TAKES NEW POSITION—Mr. and Mrs. Richard Over and their winsome little daughter Diane, leave tomorrow for Quebec City, where Mr. Over will take up his new position in the advertising department with the Rock City Tobacco Co. Their many friends regret their departure, and wish them success and happiness in their new home.

RETURNS AFTER HOLIDAY—Mr. Herbert Murray, son of Mr. and Mrs. L. D. Murray, formerly of this city, returned yesterday to resume his duties with the Bank of Nova Scotia in New York City, after spending a few days visiting friends in Charlottetown. Mr. Murray was the guest of Mr. and Mrs. K. M. Martin of this city, during his brief visit. En route to New York, he will spend a few days with his parents at St. Andrews, N. B.

FUNERAL AT VERNON RIVER—The funeral of the late Henry Callaghan of Springfield, Mass., was held from his former home in Lake Verde, yesterday to St. John's Church, Vernon River, and was largely attended. Mass was sung by Rev. Msgr. M. McDonald, who also officiated at the grave. The pallbearers were: Harry Kelly, Ivan Redmond, James Redmond, Raymond Woods, V. Curley, and Richard Weatherbie. Interment was in the church cemetery.

Mrs. J. Keir Fraser, wife of Rev. Dr. J. Keir Fraser of Alberton, is at present a patient in the Prince Edward Island Hospital.

SEEK YOUNGSTERS FOR FLORIDA BALL SCHOOL

TORONTO, June 9.—(CP)—W. J. Lattimer, an enthusiastic member of Toronto's Old Timers Baseball Association, is on the hunt for 15 talented young Canadian baseball players. He wants them to attend a baseball training school George Straws of New York Yankees runs each winter.

Two Canadian boys, one from Montreal and the other from Midland attended the 1947 school when 50 of the entire class of 140 signed pro contracts. Next year the attendance objective is 210 young players, with 15 from Canada.

TONGA CELEBRATES GAY WEDDING FEAST

(By J. C. Graham, Canadian Press Correspondent)
TONGA, June 8.—(CP)—Elaborate festivities marked the double royal wedding here June 3 of the Crown Prince and his younger brother, Prince Patafehi Tubelaha, to the daughters of chiefs. It was one of the most important social events ever to take place in this South Pacific island kingdom.

Bridal frocks, two many-tiered wedding cakes representing the various parts of the Tongan Group, and a large quantity of provisions was shipped from Auckland for the ceremony. The wedding ceremony took place at the Royal Chapel at Nukualofa and was followed by a reception at the palace of Queen Salote, the ruling sovereign.

The following day the younger prince held a wedding feast for the chiefs and people of the island of Haapai, of which the bride's father is governor.

On the third day the wedding ceremony was repeated for both couples with typical native rites. The initial ceremony was a formal Christian wedding performed by the Rev. R. C. G. Page, former president of the Methodist Church in Tonga, who flew from Auckland for the function.

Feasts for natives of other islands were held and the bridal couples later received the wedding kava (sacred drink) at a native ceremony.

STUDENTS DIG COAL

LONDON—(CP)—Undergraduates from various universities throughout Britain will voluntarily work in coal mines this summer. The national coal board is arranging initial training at government schools for the volunteers who will spend two or three months in the pits.

LONDON—(CP)—Cmdr. H. D. Wenburg, responsible for the present world tide-gauge, died aged 74.

DO YOU HATE TO GET UP IN THE MORNING?

Doesn't it feel grand to wake up clear-eyed, refreshed, ready for a busy day? Yet many people get up tired and grouchy, never really feel their best. The reason is often a very common cause—a sluggish system clogged with food waste. If you are like most people, you need help every so often to clean out your system, get back pep. You can do this so gently with the extra-mild action of purely vegetable BILE BEANS—the largest-selling liver pills in Great Britain. For a peppier, brighter tomorrow, try Bile Beans at bedtime. Over 7 million boxes sold yearly, proof of sensational popularity. Ask your druggist for BILE BEANS today. 79

Report Of High School Committee

(Continued from Page 7)

George Buntain, Mrs. Harry Cudmore, Mrs. George Wood and Mrs. W. H. Soper, for their splendid efforts on behalf of our High School projects. To our League president, Mrs. J. P. Lantz, I extend my deep appreciation for the unlimited help which she has given me time and time again to our Committee.

The splendid support of the Executive was greatly appreciated by our Committees. Special thanks are due to our League secretaries, Mrs. Arthur Avar and Mrs. H. J. A. Brown for much additional work. Much necessary work was done for us by the League typists, Mrs. D. M. McGuire, Mrs. J. A. Reardon, Mrs. Morton Dew, Mrs. W. H. Soper, to whom we are greatly indebted.

We should also like to express our appreciation to the telephone committee, Mrs. Mark McGuigan, Mrs. Morton Dew, Mrs. W. W. Reid, Mrs. J. A. Reardon, Mrs. Geo. Ives and Mrs. T. Chandler. "As a League, I am sure we would wish to express our grateful thanks for the splendid support which we have received from outside individuals and organizations in our High School endeavour.

"Such considerable and co-operative High School endeavour has resulted in satisfactory progress, we believe, and we earnestly trust, has brought us to the threshold of an early establishment of a Charlottetown Composite High School."

Imperial Oil Fellowships

TORONTO, June 9.—Winners of four \$3,000 Imperial Oil fellowships, provided to encourage post-graduate scientific research, were named here recently by a board of awards. The fellowships are offered annually to qualified graduates of Canadian universities and nominations are made by the university which the nominees attended.

Winners are: James Duncan McGilvery, 60 Prospect St. South, Hamilton, Ont., and 254 Lochiel St., Sarnia, Ont., for research in chemistry; William John McPherson, A.F.M., 719 5th Ave North, Saskatoon, Sask., and Peterson's Residence, M.C.G.I.U. University, Montreal, for research in petroleum engineering; Geoffrey Vernon Parkinson, 601 Bute St., Vancouver, B.C., for research in mechanical engineering; and Thomas Parks, Thamesford, Ont., for research in petroleum geology.

The fellowships each are valued at \$1,000 a year and may be held for three years. Winners were decided by a committee composed of Dr. R. W. Boyle, chairman, director of the division of physics and electrical engineering, National Research Council; Dean J. C. O'Neill, McGill University; Dr. Leon Lortie, University of Montreal; Dr. Rose Holt Gurney, Ontario Research Foundation; Dean O'Neill, Dr. Lortie and Dr. Lord were appointed by the National Council of

SEVERING CANADIANS THROUGH CHEMISTRY

Chemistry?

WELL, I'VE HEARD OF IT!

YES, EVERYONE has heard of chemistry but few of us realize the part it plays in our daily lives. Countless products are entirely chemical. It improves and reduces the cost of many things. It creates jobs.

At home, chemistry becomes personal. It purifies the water we drink, improves the food we eat, the clothes we wear. It comes to us as salt and in soap. We meet it in "Cellophane", nylon, paint and plastic form. This would be a drab life without chemistry.

Regardless of world conditions, this progressive science drives ahead towards the goal of better working and living conditions... with the C-I-L oval trademark as symbol of an organization devoted to serving Canadians through chemistry.

For Instance: AMMUNITION

Never content with things as they are, chemistry, the restless science, is constantly producing better sporting ammunition; for instance, waterproofed shot shells were developed by Canadian Industries Limited, Head Office, 1135 Beaver Hall Hill, Montreal.

Livestock

SUMMARY

Firmness was evident in cattle prices at all western markets in the past week, with advances recorded on most butcher cattle of about 25c and a new high for recent years was established at Calgary. Little change was shown in prices of other classes of live stock, all selling firm.

Eastern Cattle Markets

A moderate run of cattle cleared slowly at Toronto where higher prices were being asked but buyers resisted and prices held to the previous week's level. Weighty steers sold up to a top of \$16.85 and butcher steers ranged between \$14 and \$15.75. Demand was good at Montreal at prices firm to 25c higher, with a load of top steers at \$16.50 and good quality steers generally \$14.50 to \$15.75. In the Maritimes, good to choice steers and heifers were quoted at \$14 to \$15.00, country points.

Western Cattle Markets

Cattle prices in the west were strong to higher throughout. Winnipeg looked around 25c higher on most killing classes under keen competition and the best of the butcher steers brought \$15 to \$15.75, with a few sales at \$16. Demand for feeder cattle was such that it could not be filled, with prices on the best of the offering up to \$12.50 or better. Calgary established a new high on choice butcher cattle at \$16.25 for some weighty steers and baby beef, white most good to choice steers sold at \$15.25 to \$16; and Edmonton paid \$15.50 to \$16; Prince Albert \$14.50 to \$15; Moose Jaw \$14.50 to \$15 and an odd \$15.50; Saskatoon \$15 to \$15.10 and \$15.25; Regina \$15 to \$15.50.

Exports to United States

Dairy cattle shipments to the United States in the past week totalled 1,549 as against 1,977 in the same week last year. Exports since January 1st this year are 17,902 and last year in the same year in the same period were 23,565.

Calves Continue Steady

There was little or no change in calf prices. Toronto paid \$16 to \$16.50 for best veals, Montreal \$15 with an odd sale at \$15.50, Winnipeg \$14 to \$15.50, Calgary \$13 to \$14, Edmonton \$13 to \$14, Prince Albert \$13.50 to \$14.50; Moose Jaw \$13 to \$14; Saskatoon up to \$14, and Regina \$14 to \$15.

Firm Hog Market

Hog prices for the most part were firm and unchanged but one or two small advances were made at Montreal and Calgary. Toronto paid \$22 for Grade A hogs, Montreal \$23.25 to \$22.50, Winnipeg \$20.40 to \$20.70, Calgary \$20.40, Edmonton \$20.75 for shipment and \$19.90 at plants, Prince Albert,

Moose Jaw, Saskatoon and Regina \$20.15, Vancouver \$21 to \$21.25, Moncton \$22.75 and Charlottetown \$21.75. The above prices do not include the Dominion Government premium of \$2.00 per head on Grade A and \$1. per head on Grade B1 hogs.

WORLD TEA CENTRE

CALCUTTA, India—(CP)—The Indian government plans to make this port into the most important tea city in the world by expansion of storage and ware-

house facilities. Before the war tea was sold at auctions in London, now Indian tea will be sold at auctions held in India.

GRAIN FOR SWEDEN

STOCKHOLM—(CP)—Sweden will receive from the United States during July a total of 37,500 tons of grain and flour composed of 17,000 tons of wheat, 12,000 tons of flour and 8,500 tons of maize.

LONDON—(CP)—Due to cut in flour allocation, dog biscuits will be scarcer.

Telephone Rates Hearing

A Public Hearing before the Board of Commissioners of Public Utilities will be held at the Board's office, 134 Richmond Street, Charlottetown, on Tuesday, June 24, 1947, at 10:30 A. M. to consider an application of The Island Telephone Company Limited to amend "THE GENERAL TARIFF 1941" by adding an Exchange Service Group from 3001 to 5000 telephones, (affecting rates in Charlottetown Exchange).

DATED this 23rd day of May, A. D. 1947.
(L. B. MacMILLAN)
Secretary
BOARD OF COMMISSIONERS OF PUBLIC UTILITIES.
