CONCERT AT KELLY'S CROSS.

On the 23rd ult., the pupils of Maplewood School, one of the districts in that parish, under the efficient supervision of their teacher, Miss Frances McManus, staged one of the best programmes presented to an audience in hall at Kelly's Cross. The unanimous verdict at the close of the concert was: "It was hard to excel a credit to the district for they represented, but particularly a credit to Miss McManus, whose skilful training was so evident in the presentations of the various dialogues, choruses and drills comprising the programme." The children were ably thanked by such artists in the musical sphere as Miss Georgie Trainor, Mrs. Anthony Haughey, Mrs. Joseph Creamer, Messrs. Frank J. Flood, Milwood Doyle, and Joseph Kelly and F. L. Trainor, while Mrs. Milwood Doyle presided at the organ in the accompaniments in artistic style. Their first and last in every forward movement in the locality must be given prominent mention. Mr. J. P. Bradley, who presided and at the close, auctioned the good things in the baskets, and captured a nice collection of proceeds which was after all the objective of the evening.

PERHAPS HER SECRET HOPE IS FOR A GLORIOUS FUR COAT!

Be very sure that she has had visions of such a happiness, if she does not now possess this luxurious garment.

For every woman knows that nothing else so much enhances beauty as a sumptuous Fur Wrap, and nothing else gives so much charm and distinction to even a less favored face, as the soft lines and rich texture of warm furs.

The Fur Coat stands alone in the beauty that it supplies—in the style that it gives—in the luxurious comfort that it provides for coldest and stormiest days. It is equally correct and handsome for evening wear as well as daytime service, and—best of all—it gives gracious service for many gratifying years. Six specials on display. Best ever shown here.

What could equal it for a superb Christmas gift? Patons, Ltd. 31.

Are You Sure Your Children's Eyes Are Right?

A responsibility rests upon every parent to give his child every possible advantage in life; to give the child the best of weapons with which to meet the struggle of the years ahead. Surely good eyesight is the priceless gift that every child should have. Remember that poor eyesight means poor concentration and will retard the youngster's progress. Many a child considered dull or lazy in school or music studies has simply been suffering from defective vision. And after correct glasses have changed entirely the record of performance. Perhaps your youngster's report-card is reflecting the present state of eyes-strain. Perhaps you are not doing your own child full justice. Have an examination made and know. Consult

The Cause of Most Deaths

Stomach disorders are the indirect cause of most fatal diseases.

Civilization is favorable to long life, so long as care is taken that the stomach functions normally. Unfortunately, close housing, too generous supply of food, too little exercise are some of the "blessings" of our civilization. As a result stomach trouble sets in, and stomach trouble is the very basis of most of our ills.

Therefore if we take care that our stomach functions normally we are sure of living happily, for health is happiness and need not fear that old age means decrepitude and helplessness.

"GASTRONAL" the new specific for stomach troubles, can insure you that perfect health for which we all strive. At the first sign of Sour Stomach, Nervous Dyspepsia, Acidity of the Stomach, Heartburn, Constipation, begin taking "Gastronal" after meals and the improvement will at once be noticeable. Gastronal costs little, 50c for 50, each one bearing the word "Gastronal" to protect you against spurious imitations. 6 boxes for \$2.50 everywhere.

Should your dealer be temporarily unable to supply you send your order with remittance direct to Dr. J. O. Lambert, Limited, 396 St. Antoine St., Montreal. The largest manufacturers of Cough Syrup in the British Empire.
