

**Comb Out?**  
Is your comb telling a story, the story of falling hair? Not a pleasant story, is it? It reads badly. The story we tell is pleasant—the story of Ayer's Hair Vigor. Promptly stops falling hair, destroys dandruff, keeps the scalp healthy. Does not color the hair.

**QUEEN'S COUNTY GUARDIAN**

Head Offices in New Prowse Block—Charlottetown.

The tide will be high today at 11.23 and tomorrow at 12.18.

The mail train did not arrive until 12 o'clock last night.

Rev. E. J. Rattee was a passenger to Malpeque yesterday afternoon.

R. V. Geo. and Mrs. Millar, left for their home in Alberton yesterday afternoon.

Miss Gertrude Irwin arrived from New Bedford, Mass., last night on a visit to relatives in Charlottetown.

It is expected that the numbers to be placed on the houses in this City will be here by the first of next week.

Misses Olive and Katie Peters, City, leave this morning for Rumford Falls, Maine, where they will remain for some time.

J. A. Gallagher, of the Boston police force has returned to his home in Boston, after spending a week with friends in Pownal.

W. H. S. Ritchie of the Bank of Nova Scotia, Antigonish, N. S. is visiting his parents in this City, G. W. and Mrs. Ritchie.

Through a mistake of the compositor the advts of E. W. Taylor and G. H. Taylor were transposed in setting for Monday's Guardian. They appear correctly today.

From private advices it is believed that the price of potatoes in New York this season will be high, as the crop in Maine is not nearly up to the standard on account of rot.

A Sydney paper says:—"P. E. Island potatoes are selling at the wharf for fifty cents a bushel in three bushel lots. A rather stiff price, so long that Cape Breton potatoes, which are much better, are being hawked around at sixty cents. Hay sold lately at \$25 per ton."

Persons sending advertising matter to The Guardian are requested to state whether same is to appear among Classified ads, Business locals, Announcements or among regular display advertisements. When no such information is furnished the management will not be held responsible if ad does not appear here desired.

John Douglas & Son, Montreal, the publishers have put the name of the P. E. Island Hospital on the mailing list of the Daily Witness, Northern Messenger and "Canadian Pictorial" for one year addressed to "The Patients," believing that these papers will be acceptable to a very large proportion of those who come from time to time under the care of that institution. This act is much appreciated.

It matters not where Fairland moves the crowd will still follow them as they did last night to the Y. M. C. A. Hall which makes an ideal spot to spend a half hour. The seats are comfortable and the hall is warm and cosy. The pictures made a big hit last night. The program was as follows:

"The Golden Beetle," "The Indians' Friendship and Herring Fishing," Miss Bremner delighted the audiences with her excellent rendering of the song entitled "Fare thee well, forget me not." The above program will be repeated tonight and a complete change will have the boards tomorrow night.

The readers of this paper will be pleased to learn that there is at least one credited disease that science has been able to cure in all its stages, and that is Catarrh of the Bladder. Catarrh is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address: F. J. CHENEY & Co., Toledo, O.; Sold by all druggists. 75¢ per bottle. Take Hall's Family Pills for constipation.

**Retinoscopic Eye Examination**

The cut accurately shows the method in operation. It is probably, the most reliable test known today. By its use the expert optician accurately measures the amount and kind of error in the patient's eyes, completely removing the uncertainty of the old system, and reducing to a minimum, the possibility of prescribing the wrong lenses.

**We use this System**

and rely on its readings, almost entirely; The results in past years have been remarkably satisfactory, and if you are in need of Glasses you cannot do better than allow us to examine your eyes.
