostly imports from Quebec and Ontario. However, we understand that Manager Brad Gilbert is not giving out all the news on his team but without doubt it will be a strong one.

Bill Miller utility man with the Moncton Hawks was in the city Thursday on business connected with the firms lumber interest. Bill had great praise for the Able's new lineup and stated the club had secured a real star in Pete Kelly.

Moncton have just eleven players on their roster at present, but it is understood they are negotiating for two more. Whether they will be any stronger with new additions than in the past is a question. We think they were quite strong enough!

Bill Walker, new defense man with the Abbies, left for a visit to Ottawa to see his wife and kiddies, who have been residing there the past winter. Ottawa is Walker's home.

Pete Kelly, new right winger for the Abbies, recently of Montreal Royals, is a popular addition to our city. He will take up studies at Saint Dunstan's University, as he is ambitious to improve himself. By the way, Quebec thinks a whole lot of Saint Dunstons, as the attendance from that province averages around twenty-five yearly. Pete will be right at home there.

The response to appeals for the hockey fund to enable Charlottetown to put a high class team on the ice for 1933-34 has been most encouraging. Nearly all the old friends have come to the rescue and new ones are also doing their part. Everyone can be assured that the very best effort on the part of the management will be made to have the players in condition and to make such arrangements as will place the team in a position to compete with the best that the Maritimes can produce, i. e. the Hawks, Allan Cup winners.

Was So Short of Breath Could Not Lie Down to Sleep

Mrs. P. J. Chernoff, Shoresides, B.C., writes: "I had been so troubled with shortness of breath I could not lie down to sleep."

I couldn't do any hard work, or climb the stairs, and had nervous and smothering feelings, and became very weak.

I tried all kinds of medicine, but could get no relief until after I had taken three boxes of Milburn's Heart and Nerve Pills, and since then I have felt better in every way.
