SEPT 22

October 5.

THE DATES AND THE PLACE.

Halifax, N.S. Canada.

Write to M. Mc F. HALL, Manager, for Information.

Dysentery

Is a form of diarrhoea, and consists of copious and frequent liquid discharges from the bowels, accompanied by painful straining sensations. Dr. Fowler's Extract of Wild Strawberry is a specific for diarrhoea, dysentery, and all summer complaints, and has been a well-known remedy for 60 years. You are not taking a new and untried remedy when you use Dr. Fowler's Extract of Wild Strawberry.

Mrs. M. A. SUMMERFIELD, Canboro, Ont., writes: "I have used Dr. Fowler's Extract of Wild Strawberry in my family for years, and have always found it a wonderful remedy for Diarrhoea and Dysentery. I know of a great many others who have used it with the most satisfactory results."

REFUSE ALL SUBSTITUTES. THEY'RE DANGEROUS.

THE STOP OF THE CLASSIFIED TOWN

CHAPTER XVIII.

The lady of letters today is our theme: She'll fill a page or write a poem. She can be dictated to all the day And takes silent note of just what you say.

She is writing a letter—a short one to you— It won't take a moment to read the note through; "Dear Friend," so she writes, "I really can't see Why anyone out of employment should be."

"Stenographers, office help, boys and cashiers; Beginners and those with experience of years. Can the best of employment quickly secure, From Guardian want ads: this I am sure."

(To be continued next issue.)
