Finance

By Bernard S. O'Hara
Associated Press Financial Writer
NEW YORK, Nov. 28—(AP)—Leading stocks dropped to new low points for sure loan a year in today's market as U.S.-Japanese relations appeared near the breaking level and heavy tax selling persisted. Losses of fractions to around 2 points were well in the majority at the close.

Lesses from fractions to more than a point were registered by all active Canadian stocks. Big loser was Bell Telephone Canadian down 1 1/4 points to 105. International Nickel, lost 7-8, Lake Shore Mines 3-8, McIntyre 1-2, Dome, Walkers, and Imperial Oil 1-4 each, Hollinger, Brazilian Traction, and Canadian Pacific 1-8 each, and Canadian Marconi 1-16. Unchanged were Distillers Seagram and Ford "A." The Associated Press average of 80 stocks finished with a net decline of 1/4 of a point at 38.9, a new bottom since June 11, 1940. It was the sixth successive session the composite had failed to record any progress. Sizable blocks came out at the close and transfers totaled 868,160 shares.

Fallen France Faces Another Fateful Turning

BEATEN France again is stretched on the totalitarian torture rack. Hitler is believed demanding all-out payments even in his New Order perhaps even to the extent of direct military action against Britain. As Marshal Philippe Petain and Admiral Francois Darlan went to Paris to meet Hermann Goerring and possibly Adolf Hitler himself, they faced a decision that may affect profoundly the military situation in there the Mediterranean. The British are fighting to set up Africa tightly against any and all comers. Hitler needs help, and it now seems certain that he intends to get it from whatever source he can. That means France, and perhaps Spain — for one complication in the removal of General Weingand as chief of those armies. But other Frenchmen besides Petain and Darlan are going to have their say. General de Gaulle already has won the French North African armies at his command, and has achieved the first step in the removal of General Weingand as chief of those armies. But other Frenchmen besides Petain and Darlan are going to have their say.
