LETTER OF CONDOLENCE.

To sister Barbara and brother Hugh F. DEAR SISTER AND BROTHER,—We the members of P. S. Division Sons of Temperance feel that as the days pass by you may think we do not sympathize with you in your bereavement, but believe us dear sister and brother you have our sincere sympathy in your deep affliction. Your Heavenly Father has taken to Himself your dear and loving mother whom we knew was so much to you, and in doing so it is only another warning to us to be ready for we know not when the Son of Man cometh. You mourn not as those who have no hope. She found the Saviour in early life and so lived that when the end came she was ready to be transferred to that home above, where there shall be no parting. Remember God is kind even when he smites and whom he loveth he chasteneth. We would have you look to Him, who only can heal the broken heart and who has promised to help in every time of need. We would remember your dear father his sorrow is even greater than yours. May God be with him and comfort him till he joins her up yonder. Signed in behalf of the Division. AUSTEN TAYLOR, JAMES TAPER, A. K. HENRY.

This Weather Breeds Fever And Pneumonia Thousands of Sick People Seeking Admittance to Overcrowded Hospitals. Take Warning and Keep up Your Strength. A tour of the hospital in the large Canadian cities shows a surprising number suffering from different complaints brought on by the present unhealthy weather. The winds are full of searching dampness and loaded with myriads of germs just waiting for a favorable opportunity to fly down your throat. If your vitality is low these germs are sure to break out in some malignant disease. To avoid sickness you must keep up your strength, increase your appetite, get as much nourishment in the blood as possible, and re up a reserve of vigor. How can it be done? Very easily with Person—which revitalizes all the functions of the body, stimulates the formation of pure, rich blood, invigorates digestion and renews the endurance of the whole system. You can ward off sickness and fight disease with Ferrozone because it is a food tonic that supplies building material for exhausted tissues. This assures firm, hard flesh, strong sinew and muscle—in short Ferrozone builds up your system to such a vigorous, healthy state that sickness is almost impossible. If you feel the need of a bracing tonic, something that will awaken your dormant energies and send a stream of strong healthy blood dancing through your veins, try Ferrozone and see how quickly you will improve and gain in weight, health and spirits. Mrs. P. C. Spencer of Beverly, P. O. writes: "About a year ago I was greatly run down. I suffered from severe headaches and felt so completely worn out and depressed that I thought I must have walking typhoid. My appetite was poor and my color was pallid, indicating that my blood was too thin. I found Ferrozone just what I needed. It increased my appetite and made me stronger. The feeling of languidness disappeared. After using Ferrozone a few weeks I felt like a new woman. It made me as strong and healthy. No medicine did me so much good as Ferrozone." Far better to take Ferrozone than let your health run down, and set it to-day. Look out for substitutes and insist on having nothing but Ferrozone. Price 50c per box or six boxes for \$2.50, at all drug stores or by mail, from N. C. Folsom & Co., Kingston, Ont., and Hartford, Conn. U. S. A.
