That remedy is Catarrhone, which is inhaled along with the air you breathe and permeates the most minute air cells in the lungs, throat, nasal passages and bronchial tubes, cleansing as if by fire. It is the pleasant volatizing effect of its anesthetic oils, and by virtue of its anesthetic properties kills the germs that cause the disease, allays any portion or congestion of the mucous membrane, heals raw, sore spots, and never fails to affect a cure. It is clean, convenient and pleasant to use, and contains no injurious ingredients that could harm even the weakest infant. The complete outfit, price \$1.00, is guaranteed to cure, or your money back. Small size, 50c., at druggists or by mail. A trial sent for 10c. by N. C. Polson & Co., Kingston, Canada, or Hartford, Conn., U. S.

WE have noticed that fire-drills is being practised in some of the city schools; this is as it should be. The practice of fire drill to be as effective as it should, should suppose all the possible conditions under which a fire could occur. To do this the schools should be supplied with a good fire alarm system by which when the alarm for a drill was given the teachers would know where the imaginary fire was located and remove the pupils as best they could in reference to the supposed location of the fire.

OAK LAKE MAN

Furnishes Another Story of the Wonders Worked by Dodd's Kidney Pills.

OAK LAKE, Man., Feb. 25.—Frank Colleaux is well and favorably known in this part of the province. In 1898 he was very ill. He suffered most severely from pains in the back; his friends thought he would die. However Mr. Colleaux is alive and well to-day and he explains his complete recovery as follows: "It gives me great pleasure to testify to the wonderful curative qualities of Dodd's Kidney Pills. "Three years ago I was a very sick man. Pains in my back made life a burden. A friend of mine advised me to try Dodd's Kidney Pills. I did so and six boxes cured me. That, as I say, is three years and I have not had an ache or pain since. I am certainly entirely cured."
