An Easter Service was held in the Methodist Church Kensington on Monday evening under the auspices of the W. M. S. of that church. Notwithstanding the state of the roads, quite a large audience was present and appeared to enjoy every number on the program. Miss Mamie Bentley presided at the organ with her usual excellent skill. Rev. W. A. Thomson acted as chairman and spoke a few pointed remarks to Christians in regard to Missionary work. It would be unnecessary to mention all, yet we must say that the singing was excellent, especially the solo by Miss Florence Earle of Charlottetown, and Mrs. Gordon Tuplin of Kensington, also little Miss Lena Noonan, who sang with much sweetness. Two splendidly rendered quartettes by Misses Marie and Georgie Bentley, and Messrs. Taplin and Casely, and the singing of motion songs by six little girls was very much enjoyed by all present. The music was interspersed with readings and recitations only one of which we will mention was given by Master Sam Darrach, the youngest member of the Mission Band. A collection was taken upon aid of Mission Work.

It has been proved beyond the shadow of a doubt that the raising of pork is by long odds one of the two most important branches of the agricultural interests of this Province, if not of the Dominion. It has been said by those in a position to give an opinion that in no class of pure bred stock have the farmers shown greater skill, judgement and intelligence in improving the type than have the breeders of Yorkshire hogs. They have worked and studied and have succeeded in improving the conformation and constitution of their animals until a uniform type has been maintained. The improved large Yorkshire although only introduced in this Province a few years ago have to a large extent side-tracked other breeds and have raised the standard and price of Canadian bacon. Elsewhere in this issue will be found the advertisement of Mr. J. W. Callbeck. Last year he was unable to supply the demand of his numerous customers in this and the neighboring Provinces. Possibly the wonderful records of his herd at the exhibitions in this Island and in the other Maritime Provinces has placed the Brookside Herd among the first class herds of Canada. Those desiring to secure the best breed of bacon hog should correspond with Mr. Callbeck at once in order that orders may be filled promptly.

One Likes To Be Right!

I know I do! I have made various statements in these columns regarding the "Rob Roy Mines" owned by the Scottish-Canadian Mining Company and have been very careful what I said—endeavoring to say nothing but what would stand every investigation.

Last month I wrote to Mr. J. W. Westfall, the Supt. of the "Old Gold" and "Primrose" Mining Companies, for his opinion of the Rob Roy. His report has just come to hand and copies of it are already in the hands of Island Shareholders in this (Scottish-Canadian) Company.

This report is very full and most satisfactory to all concerned—unless it may be to those who didn't buy Shares while they had the chance! It fully bears out every statement I have made and shows that my assertion that ROB ROY WILL BE A BONANZA is a correct one. If you have thought some of investing in these Shares let me send you a copy of this Report.

Mr. Westfall has already brought several properties up to the paying point and his word carries weight. The Report can be had for the asking.
