

The Central Guardian

IT PAYS to buy in this province.

BEST YET, LADIES PATENT BOOTS only \$2.75 at Goff Bros. 140-9120M61.

FUND ACKNOWLEDGED.—Mr. George Green, the late principal of the Souris High School has received the following receipt from the Overseas Club: "Received with thanks from the scholars of Souris High School, the sum of \$2.50 for the Overseas Club Tobacco and Comfort Fund." John Evelyn Wrench.—\*

WORKING AT TERMINAL.—Messrs John Grant, Hector M. Hut and Mylo Kerwin of the Roger Miller company, who have been in Pictou while their company was working on the locks at the East River, have left for Carleton Point, P. E. I., where the Roger Miller company have the terminals contract, says the Pictou Advocate.

EXHIBITION.—Among the exhibits on the grounds near machinery hall, at the Exhibition next week will be that of the Associated Farmers' Co-operative Company, Ltd. They will show Sharpless Gasoline Engines and Separators; also Maple Leaf Grain Crushers. Intending purchasers would do well to look up and look over this exhibit. 197-21.

DIED FROM FRIGHT.—A very sad story reaches us from Abercrombie, says the New Glasgow News, where Annie Laura Locke, the six year and one month daughter of Mr. and Mrs. John Locke died at 2 p. m. yesterday. The little girl had been attending the Abercrombie school. During the noon hour about a fortnight ago the scholars were playing on the grounds and killed a snake. Some one of them in a silly and thoughtless way, picked up the snake and threw it at the little Locke girl. She collapsed from fright was taken home, and after a fortnight's illness died as above stated. The doctor in attendance said that her heart was displaced by the fright she sustained and that that was the direct cause of her death. She had been a healthy child and was never sick a day in her life prior to this accident. Mr. and Mrs. Locke have the sympathy of a wide circle of friends in their crushing bereavement. They have been living at Abercrombie for a year or so and prior to that resided at Trenton for five years. They hail from P. E. Island originally.

RED CROSS MEETING.—The annual meeting of the Hunter River branch of the Red Cross Society, was held on Sept. 7th. The members, though only fifteen in number, are to be congratulated on their splendid showing for the past year's work. For the year, their total cash receipts amounted to \$309.99, out of which they have given very generously to Red Cross work, Y. M. C. A. Fund, and Island Boys Tobacco Fund, besides purchasing large quantities of yarn and material for Hospital supplies. In October they forwarded three dozen very generously filled Xmas boxes to the soldier boys from the Hunter River district, all of which with the exception of three, have been gratefully acknowledged. The Society has also adopted a prisoner of war, their collections for this department of the work being \$45.05, making a total of all money collected for the year \$355.00. The number of socks knit during the year was 179 pairs and two pair wristlets. The Society is very grateful to all those who have in any way helped to make such a splendid showing, and trusts to meet with the same very generous response during the present year's work.

ATTENTION.—See McKie and Nelson's advt. 906S.

ORGAN RECITAL.—It is seldom our friends from the Country have an opportunity of enjoying a program of high class music such as will be given at the Grand Patriotic Concert and Organ Recital in the First Methodist Church on Wednesday evening, the best talent in the city will take part. Tickets, 25c. can be procured at Hughes' and Johnson's and Johnson's Drug Stores; also at Church. Doors open at 7.30. 259

A LITTLE BIT OF SENSE.—Mr. Frank J. Praught has The Guardian's thanks for one of his recent lectures entitled "A Little Bit of Sense." The lecture deals in life, the application of and the search for "the little bit of sense" inherent to every human soul. The reader will find both the application and the search of intense interest while perusing this little pamphlet of only a few pages. It is understood the pamphlet will be on sale during market days for the nominal sum of ten cents, a remarkably small fee for "A Little Bit of Sense."

OFFICERS ELECTED.—A Montreal despatch of Sept. 21 says—The eight annual convention of the grand division Canadian Brotherhood of Railroad Employees was brought to a close this evening. Eighty-three delegates, representing all sections of the Dominion attended the sessions which opened Tuesday. Among the resolutions adopted was one urging that a tax be placed on the wages of persons of alien enemy birth residing in the country. Another addressed to the food controller asked for a better regulation of prices. Another expressed appreciation of the treatment accorded the organization by the minister of labor and a fourth called for the removal of the restriction placed upon the sale of oleomargarine in Canada. With reference to conscription it was decided to submit a resolution to each subordinate division, asking for a vote on the question. A notice of motion was placed on the order paper of next year's convention, changing the headquarters from Halifax to Ottawa. The next convention of the organization will be held at Port Arthur on the invitation of the mayor and board of trade of that city. Among the officers elected as Vice-Presidents are Mr. M. McLeod for Charlottetown and Mr. J. H. Monaghan, Charlottetown, for P. E. I.

YOU'RE BILIOUS LET "CASCARETS" LIVEN LIVER AND BOWELS

Don't stay headachy, constipated, sick, with breath bad and stomach sour

Get a 10-cent box now. You men and women who can't get feeling right—who have headache, coated tongue, bad taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have a bad cold. Are you keeping your bowels clean with Cascarets or merely forcing a passageway every few days with salts, cathartic pills or castor oil? Cascarets work while you sleep; cleanse the stomach, remove the sour, undigested, fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the bowels. A Cascaret to-night will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet, liver and bowels regular, and head clear for months. Don't forget the children. They love Cascarets because they taste good—never gripe or sicken.

AN IRISH COMEBACK

An Irishman employed in a large factory had taken a day off without permission and seemed likely to lose his job in consequence. When asked by his foreman the next day why he had not returned up the day before, he replied: "I was so ill, sir, that I could not come to work to save my life."

"How was it then, Pat, that I saw you pass the factory on your bicycle during the morning?" asked the foreman. Pat was slightly taken aback, then regaining his presence of mind, he replied: "Sure, sir, that must have been when I was going for the doctor."—The Pittsburg Chronicle Telegraph.

AN EYE WITNESS.

Gentleman: Why don't you get out and hustle? Hard work never killed anybody. Rastus: You're mistaken dere, boss. Ise lost fouth wives dat way.

Many more men would buy heavily shares if they could be had on the instalment plan. There are times when it is advisable to listen to a fool's advice.

CANNY.

She claims that she is Scotch and we have little cause to doubt her. For, now the fruits are ripe, she has such canny ways about her.

Our Booklet Explains

why Kootenay Ranges stay good as new, long after other ranges have worn out; how the asbestos joints prevent leakage of air or drafts; how the aluminum flues prevent rust; and why they require less fuel than other ranges. Ask our dealer or write for booklet.
