RETURN FROM ENJOYABLE TOUR

Mr. and Mrs. G. F. Hutcheson Back From Motor Trip To Florida.

Mr. and Mrs. G. F. Hutcheson, and Miss Dorothy, who it will be remembered, motored from Charlottetown to Florida, early in February last, are being cordially welcomed home after an absence of almost four months.

They think that Florida, especially Southern Florida, possesses an ideal climate in which to spend the winter months.

In Fort Lauderdale, where they spent most of their time, the temperature was remarkably uniform, ranging from 70 to about 85 degrees in the shade and in addition, refreshing trade winds from the Atlantic, only two miles away, made the hottest day quite comfortable.

The evenings were simply delightful, the warm, balmy breezes from the Atlantic with the Gulf Stream only three miles from the coast at this point, so tempered the night air that the lightest of summer clothing could be worn with comfort.

The Floridians are tremendous boosters, and they certainly possess a wonderful asset in their delightful winter climate.

TO ATTEND ALL CANADA CONFERENCE

And Prince Edward Island Convention of Churches of Christ—Delegates Arrive In City.

The long awaited local film of the Corpus Christi Procession was screened at the Prince Edward yesterday. Excellent results were obtained by the cameraman brought here by the Prince Edward Theatre management. Bright clear pictures taking every detail of the procession and the service at Notre Dame Convent, which those who took part and their friends should not miss seeing.

A screen version of Sir Edward Elgar's famous song, "Land of Hope and Glory" follows the local film and is a welcome relief from the usual American production.

In "Land of Hope and Glory" the action ranges over many of the Dominions Overseas, and an important aspect of the story is its emphasis on the extent of which even to-day the Empire is being peopled from the mother country.

The regular monthly meeting of the Summerside town council was held last night at which routine bills were passed amounting to \$3,556. Amongst communications read was a letter from Mr. Donaldson, of the Maritime Electric Company wishing to know what the council's intention was in regard to their offer to supply electric energy to the town of Summerside.

This led to a very animated discussion of considerable length participated in by all the members of the council, but it led nowhere and the argument was finally abandoned after ten o'clock for the transaction of a little unfinished business before the council adjourned until next Monday night.

Amongst motions passed were the following: That the police shall enforce payment of executions issued for poll tax and assessment. That uniforms and caps be purchased for the police officers and that the Summerside Athletic Association be granted Saturday next as a tag day.

In Memoriam

MR. RONALD A. STEWART

Relatives and friends were shocked to learn of the death of Mr. Ronald A. Stewart in the P. E. Island Hospital on April the 9th. The late Mr. Stewart was born in Bethel, Lot 48, May 6th, 1852. The deceased had been ailing for some months and no efforts were spared nor loving kindness reserved to prolong his stay, but all was done to fight the Grim Reaper. God in His all wise power knew best. His servant's work was done. He called him home, and being sustained all through his sickness by an unflinching trust carried almost to the last—he was able to leave a fond good bye to his dear ones. The funeral was held from the home of his granddaughter, Mrs. R. B. Vessey, Charlottetown, on April 11th, to Hazelbrook Cemetery. His Pastor Rev. R. W. Lindsay spoke words of truth and comfort to the sorrowing ones. The hymns sung were favourites of the deceased "Safe in the Arms of Jesus, Asleep in Jesus, and The Lord is My Shepherd. He leaves to mourn two daughters, Mrs. Jas. Jenkins, and Mrs. Alex. Horton of Bethel. Also two granddaughters Miss Marion Jenkins of Bethel and Mrs. A. B. Vessey of Charlottetown with whom he resided.

The pall bearers at the house were Solomon Mutch, W. W. Wood, John Jenkins, Boswell Jenkins, Wm. Curran and Herbert Thomson, and at the grave, Fred Roberson, J. W. Ballem, W. W. Wood, Solomon Mutch, Roy Jones and Charles Rankin. Blessed are the dead who die in the Lord from henceforth that they may rest from their labours and their works do follow them. Rev. 14, 13.
