The secretary read the minutes of the last annual meeting also the financial statement and on motion they were approved. The old board of directors was re-elected. The following resolution moved by ED. J. Thomson, second by John B. It was agreed that the advertising be left to the President and Secretary but that the total amount expended must not exceed \$100.00. It was agreed that the President and Secretary be empowered to secure suitable stationery. It was agreed that each member should be required to put his initials on each bag of oats accepted by the club for sale from him. It was agreed that the President and Secretary be empowered to secure proper stencils. It was agreed that the Prince County Banner Otis Club should authorize those of its members who were members of the Seed Pans committee to make such arrangements as they thought best with the Seed Fair committee to give Banner Oats a very prominent place in the Price list. It was agreed that the Secretary be empowered to purchase at once one thousand, three bushel bags, and to make arrangements for a second thousand to be delivered when needed. It was agreed that each member of the club should have a sample of his oats tested for germination as soon as possible, and that ten or fifteen pounds be delivered in Charlottetown at the office of Alexander Campbell, Insurance Agent, so that the Secretary might forward samples to intending purchasers. The correspondence was then called for, and a number of inquiries at this early date was regarded as very encouraging. The Club then adjourned at the call of the President.
