THE roads are again in good condition and as a result business has been somewhat livelier during the past few days.

THE tea in Montgomery's Hall, Tuesday evening, in aid of the Boys' Brigade, was well patronized, and a neat little sum was realized.

THOSE who are destined to be the rulers of the town after the 28th, and those who are not, are taking advantage of the favorable weather in soliciting the suffrages of the free and independent.

The funeral of the late Miss Annie Dystant of Ellerslie, which was to have taken place today, is postponed until tomorrow at 10 o'clock, awaiting the arrival of her brother, Rev. John Dystant of Kingsclear, N. B. who is expected this afternoon via the capes.

The name of Mr. Alex. H. Allan, was inadvertently omitted in the list of nominees of councillors yesterday. He was nominated by Messrs. H. C. Mills and D. McKinnon. Judging by the numbers of electors who noticed the omission it would appear that Mr. Allan's name is on all the slates.

A VERY pleasant social was enjoyed at the home of Mr. and Mrs. John S. Ramsay, Tuesday evening, by the ladies of the Christian church. Supper, games and general merry-making filled in the time most agreeably. A collection was taken in aid of the building fund. The social was one of a series which the ladies of this church are holding for the purpose of aiding the funds for repairing the church. The next will be held at the home of Mr. and Mrs. Frank Tuplin, New Arnan, next Wednesday evening. The friends of the congregation are cordially invited.

THE Davidsons were greeted with a full house Tuesday night in Crystal Rink, and the performance was fully up to the highest expectations of the audience. Miss Davidson is a graceful skater and richly deserved the enthusiastic applause that greeted each skilfully executed movement—as indeed all her movements were. Mr. Davidson is also a strong and clever skater, and his "tricks" on the steels were really wonderful. The unanimous verdict at the close of the performance was that the Davidsons are worthy of the reputation they hold as the champion fancy skaters of the world. After the performance, an hour of skating was enjoyed by quite a large number, and the evening was voted a very enjoyable one. Mr. L. B. Hunt, the genial manager of the rink, is to be congratulated on the success of his venture.

A Generous Offer.

We are authorized to offer our readers prepaid, a free sample of a never failing cure for catarrh, bronchitis, irritable throat, influenza, and such throat and nasal diseases. There is no mystery about Catarrhzone, though its effect is magical. Ointment and washes cannot reach the diseased parts, and have thus proved useless. But Catarrhzone is carried by air directly to the diseased part and is like a breeze from the pine woods. Write for free sample to N. C. Polson & Co., Kingston, Ont.

Near Death's Door.

Mr. J. H. Ireland's Narrow Escape from Untimely Death.

He was Reported Dead but Thanks to Dodd's Kidney Pills he still Lives and is Well and Strong, Healthy and Hearty.

HALIFAX, N. S., Feb. 22.—Yes! The newspapers reported that I was dead, and buried, but, as you notice, I am still very much alive." So spoke Mr. J. H. Ireland, formerly of this city, but who now resides in Toronto. Mr. Ireland was paying a hurried business visit to his old home, and was interviewed by a reporter to whom he made the above statement.

"I was very close to the dark valley, nevertheless," he continued, "and would, beyond a doubt, have 'crossed over' had it not been for Dodd's Kidney Pills.

"I had been feeling very unwell for some time, but thought the feeling would soon pass away. It did not. On the contrary, it grew worse and worse. Unmistakable symptoms of Kidney Disease made their appearance and I was at length compelled to take my bed.

"My doctor did his best for me, but failed to cure my complaint. My case began to look hopeless, indeed.

"Luckily, however, I started to use Dodd's Kidney Pills, and they proved my salvation. Thanks to them, I am today hale and hearty, strong and vigorous, and I have not a trace of my old complaint. You may believe I cannot say enough in favor of Dodd's Kidney Pills. They saved my life, beyond a doubt, so I feel it my duty to recommend them at every opportunity. Others are suffering now, as I have suffered, and my experience may lead some of them to use Dodd's Kidney Pills, and so recover their health and strength."

Dodd's Kidney Pills undoubtedly cure Kidney Disease.

Walkerton People

Greatly interested in the recovery of Mrs. A. H. Schwelger, a highly respected lady of that town.

She suffered from rush of blood to the head, smothering feeling, nervousness and dispendency. She had severe headaches, her heart was weak, and she often thought she would die.

Many people in Walkerton, Ont., and surrounding country have been talking of the remarkable cure of Mrs. A. H. Schwelger, a lady with a large circle of friends in that town.

To satisfy the desire of all to know about her case and to do good to other sufferers she made the following statement: "Since I had the scarlet fever five years ago my nervous system has been almost completely prostrated. The least excitement set me shaking and trembling. My heart seemed to stop beating at times, and again would beat very rapidly, the blood rushing to my head and a suffocating feeling coming on so badly that I had to go out doors to get air and recover my breath. Sometimes I thought I would die in one of these spells.

I never slept well, and would often start up in bed grasping and choking for breath, and trembling all over, my heart beating as if it would burst. I had fearful headaches which confined me to bed three days at a time and I became so weak that I was unable to comb my hair.

In March last I went to Cryderman's Drug Store here and got a box of Milburn's Heart and Nerve Pills. I have taken three boxes and am cured entirely. Every one of the distressing symptoms I had has disappeared, my blood has been enriched, and I enjoy healthful, restful sleep. In fact, my nervous system has been built up and invigorated to its old time standard. The improvement was rapid from the very first, and since the cure was performed I am glad to say that I have not had any indication of those terrible bad spells which formerly afflicted me."

INFORMALITY IN HIGH LONDON SOCIETY.

It is a period of informality in London society. For one of the most exclusive of her dancing parties during the last season the Duchess of Sutherland sent out her own visiting cards with "Come and dance" penciled upon them.

TORONTO FIREMEN TESTIFY.

M. McCartney, Lombard Street Fire Hall, Toronto, dated March 4th, 1897, states:—"Am subject to very painful conditions of constiveness and other troubles resulting therefrom, but I am glad to say that I have found a perfect remedy in Dr. Chase's Kidney-Liver Pills. I trust this may be of benefit to others."

On Sept. 15 last a Bavarian at Bamberg sent up a small balloon, to which was attached his card, with the request that the finder of the balloon should let him know where it touched the ground. Three months later he got his card, with a letter from the man who had found the balloon in Sunderland, England.
