MOVIE STAR IN FIRST WESTERN

The new Universal adventure epic, "Trail of the Vigilantes," with Franchot Tone in his first Western starring role, is currently on the screen at the Prince Edward Theatre.

Tone appears at the head of an imposing cast that includes such prominent players as Warren William, Broderick Crawford, Andy Devine, Mischa Auer, Porter Hall, Peggy Moran and others.

Comedy as well as action and spectacle are emphasized in "Trail of the Vigilantes" by the veteran director, Allan Dwan.

Tone appears as an undercover agent sent by a city newspaper to the frontier in quest of the murderer of a reporter.

A Message

There's a campaign in the offing, 'Gains a germ as black as night, One that robs a happy people Of the life that is their right. 'Tis the dreaded germ of T. B. That we'll fight with all our might.

Now we know that drops of water Blending, make the mighty seas, Where the Navy of the Empire, Death to Nard ship decrees, So our purchase of T. B. Seals, Will stamp out this dread disease.

From our fair Prince Edward Island That lies "cradled on the waves," And will bring health to its people, Save our Youth from early graves, Happy hearts shall bless the homeland, Which the broad Atlantic waves.

Save---to buy Health Seals---the pennies. That before we've freely spent, For such odds as gum and candy, Never thinking what it meant That we purchase "things of value" With the humble little cent.

And, let every Christmas message For our homes, or o'er the sea, Bear the "stamp of a bright future," Free from all the ills that be, Making strong a valiant people In the Cause of Liberty!

UNPAINTED TABLES

As for the table itself, there are always those inexpensive unpainted pieces, just waiting to be made beautiful. Anyone with a flair for decorating will choose an unpainted table and get to work to make it conform to their own ideas of color and decoration. Narrow chests of drawers make nice dressing tables too, when spanned with a mirror-glass shelf. And the knee-hole desk also does beauty duty. An old desk, scraped and then done in antique white with a narrow line of gold or in deep black with silver trim in an inexpensive idea that turns into a handsome looking job. So there's no excuse for any one not to treat herself to a really handsome dressing table if she doesn't care for the ordinary table with skirts and wants more
