DOWN THE BACK STRETCH

The well-known reinisman, Tyndall Semple, is at present undergoing treatment at the Prince Edward Island Hospital.

Not only is Tyndall a good driver but he is also an excellent balancer, and his roll of honor includes the names of many horses that would not have acquired records, or at least not as fast records, but for his skill with the rasp and jeweller.

Mc I Win (3) 1.59 1-4 has been purchased by H. J. Schmoeger and placed in the stud along with Bingen Silk 2.07 1-4.

Buying colts is a great lottery and as we have several times mentioned, those bringing the highest prices do not necessarily bring home the bacon.

On the other hand, turning to the moderate priced colts of the same sale, there was a fine group that made good and which went out and won races over both the mile and half-mile tracks.

Some of the three-year-old stars of 1935 that received scant notice as yearlings at the sales in 1933 hit the headlines the next season.

When the records for the year 1935 are in and checked up they are sure to show that it is one of the greatest on record for the production of two-year-old stars.

New highs will also be found registered among the 2.05 and 2.10 candidates, likewise new highs for 2.10 three-year-old trotters and three-year-old pacers, and the list of super-speed stars—new two minute performers for the year, was the greatest on record.

In fact there are few things in which the 1935 harness season did not show decided improvement over preceding years.

Schmeling Eager To Take On Braddock

(Associated Press Sports Writer) NEW YORK, Dec. 6.—Heavyweight champions, past and present, took over the big town today and momentarily stole the spotlight from the impending scuffle between Joe Louis and concrete-jawed Paulino Uzcudun.

While Max Schmeling steamed up the bay and yearned for a chance to regain the title he lost to Jack Sharkey in 1932, Champion Jimmy Braddock arrived from the west and promised to accommodate the German.

With his trainer, Max Machon, Schmeling is here primarily to see the Louis-Uzcudun fight Dec. 13, sign a new contract with Joe Jacobs, his manager. He will return to Germany Dec. 15.

Braddock and his pilot, Joe Gould who cut short an exhibition tour of the far west a few days ago, will be around until after the holidays.

Schmeling talked business with Mike Jacobs, head of the 20th Century Club. He expected to see the Garden authorities within a few days. Jacobs offered Max a bout with Louis next June with the lure of a \$1,000,000 gate.

The German said he would rather meet Braddock but if it couldn't be arranged, he would tangle with the Detroit negro.

He thinks he can trim Louis, too. He saw pictures of the negro's fight with Max Baer and says Louis' fighting style—standing up and punching—right down his alley.

Hal, and hearty after his long swing around the West, Braddock said he is willing to fight Schmeling provided Max can go in and beat Louis.

Lepine Back On Canuck Line Tonight

(Canadian Press) Pete Lepine will be at centre ice for Canadiens tonight for the first time since he broke his thumb in an exhibition game with Boston at Halifax November 4 and his fancy Maroons right in Montreal they will be a distinct threat to the Detroiters unbeaten record in home games.

Other Sunday night encounters finds the Black Hawks back in Chicago for a game with the lowly Boston Bruins and Maroons in New York for their first battle of the season with Rangers.

The game at Toronto should be a thriller. In the only previous meeting of the season the Leafs lost a hard-fought struggle 4-3 at Chicago and are convinced Hawks got the best in the game.

Canadiens, tied for third place with Americans, are bent on a win over Red Wings with whom they played a scoreless tie at Detroit where they claim a legitimate goal was called back on them.

By the way, there is going to be a lot of rivalry on the ice this winter. The noted pacer, Samson Hal 2.02 3-4, has been purchased by Artie McPhee, Clyde River, and his presence in that vicinity has created quite a furore, many visits being made to the stable to see him.

Claire Napoleon, 2.12, Hugh Walker's new purchase, has gained fifty pounds under his care and attention, and as Hugh puts it, "is as sleek as a mouse."

A meeting of the Victoria Driving Club will be held as soon as the ice shows signs of making. This harness horse aggregation has stuck together through several years of depression, always carrying on with a good program every year.

Three Wolves To Make Olympic Trip

HALIFAX, Dec. 6.—(C.P.)—"Daddy" Bubar, veteran netminder who helped Halifax Wolverines win the Allan Cup, will be invited tomorrow to go to the Olympic Games with Port Arthur Bearcats.

The invitation, from the Canadian Amateur Hockey Association, reached Jack Conn here late tonight but the former Wolverine manager was unable to get in touch with Bubar in his home town of New Glasgow.

HALIFAX, Dec. 6.—Three Halifax Wolverines tonight accepted the invitation of the Canadian Amateur Hockey Association to go to the 1936 Olympic Games with Port Arthur Bearcats selected to represent the Dominion after the Halifax team disbanded.

Jack Conn, who managed the Wolverines from the time they were organized in 1927 until they broke up after their Allan Cup triumph this year, said Captain Ernie Mosher, Vince Ferguson and Chummie Lawlor had definitely decided to make the trip.

Although disappointed because he could not hold his championship team together long enough to represent the country at Berlin, Conn said he was glad some of his men were going across.

"However, I would have liked to see Daddy Bubar go along with the others," he added with a compliment for the veteran goalie who played a heroic part in Wolverines' victory.

World's Fair Ice Circus Give Great Performance At Forum Last Night

Charlottetown was treated to something unusual last night—something rare in these parts, namely, the World's Fair Ice Circus. The performance was a decided success and well-deserving of the praise showered upon it by the 500 people in attendance.

Miss Sonia Garvanova and Miss Margaret Miller in a Tango number combined gracefulness and artistry hard to describe as they performed on the blades the difficult and intricate steps of the dance.

In a solo number, Dansant Parisian, Mlle. Doree of Berlin, Germany, displayed a finished artistry as she skimmed over the ice with breathtaking swiftness or moved with slow and graceful ease.

The opening number of the program, the Ballet Divertissement by the Mlles Sonia Garvanova, Mlle. Doree, Margaret Miller and Irma Merkle was also highly enjoyed while three of the above quartets appeared in a striking number "The Butterflies", an exhibition of classical dance steps.

The two kiddies of the show, Eddie and Pattie LeMaire certainly lived up to advance notices as the outstanding child skaters on the continent. In a duet number the pair exhibited a grace and poise that speaks for them a brilliant future in figure skating.
