

S'ide Teams Take Lead In Playoff Series

Local Junior Champs Fall Before Prince County Kinsmen

Charlie Hogan's junior Kinsmen from Summerside yesterday took a one game lead in the battle for the Island Junior title and Smallman's Trophy as they hit out in a convincing 14-1 victory over the local Kinsmen in the opening game of a best out of three series.

Combing two local hurlers for a total of eleven safe blows and backing up the four hit hurling of Garth Gay with a steady defensive display the Summerside youngsters took a 2-0 lead in the first half of the first inning and from there on never headed adding to their margin in every frame but the second, fourth and sixth and winding up their smart performance with a five run outburst in the top of the ninth.

Gay, who had the local batters eating out of his hand all through the game lost his shutout in the ninth when Ready tripped to start off the inning and came in as a pitch got away from the Summerside catcher.

The Summerside hurler in trouble due to a couple of bad errors twice in the game was supreme in the pinches as he struck out six batters and left eight runners stranded on the sacks.

Outstanding fielding feature of the game was provided by Jackie Williams, centre fielder of the local squad when he raced to his right to make a shoe string catch of a low fly that seemed headed for a base hit.

Next game of the series is slated for Summerside Tuesday afternoon at 4:30 sharp.

41-Day Racing Meet Opens On Tuesday

ALBANY, Calif., Sept. 7.—(AP)—Golden Gate Fields, the track that ended a brief meeting in 1941 as an oversized mudhole, opens a 41-day meeting Tuesday as California's third deluxe horse racing plant, rivaling Santa Anita and Hollywood Park in elegance.

The multi-million dollar layout, restored to racing condition after five years of navy use, is starting more modestly than its two southern neighbors but it will offer a \$75,000 added 1 1/4-mile handicap Oct. 18 and 19 stakes totalling \$250,000 for the meeting which concludes Oct. 25.

Most of the top horses in western racing will be on hand. Stakes stars from the eastern half of the United States are expected to filter in gradually.

The track, located 14 miles from San Francisco, half that distance from Oakland and on the fringe of a population area of close to 2,500,000, had an unusual opening and ill-fated closing. It was the winter of the '40-day rain." Postponement delays the inaugural untried early in 1941 while rains beat holes into the racing strip one and two feet deep.

Five racing days were held before the meeting was cancelled. The closing left financial headaches in

Tennis Club Complimented On Activities

A very successful club tournament and a splendid season of tennis activity was climaxed Saturday afternoon at the Charlotte-Town Tennis Club, when the presentation of prizes were made to the winners of the different events.

With all the club members gathered in front of the clubhouse, the presentations to the senior contestants were made by Mr. G. F. Hutchinson, one of Charlotte-Town's best known tennis enthusiasts and former player, while the junior presentations were handled by Miss Eleanor Bourke, former ladies' singles club champion, and still one of the club's most active playing members.

Mr. Hutchinson complimented the club executive for the splendid way in which they carried out the season's activities, and brought to a successful conclusion, both the Island Open and Closed Club tournaments.

The following are the Club tournament winners:—

Men's Singles
Winner: William Moreside.
Runner Up: Earle Smith.

Ladies' Singles
Winner: Beryl DeBlais.

Men's Doubles
Winners: Wm. Moreside and Ivan Reddin.

Runners Up: Earle Smith and Jimmy Palmer.

Ladies' Doubles
Winners: Beryl DeBlais and Joan Miller.

Runners Up: Audrey DeBlais and Mrs. R. Large.

Mixed Doubles
Winners: Beryl DeBlais and Wm. Moreside.

Runners Up: Audrey DeBlais and Jimmy Palmer.

Junior Men's Singles
Winner: Philip Jardine.
Runner Up: Carl Bradley.

Junior Ladies' Singles
Winner: Elizabeth Lantz.
Runner Up: Norah DeBlais.

Kramer Is Impressive

FOREST HILLS, N.Y., Sept. 7.—(CP)—Jack Kramer made his first brief appearance in the United States tennis singles championships today before some 7,000 fans and hours later the big stadium still echoed to the "ohs" and "aahs" of the thousands of spectators.

Kramer, defending United States champion and mainstay of the American Davis Cup team, overwhelmed young Edward McRath of Brooklyn 6-0, 6-3, 6-1, in the second round.

When the brief spectacle had ended and the crowd still was exclaiming at Kramer's mighty exhibition, the king and the kid strolled chummily out of the stadium together.

Pier Squad Wins League Title

NEW WATERFORD, N. S., Sept. 7.—(CP)—Whitney Pier today won the colliery league baseball title by defeating New Waterford Dodgers 10-2 in a loosely played contest. The win gave the Pier squad the title in three straight games and the right to advance to the Nova Scotia semifinals against Halifax Arrows.

The game was played under protest and tonight league officials were considering the dispute in Sydney. The semi-finals, a best-of-five series, are scheduled to open in Sydney Tuesday with the second game Wednesday. On Thursday the teams travel to Halifax where the series will continue Friday and, if necessary, Saturday.

Its wake Something like \$2,000,000 had been sunk into the venture of a 160-acre plot forming part of the harbor line of San Francisco Bay.

In the reversion, three feet of soil have been added to the racing strip alone. Drainage systems, a sea gate and other improvements have been completed to prevent tidal seepage from softening the area.

Leafs' Prospects Hinge On Showing Of Apps And Metz

TORONTO, Sept. 7.—(CP)—Conny Smythe, never a man to let hockey's light be hidden by a hot-weather bushel, was on the line today with the statement that the prospects of his Maple Leafs in the coming National Hockey League campaign depend mainly on the performance of a pair of veterans—wheat-farmer Nick Metz and Ontario Athletic Commissioner Syl Apps.

"If they give us another season like they did last we'll be okay," said the managing director of the club which came through with a surprising Stanley Cup championship last year after a complete rebuild job. "If they conk out on us we'll have to come up with someone for centre ice."

To young hockey hopefuls, Smythe offered the view that the only chance for a newcomer to make the 1947-48 Leafs would be at centre, that is if the veterans slump, or at right wing. He counted off the veteran prospects just to show why.

Aside from Metz and Apps, centre men are Ted Kennedy, Gus Bodnar and Bud Poite. The right wings in view are Bill Ezinicki, Howie Meeker and Don Metz.

The rest of the team looks solid to Smythe with Turk Broda, forward; Bob Goldham, Garth Bosch, Gus Morrison, Jimmy Thomson, Bill Bariko and Wally Stanowski for defence; Gaye Stewart, Harry Watson, Vic Lynn and Joe Klusky for left wing.

He gave an indirect hint that Stanowski may be on the auction block. "The truth of the matter is that we haven't had an offer for him. We did offer him to Chicago for Alex Kaleta last season but Bill Tobin wouldn't go for that deal."

Canada Out Of Olympic Hockey Picture

By Jack Sullivan
Canadian Press Staff Writer
ZURICH, Switzerland, Sept. 7.—(CP)—Canada apparently bowed out of the 1948 Olympic hockey picture tonight after refusing point-blank to accept amateur rules as laid down by the International Olympic committee.

Canada, represented by George Dudley of Midland, Ont., secretary of the Canadian Amateur Hockey Association, was the lone dissenter at an extraordinary congress of the International Ice Hockey Federation, tabled Saturday by the Swiss Federation, asking acceptance of the Olympic amateur rules.

Dudley, who said Saturday the C.A.H.A. was prepared to "stand or fall" on its definition of an amateur as a player who does not sign a professional contract, also blocked the way for any other sports organization in Canada to send a team to the winter Olympics at St. Moritz in February.

He proposed a motion, which was passed only by Belgium opposing it, saying that "only a team delegated by the C.A.H.A., as a member of the I.I.H.F., will take part in the 1948 Olympics."

A similar motion covering the Amateur Hockey Association of the United States also was passed and both were interpreted as a direct slap against the Canadian and United States Olympic committee, especially Avery Brundage, president of the American committee, who told all members of the I.O.C. in a letter that the A.H.A. of U.S. "never will be recognized" by his committee.

Today's meeting was attended by Albert Mayer, Swiss member of the I.O.C., who passed on the motions to a separate session of the Swiss

All-Stars Awarded Game Over Abbies After Six Innings

In an exciting and unexpected finish Summerside All Stars yesterday jumped into a one game lead in the Intermediate baseball finals when they were awarded a 6-0 victory over Charlottetown Abbies just after the final out had been made in the sixth inning and the visitors having a 4-0 lead at the time. The blowoff came when Abegweits holy protested a play at the plate in which a local base runner had been called out and in the matter of seconds fans had swarmed onto the field with one flareup occurring between two fans and the plate umpire being allegedly struck at by one of the local players.

But up to that time the teams had waged a bitterly contested struggle with the visitors scoring in the first three innings to attain their lead as Gerard Bernard, speedball ace of the All Stars kept the locals away from the plate with tight hurling in the pinches that stranded six Abegweits runners.

The first hitter of the game, Syl Bernard was at first on an error; stole second and went to third on a passed ball. He scored on Mickus' long single. Grady popped to Ryan and Allen got a life on a fielder's choice as Mickus was tossed out at second. Curson came through with a double to put Allen on third but Morrison ended the rally as he was tossed out at first.

In the second after the first batter had been retired the visitors combined two successive hits and an error for two runs before being retired and accounted for their final run in the third as Allen safe at first on an error, stole second, went to third on a single and came home on Ryan's wild leave. From there on Summerside went hitless against Ryan's hurling.

Abegweits had runners on in the first, second, fourth/fifth

Olympic organization committee where they were agreed to un-announcedly.

Mayer told the Canadian Press in an interview that if the C.A.H.A. decides to rescind its decision and send a team, and it is passed by the I.I.H.F., the organizing committee will not question its eligibility.

Salt and other minerals are wished into the sea continually at an estimated rate of 3,000,000 tons a year.

If its Economy you want its Plymouth you want

You get greater all-around ECONOMY with Plymouth because—It is engineered and built for thrifty performance. Plymouth's big, 95 horsepower engine is designed to give you maximum power with money-saving operation. Its high compression ratio, downdraft carburetor, positive action fuel pump, heavy-duty oil bath air cleaner, new Delite gasoline filter and automatic manifold heat control are just a few of the features all working together to give you maximum power, economy and smooth operation from a minimum amount of fuel.

Precision manufacturing; super-finished crankshaft and camshaft journals; full-pressure lubrication; full length water jackets and other famous Engineering Advancements make Plymouth a long-lasting car to own and operate.

In addition to Plymouth's operating economy and economy of upkeep, you'll find Plymouth's initial cost right down with the lowest.

Check these Plymouth Features...:

- New Safety Hydraulic Brakes
- Patented Flusher-Power Suction
- Automatic Weatherstripping
- Patented New Starter with built-in dash
- Special-Design Wheel for steering protection
- New Front-end Sway Brakes
- Patented Safety
- Body's New Body Dound Bumper
- Automatic Drive to cushion starting and stopping
- Lightweight Aluminum
- Patented New Weatherstripping
- Patented New Gasoline Filter
