IMPORTANT READING MATTER SELECTED FROM THIS WEEK'S NEWS FOR THE GUARDIAN'S SATURDAY SUBSCRIBERS

MONDAY

—The funeral of the little son of Parmenous and Mrs. Philips, who died at the home of Patrick Philips, Mt. Pleasant, P. E. I., on Sunday, July 28t, was held on Wednesday, and interment was made in the Methodist Cemetery at Bideford. The funeral service was conducted by Rev. L. J. Leard. Mrs. Philps came from Boston recently in hope of saving the life of her baby, but the extreme heat had been too much for him and he did not gain after coming here. Mr. Phillips arrived home Tuesday evening to attend the funeral, but returns to Boston at once. Much sympathy is felt for the young couple in the loss of their only child.

Capt J. N. McDonald, Charlottetown, Dredge Inspector, has returned from Hickey's wharf where the dredge Prince Edward has been at work for some time past.

An excellent service has been rendered here by the dredge where the want of improved shipping facilities has been keenly felt. At this wharf the north and south sides have been cut to a depth of eight feet the cutting being fifty feet in width and one hundred and twenty-five feet long. Concluding operations here the Prince Edward will proceed to Mt. Stewart where some dredging will be done.

The dredge Pownal, Capt James McGrath has been at Miminegash for the past three weeks improving shipping facilities in the harbor, a great work has been performed here and Tignish will next receive the attention of the dredge. The Tignish run has become filled on one side by moving sand and this will be dredged out.

The dredge Montague is now at Souris and has done much during the past few weeks. She will do considerable dredging at Montague Bridge or Panmure Island after completing the work at Souris.

Capt McDonald speaks enthusiastically of the splendid service being rendered the Magdalen Islands and the fishing industry by the development of the harbor at Amherst by dredge No. 4 which is now engaged at that port. Nature has endowed Amherst with a splendid harbor and a really fine port of shelter, the only drawback being a lack of depth. The dredge is providing what nature failed to supply and the result will be one of the very finest harbors for all purposes. Fishing interests have been seriously hampered in the past in the Magdalens owing to the lack of a good harbor and with this provision an opportunity will be given the fishermen of readily disposing of their fresh fish for bait, thereby realizing thousands of dollars annually.

Doubtless the people of the isolated islands will be quick to appreciate the advantages which they will be in a position to avail themselves.

TUESDAY.

Dr. Thomas Robertson and Mrs. Robertson, of Prince Albert, Sask., and their daughter, Miss Helen, are visiting relatives and friends in this Province. Dr. Robertson is in Charlottetown today, the guest of his brother, Dr. S. N. Robertson, Principal of Prince of Wales College.

—On Wednesday evening, July 24th, relatives assembled to make merry at the home of Jabez Williams, Tyne Valley, the occasion being the marriage of his fourth daughter, Annie Sylvia, to Harold Roy Gorrill, eldest son of Henry Gorrill, Northam. The parlor was prettily decorated for the occasion with ferns and potted plants, the bridal party standing under a beautiful arch of green moss and pink roses. The bride looking very attractive in a gown of white batiste, with bridal veid, held in place by a coronet of Orange blossoms and carrying a handsome bouquet of white roses was given away by her father. She was attended by her cousin Miss Nina Williams, who wore a prettily embroidered white muslin costume and carried a bouquet of white roses. Misses Nellie Nicholson and Belle Williams bearing their baskets of flowers made two very charming flower-girls and added much to the attractiveness of the scene, the groom was ably supported by McLean McNevin. The impressive marriage ceremony of the Methodist Church was performed by Rev. Mr. Leard of Bideford and after congratulations were received the youthful couple with their friends sat down to supper doing justice to the good things so amply provided for the occasion. Among the gifts which included, checks, valuable pieces of furniture and many other useful articles was a complete dinner set presented by the members of the choir and Bible Class of the Presbyterian Church of which the bride was for some time organist. The best wishes of a host of friends are theirs for a happy wedded life.

Blood Humors

Commonly cause pimples, boils, hives, eczema or salt rheum, or some other form of eruption; but sometimes they exist in the system, indicated by feelings of weakness, languor, loss of appetite, or general debility, without causing any breaking out.

They are expelled and the whole system is renovated, strengthened and toned by

Hood's Sarsaparilla

Get it today. Sold by all druggists everywhere. 100 Doses One Dollar.

Among the passengers sailing from Quebec by the S. S. Empress of Britain, which collided with the Collier Steamer Helvetia, as referred to elsewhere, are J. L. and Mrs. Thomson, Charlottetown, Rev. Dr. Burke of Toronto, formerly of Alberton, and Rev. Dr. Kelly of Chicago, well known here. The former were on their way to Scotland, to visit relatives and the latter two were delegates to a missionary congress in don.

J. R. and Mrs. Dennis have as their guests at the fox farm on Mt. Edward Road, Charlottetown, the latter's mother, Mrs. Dixon from Nova Scotia. On Saturday evening a number of friends including Rev. E. and Mrs. Bell and Rev. Mr. Boyce, supply for Grace Church, were invited to meet Mrs. Dixon and an enjoyable evening was spent in conversation and music furnished by the Misses Dennis.

The following interesting camp notes have been received from the boys of the Pastime Club at St. Peters where they are now under canvas:—Everything we eat goes to our stomachs, Seems strange, but it is true.—Well, the cannon cracker did not awaken "Rosie," We'll have to try something stronger boys.—Ernie Mac. and Amby H. came up Friday. We'll have lots of tongue for every meal now.—Wilf D. and Erny T. went fishing and actually caught some trout. Guess they could not have been feeling well.—Every one is wondering what Fred wears the raincoat for since the weather got fine. Take it off Fred, No,—no, you had better leave it on.—The fried eggs were beautiful, they were done up in a "southerly fashion."

A royal eastern welcome greeted His Royal Highness, Arthur, Duke of Connaught, yesterday afternoon on his first visit to Charlottetown as Governor General of Canada, and Princess Patricia, his charming daughter.

Practically oall of Charlottetown and certainly all who could get within seeing or hailing distance of the line of march of the royal procession took part in one of the most generously wholehearted demonstrations witnessed on the city's streets. That the reception was a popular and a loyal one was attested to in the lusty greetings which assailed the ears of the party as they detrained at the depot and proceeded along the streets.

Visitors to the city from all parts within reasonable access swelled the population to a point where an estimate would be injudicious. While the greeting was vociferious and eagerly energetic in its tendering the order was all that could be desired, accidents peculiar to crowded and noisy streets were unknown and the arrangements of the committees were well appointed and well carried out—giving the royal party and the public every satisfaction.

The Royal train drew into the Charlottetown depot at 1.20 p. m., having left Summerside at 11.20 a. m. The following composed the Royal party:

His Royal Highness the Duke of Connaught.

Her Royal Highness the Princess Patricia.

Miss Adam, lady-in-waiting to Princess Patricia.

Lt. Col. H. C. Lowther, C. M. G., M. V. O., D. S. O.

Capt. T. Rivers Bulkley, C. M. G.

M. V. O.

Capt. H. C. Buller, A. D. C.

Owing to her convalescent state Her Royal Highness the Duchess came to Charlottetown by the Earl Grey accompanied by Miss Pelly, Major E. Mortington and Lt. the Hon. H. Ramsay.

The trip from Summerside was a quiet one, everything being done by Supt. McEwen, who was on board the Ducal train, tending to the comfort and convenience of the party. At various points along the route cheers were given the party and at Emerald a pretty scene was enacted when a number of school children lined the platform and cheered lustily as the train slowly moved by.

On board besides the Royal Party were the following: Hon. Senator Yeo, Premier and Mrs. Mathieson, Hon J. E. Wyatt and Miss Wanda Wyatt, Hon. James A. McNeil, Hon. A. E. Arsenault, John Richards, M. L. A., Dr. P. C. Murphy, John Agnew, Superintendent McEwen and a Guardian representative.

Its near approach heralded by booming of cannon crackers placed on the rail and the distant roll of cannons at Victoria Park as the Royal Salute pealed out, the train slowly backed into the depot and the Royal Party alighted and ascended the pavilion, being greeted by His Honor Lt. Gov. and Mrs. Rogers and Sir Louis Davies.

His Worship Mayor Lyons was introduced and he read the following address:

To Field Marshall His Royal Highness The Duke of Connaught, K. G., etc., Governor-General and Commander-in-Chief of the Dominion of Canada.

May it please Your Royal Highness:

In the name and on behalf of the citizens, we, the Mayor and Council of the City of Charlottetown, extend to Your Royal Highness a most cordial welcome on this your second visit to our city.

When you first visited this city as Prince Arthur, in 1869, our citizens were most enthusiastic in their greeting; thus manifesting their love and respect to your royal person and emphasizing their loyalty and devotion to your illustrious Mother, Queen Victoria, then happily reigning.

Now, in the maturity of your manhood, having achieved fame and distinction in the profession of arms, you come to us as the direct representative of our beloved Sovereign, His Gracious Majesty King George the Fifth.

The Fathers of Confederation expressed the hope that some day Canada's Governor-General would be a Prince of the Royal Blood, and we in common with all loyal Canadians rejoice that this hope has been realized in our time, and that we are privileged to greet as Canada's Viceroy the son of "Victoria the Good" and the brother of "Edward the Peacemaker."

In no part of this great Dominion will Your Royal Highness find more loyal and devoted subjects of our beloved Sovereign than this City and Province, so closely associated with the names of your royal ancestry and noble kindred. Our City is called after Queen Charlotte and our proine bears the name of your illustrious Grandfather, Edward Duke of Kent.

To Their Royal Highnesses the Duchess of Connaught and the Princess Patricia, we tender our homage and respect. It affords us special pleasure to include them in the hearty welcome extended to Your Royal Highness. We rejoice to know that the Duchess is restored to health after her recent serious illness.

We sincerely trust that Your Royal Highnesses may enjoy every moment of your stay in our Garden Province and that you may carry away with you pleasing memories of your visit.

In conclusion, we beg to express the hope that your term of office as Governor-General may redound to the happiness of Your Royal Highness, the glory of His Majesty the King, and the lasting benefit of our beloved Canada.

(Signed.)

A Lazy Liver

Upsets the Whole System.
Dr. Morse's Indian Root Pills Put Things Right Again.

His liver is to sluggish—his stomach bad.

A bitter taste in the mouth—coated tongue—dizziness on rising suddenly—bowels alternately loose and constipated—these mean that the liver is out of order.

Instead of flowing into the bowels, to regulate them and aid digestion, the bile has been going all through the system, upsetting digestion, leaving the bowels constipated, and making the sufferer perfectly miserable. This is biliousness.

The quick, safe and certain cure is **Dr. Morse's Indian Root Pills.** They clear out the clogged-up system, stir up the lazy liver, cleanse the stomach and bowels and purify the blood. The bile returns to its normal course, the food is again digested properly and all the disagreeable symptoms vanish.

Doctors prescribe *Dr. Morse's Indian Root Pills* and they are known throughout the world as a proven cure for all digestive troubles. They are equally effective in strengthening weak kidneys and curing rheumatism.

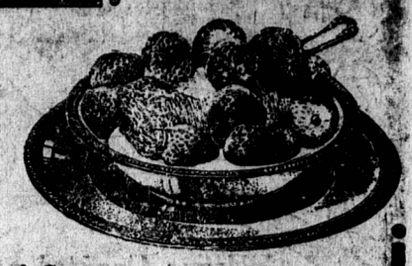
Back to Nature's Food



With the advent of Summer comes a desire for closer contact with Nature and for a simpler, more rational diet. When you get back to Nature you will want to get back to Nature's food. Cut out meat and potatoes for a while and eat

SHREDDED WHEAT AND BERRIES

with fresh green vegetables. It will mean health, strength and Summer joy.

Because of its porous shreds and its Biscuit form Shredded Wheat combines most naturally with all kinds of fresh fruits, presenting them to the palate in all the richness of their natural flavor.

Heat the Biscuit in oven to restore crispness and then cover it with berries or other fresh fruits and serve with milk or cream.

Shredded Wheat Biscuit is the Real "Staff of Life"

to which H.R.H. made the following reply:

Your Worship and Gentlemen,

Please accept my best thanks for your most cordial address of welcome, and also for your greeting to the Duchess and to my daughter.

I am very pleased to renew my acquaintance with the capital of Prince Edward Island, and to recall the memories of my former visit.

When I visited you in 1869, the conference at which the project of Canadian confederation first took definite shape had but a short time before been sitting here in Charlottetown. I am sure that you must feel legitimate pride in thinking that the members of that conference drew some part of their inspiration from their surroundings, and that your city, therefore, played a by no means unimportant part in the binding together of the provinces which now form your great Dominion.

Following this the Councillors were presented and then petite Miss Nora Lyons, daughter of His Worship the Mayor, gracefully presented Princess Patricia with a magnificent bouquet.

The escort, composed of P. E. I. Light Horse, and the composite Guard of Honor from Nos. three and four Batteries 4th C. A., were drawn up facing two sides of the pavilion and moved off in regular order as the carriages conveyed the Royal party from the station to the Government House to lunch. Through either side by children cheering and waving flags the party proceeded.

Certainly Charlottetown was in full dress and in its loyalty tendered a fitting tribute of patriotism to the distinguished visitors. The cadets, the school children, the A. O. H.K. of C. and C. M. B. A., assisted.

At the Government House a dainty luncheon was served and at three
