RETURNS TO P. E. I. - Mr. Matthew Burke returned to his home at Cardigan after a pleasant visit in Trenton, N. J. with his brother-in-law and sister, Mr. and Mrs. Jeff Gerrit, Sr. It is twenty-five years since he last visited the Steel Plant, he having worked in Trenton Steel Works. Needless to say, he sees great changes in the town, as the population has greatly increased during the past quarter of a century and the town has been built up during that period of time. - (New Glasgow News).

WHO CAN BEAT THIS? - From time to time one hears of old binders being still in use and the question asked: "Who can beat that?" The attention of the writer has lately been drawn to a Massey-Harris binder, owned by Mr. Parker J. Rogerson of Victoria, P. E. I. This binder has been in use now for a period of fifty-five years, and is still in fine working condition. He has often at the neighbors crops besides his own. Mr. Rogerson is a good carpenter of his machinery and this goes to show what attention is paid to the upkeep of any piece of farm machinery. Again the writer asks: Who can beat this?

MISCELLANEOUS SHOWER. - A very enjoyable event took place on Friday evening when a number of neighbors gathered at the home of Katie MacKay, met at her home in DeSable to tender her a miscellaneous shower. The bride-to-be was escorted to the seat of honour by Mrs. Victor Shaw. Mrs. Chester Shaw played the wedding march. A heavenly laden basket decorated in white was carried by the Misses and Miss MacDowell. The gifts were opened by Mrs. Robert Myers, the verses read by Miss Edith Holm and the gifts presented by Mrs. Hector MacNevin. Mrs. Melville Bell arranged the gifts on the table. Miss MacKay in her usual pleasant manner thanked all for their kindness on this occasion after which all joined in singing "For She's a Jolly Good Fellow." The remainder of the evening was spent in games and social intercourse. Lunch was served and all wended their way home after wishing the bride-to-be every happiness in her new home.

GOING TO WEST GORE - Rev. William Ferner, who recently resigned from the ministry of the Church of Christ at Greenmount, P. E. I., after six years service there, has received and accepted a call to the Church of Christ at West Gore. Mr. Ferner, who is a native of England, has had wide experience in ministerial and social work. Previous to leaving England, he spent nearly five years in Social Service work, part of that time being spent in the slums of London. During the First Great War he was a Y. M. C. A. worker in English camps. Before coming to the Maritimes he held pastorate in Newfoundland and Western Canada. He was minister for eleven years of the Churches of Christ at L'Etete and Back Bay, N. B., before going to P. E. I. - (Halifax Chronicle).

PLEASANT OUTING - After the regular meeting of the Albany Village Dramatic Society on Monday evening, August 24th, the happy crowd motored to Chelton shore to enjoy a bath in the warm water and then to partake of a delicious "weenie roast." They had as their honored guest Ralph Francis R. C. N. V. R. of St. John's Newfoundland, now on furlough, who was pleased to partake of all the good things provided. A lively sing song followed by first singing "It's a good time to get Acquainted." One of the senior members of the group proved himself an ideal toast master. As the party was composed of people of different racial origin. The toast to the Irish was responded to by "When Irish Eyes Are Smiling" to the Scotch by "Lock Lomond" and to the French by "Alouette," gentle "Night Ladies" to His Majesty by "God Save the King." members of the Club are grateful to Mr. Pearson for his courtesy in permitting them to have the use of his shore. All are looking forward to another jolly party in the near future.
