Miss ANNIE THOMPSON, Charlottetown, and Miss Maggie Rodd, Brackley Point Road have returned from visit to friends at Salt Springs, N. S.

THE GUARDIAN has learned something for her with reference to the "Airmoter Washing Machine" to which reference was made in its issue of June 8th last. The Washer is of more elaborate and expensive construction than at that time represented to THE GUARDIAN and is apparently well worth the purchase money. In addition, the selling price has been reduced to \$2 in order to introduce it. The Airmoter is a tin tunnel shaped machine, with three conical air chambers open at the bottom and slightly open at the top soldered on the inside wall. A tube is inserted in the top of said funnel, the inserted end having an air valve attached to it. The said tube has two small holes one on each side just outside this funnel. These holes are protected by conical coverings. The tube has a wooden handle inserted in it from the top. Mr. Campbell, who is introducing the machine in this Province, has secured many valuable testimonials from those now using it, amongst whom are Mrs. R. T. Holman, Mrs. (Judge) McLeod, Mrs. J. M. Waugh, Mrs. Hamilton and Mrs. Alex. Waugh, Summerside; Jesse Schurman, Central Bedeque, and many others.

**RIVALSA MIRACLE.**  
Mr. George C. Chalker's Terrible Sufferings Cured by Dodd's Kidney Pills.

Howsey's Rapids, Sept. 12.—Mr. George C. Chalker, of this place, tells a remarkable story of restoration to sound health, that rivals the far-famed St. Anne de Beaupre cures. Briefly Mr. Chalker's story is as follows: "I suffered horribly for years, from Kidney Disease. I could do no heavy work. My pain was almost unendurable. No remedy did me the least good till I started to use Dodd's Kidney Pills. Six boxes of this wonderful medicine have cured me completely—made a new man of me. I cannot speak highly enough of them, I can state with the utmost confidence that Dodd's Kidney Pills will cure the very worst case of Kidney Disease."

## FALLING HAIR RESTORED

After I was taken ill my hair commenced to fall, and turned gray rapidly. I commenced to use CUTICURA. The scalp became healthier and more natural every day. Now I have a crop of fine brown hair all over my head about an inch and a half in length. My nurse is delighted because the new hair is brown. I never had very luxuriant hair, even in my youth. It is as thick on my head to-day as it ever was, and CUTICURA did it. Mrs. J. M. LAWSON, 302 Hamilton St., Albany.

Piles Cured without the Knife, by Dr. A. W. Chase's Ointment

Mr. Geo. W. Brown, painter, of Woodville, Ont., Victoria Co., says:—"For Thirteen years I was a sufferer from bleeding piles and the intense agony which I passed through during those years and relief I obtained by Chase's Ointment prompts me to give this testimony. My physician wished me to have an operation but I felt I could be cured without the knife. Three boxes of Dr. Chase's Ointment stopped the bleeding and effected a permanent cure."

## KLONDIKE BAR

**Important Announcement GREAT INTEREST TO FARMERS.**

THE management of the Charlottetown Soap Works, announces to the farmers of Prince Edward Island, that they have purchased at a very low figure for a term of years all the grease by-product of the Charlottetown Pork Packing Factory, accumulating from time to time, and are in a position to supply farmers and others with a cheap soap far superior in quality to the home-made article, and at a price so low as to make it scarcely worth while to worry about soap supplies hereafter.

**KLONDIKE BAR** will be for sale in a few days by all dealers at the low price of ten cents a box of three pounds.

**THINK OF IT.**—A first-class laundry and scouring soap only 10 cents for 3 lbs. It will be a waste of time and money for farmers to bother about soap making now. The grease he has sold to the Pork Factory for 5 cents per lb. will be returned to him, manufactured into a first class article of soap at a cost of a fraction over 3c per lb.
