Enthusiastic Mobs Hold Up Royalty

(C.P.-Havas, By Guardian's Special Wire)

LONDON, Dec. 11—Six persons were arrested late last night as police sought to maintain order among a huge crowd gathered to hail the Duke of York on his return from Fort Belvedere.

Shouts of "long live the King!" greeted the Duke as his car approached his Piccadilly residence at 11.20 p. m.

Despite efofforts by police to clear a path, the Duke's car was forced to a complete stop on one occasion. Men and women pressed their faces against the car windows.

After a half hour's stop at his residence the Duke went to Marlborough House. He left there at 1.36 a. m. after spending an hour and 20 minutes with Queen Mary.

The Whitehall district was also blocked by heavy crowds. The entrance to narrow Downing Street, where the Prime Minister lives at No. 10, was finally barred at 10 p. m. by police.

The greatest police difficulty came from 300 Fascists who demonstrated in front of No. 10 shouting "put it to a vote—we want Edward —we want Mosley."

Loyalist Troops Repulse Fascist Attack On Madrid

(A. P. by Guardian's Special Wire)

MADRID, Dec. 10—Fascist Insurgents struck again at Madrid today from the west but the Government declared tonight the attackers had been driven off in a bitter three-hour struggle.

The Insurgent assault was centred around Pozuelo, a few miles west of the city, and the San Fernando bridge.

The Fascist troops smashed at Government lines after their artillery had laid down a heavy barrage.

Women and children continued to pour out of the city.

The Socialist administration asked the German and Italian consuls at Bilbao, on the north coast, to leave for their own countries.

SHAKES COMMAND

TALAVERA DE LA REINA, Spain Dec. 10—(CP-Havas)—Gen. Francisco Franco today abruptly shook up his command directing the siege of Madrid in an important series of changes forecasting major operations against the grimly-held capital.

He also appointed his brother, the famous aviator Ramon Franco, commander of the Fascist air base on the Island of Mallorca in what may forecast measures for the offensive on Catalonia.

(Madrid Government leaders said deserting Insurgents had disclosed the rebel high command is anxious over its failure to take Madrid after 34 days of fighting).

PACT VIOLATION CLAIMED

BERLIN, Dec. 10—(CP-Havas)—Definite accusations that thousands of tons of war material were supplied by Soviet Russia to the Madrid Government in violation of the neutrality agreement were published tonight by the official German News Bureau.

The statements were published as an answer to Soviet charges that Germany was violating the agreement.

The News Bureau specified shipments as follows:

On Oct. 26, the Soviet ship Ingul debarked at Alicante 86 war trucks and an important quantity of heavy armaments.

On Oct. 30 the Soviet ship Transbalt arrived at Alicante with 80 Russian pilots.

On Nov. 3 the Soviet ship Koursk arrived at Alicante with planes, cannons, tanks and munitions.

On Nov. 6 the Soviet ship Shakter debarked at Alicante 1,400 tons of war materials of various kinds.

"GENERAL WAR"

GENEVA, Dec. 10—(CP)—It was understood tonight that Julio Alvarez del Vayo, Spanish Foreign Minister, will tell the League of Nations Council tomorrow that a virtual "general war" already has begun in the world, as a result of the Spanish civil war.

The council considered minor matters today and tomorrow will take up Spain's assertion that recognition of the Insurgents by Italy and Germany constitutes a threat of war.

It was understood also that the Valencia Government will withdraw its objection to the policy of non-intervention, provided it is strictly observed.

French Airliner Still Missing

PARIS, Dec. 12— (Saturday) — (CP-Havas)—Hopes that Jean Mermoz and the four other members of his crew were still alive were dashed here early today when the Air Force office at Rio De Janeiro denied reports the missing flying boat Southern Cross had been sighted in the South Atlantic.

A radio message that the long overdue airliner had been seen off the rocks of St. Peter and St. Paul was received late yesterday by the Brazilian Navy Ministry from the Island de Noronha.

It remained unconfirmed, however, and anxious inquiry by Air France attaches showed no one on the Island had any information as to the plane's whereabouts. No clue as to the source or sender of the original message could be found, said a message from Rio to head office of Air France here.
