A MOTORMAN'S VICTORY.

Over Diabete. Gained by the Power of Dodd's Kidney Pills.

Toronto, May 8.—In a large city like Toronto, there is always much sickness, kidney disease largely predominating. The street railway employes, exposed as they are to all the inclemencies of the weather, are particularly liable to kidney disease. But they all know how to conquer this enemy.

For instance; Mr. T. H. O'Reilly, 27 Niagara Street, motorman, No. 624, was for three years a great sufferer from Diabete. Every remedy failed to help him, till he began to use Dodd's Kidney Pills. Three boxes cured him.

It is like this, where the patient and the cure are equally well known, that is the test of a remedy, and Dodd's Kidney Pills have always stood it successfully. They cure all kidney complaints.

READ THE PROOF!

GENTLEMEN.—I have for a long time needed something to make blood and build up my system. My blood was watery and thin, lacking strength and vitality. Last January a friend said—"Why not try Dr. Ward's Blood and Nerve Pills? They will supply the oxygen your blood needs and give you health and strength." I told him I was very skeptical as to any benefit that could be derived from any proprietary medicine and had no faith in them. There the matter rested until four months ago, when reading so much about what Dr. Ward's Blood and Nerve Pills have done for so many people with impoverished blood, I concluded to give them a trial. I have taken four boxes and my unbelief so far as Dr. Ward's Blood and Nerve Pills are concerned has been entirely removed. They are a splendid blood builder and strength restorer, and an invaluable medicine for weak, enervated people. This has been my experience, they having given me strength of body and strong healthy blood.

The Power Of Money.

"What," said the visitor to the village of his childhood, "what's become of the one boy I hated—Willie Hawker, the snark? In prison, no doubt He bore that fate on his face."

"Hush," said the old inhabitant "He is now Mr Hawker, the famous millionaire."

"What!" cried the visitor "My dear schoolfellow a millionaire? I must call upon him and revive old friendships."

A REFRESHING STYLE.

The art of quotation requires delicacy in practice. An already famous firm has originated and developed into very promising advertising a mass of old quaint proverbs. We refer to Messrs C. I. Hood & Co., of Sarasprilla fame, who are using not only our columns but those of thousands of our contemporaries, in adapting, wise saws to their service by clever and practical turns. It is refreshing to see something new and bright in this line. Clean cut argument is better than big display type.

PROVIDER.

By Preceptor, sire of Nutregger, 2.17 1-4 at 4 years, and five others in 2.30 list; dam Lill, dam of Do', 2.18, and granddam of Kickapoo, 2.26, by Dean Swift. sire of 4 in 30 list.

PROVIDER is so well known to the public, both as a trotter and race horse, that but little need be said of him. The next day he started in the free for all, and again won in straight heats, time 2.24, 2.23, and 2.24, trotting every heat in the two races but one, in 2.25, and better without making a break or mistake, beating such fast ones as Arclight 2.14, and Montrose, 2.20.

Persons who may not desire to breed trotters will please take notice that Provider has that superlatively good high knee action, so desirable in roadsters, and carriage horse. These qualities combined with his fine breeding large size, good color, and disposition, must be sufficient recommendation to insure patronage.

Provider will make the season at John Connor's stables, opposite the Opera House—Terms \$10.00 for the season, with usual return privilege if mare is not in foal.
