### SEEMS LIKE A DREAM

To be now entirely free from Asthma after eight years' suffering. That is what a Vancouver lady says, after being cured by Clarke's Kola Compound.

If the person who suffers from Asthma could only see the thousands of letters on file at our different offices he would no longer doubt that Asthma can be cured by Clarke's Kola Compound.

Mrs. J. Wise, Mount Pleasant, Vancouver, B.C., writes: "I have been a most unfortunate sufferer from Bronchial Asthma for the past eight years, and I don't think any person with this disease could have suffered more during that time. Many times for weeks I could not lie down at all. My doctor told me I could never get better. Just then I heard of a Vancouver gentleman who had been cured by Clarke's Kola Compound, so I tried it. The first bottle did not relieve me much, but soon I began to improve, and before I had finished the fourth bottle the attacks ceased altogether, and during the past six months of damp, cold and foggy weather have not had a single attack. It seems like a dream to be free from this worst of all diseases after so many years of suffering. I have since regained my lost strength and weight and don't think I ever felt better than now. I consider Clarke's Kola Compound a marvellous remedy, and would urge any person suffering from this disease to try it."

Sold by all druggists. Dr. Clarke's book on Asthma mailed free. Address: The G. & M. Co. Limited, 121 Church St., Toronto, Canada.

Rev. G. B. McLeod, pastor of St. Philip's Church, Westville, and Rev. Mr. McArthur, St. Andrew's Church here, exchanged pulpits last Sabbath. Mr. McLeod delivered two fine discourses. In the afternoon he addressed the men's meeting in the Y. M. C. A., on "Danger Ahead," taking as his subject: What shall it profit a man if he gain the whole world if he lose his own soul? Or what shall a man give in exchange for his soul? It was an earnest practical address showing clearly that the world and all that was in it was nothing when compared with eternity. Mr. McLeod is a native of Murray River, P. E. I. He was stationed for a time at Covehead, in the same province. Is a graduate of Dalhousie, Pinehill and Princeton Colleges, and is a representative of the higher culture of the Christian ministry. —The Glasgow Advocate.

### Brain Food.

Is Of Little Benefit Unless It Is Digested.

Nearly everyone will admit that as nation we eat too much meat and too little vegetables and the grains.

For business men office men and clerks, and in fact everyone engaged in sedentary or indoor occupations grains, milk, and vegetables are much more healthful.

Only men engaged in a severe outdoor manual labor can live on a heavy meat diet and continue in health.

As a general rule meat once a day is sufficient for all classes of men, women and children, and grains, fruit and vegetables should constitute the bulk of food eaten.

But many of the most nutritious foods are difficult to digest and it is of no use to advise brain workers to eat largely of grains and vegetables where the digestion is too weak to assimilate them properly.

It is always best to get the results from our food that some simple and harmless digestive should be taken after meals to assist the relaxed digestive organs and several years experience have proven Stuart's Dyspepsia Tablets to be a very safe pleasant and effective digestive and a remedy which may be taken daily with the best results.

Stuart's Dyspepsia Tablets can hardly be called a patent medicine, as they do not act on the bowels nor any particular organ but only on the food eaten. They supply what weak stomachs lack, pepsin diastase and by stimulating the gastric glands increase the natural secretion of hydrochloric acid.

People who make a daily practice of taking one or two of Stuart's Dyspepsia Tablets after each meal are sure to have perfect digestion which makes perfect health.

There is no danger of forming an injurious habit as the tablets contain absolutely nothing but natural digestive; cocaine, morphine and similar drugs have no place in a stomach medicine and Stuart's Dyspepsia Tablets are certainly the best known and the most popular of all stomach remedies.

Ask your druggist for a fifty cent package of Stuart's Dyspepsia Tablets and after a week's use note the improvement in health, appetite and nervous energy.
