IN MEMORIAM

ANDREW BERNARD.

The home of Mr. Andrew Bernard Abram's Village, is in mourning since, Wednesday, Sept. 26th when the father breathed his last sigh, after a prolonged illness of several months. It is not a year since Mr. Bernard in his full enjoyment of health had left his home to spend a few months earning away. He was only away a short time, and returned then in failing health. Nevertheless he had great courage and was always under medical care and his many friends cherished the hope that good health would come back to him. But it was willed otherwise and today a large number are called to grieve over the departure from this life of a man whose sterling qualities, sobriety and integrity made him a close friend to all his acquaintances. He bore his illness with perfect resignation being visited by his pastor and died well prepared for his eternal reward. A widow and family are left to mourn a devoted husband and a kind father. There are left to mourn also several brothers and sisters. The pall bearers were Eusebe Bernard, Phillip J. Arsenault, Augustin Arsenault, Emmanuel Gallant, Andrew Arsenault, Philibert F. Arsenault. Deceased was 47 years of age.—M.

GAVE HER DELICATE CHILD VINOL

It Built Him Up and Made Him Strong

Newaygo, Mich.—"My little boy was in a delicate, weak, emaciated condition and had a cough so we had to keep him out of school for a year. Nothing seemed to help him until Vinol was recommended, and the change it made in him was remarkable. It has built him up and made him strong so his cough is almost entirely gone. We can not recommend Vinol too highly."—Mrs. E. N. Hanlon.

Mothers of weak, delicate, ailing children are asked to try this famous cod liver and iron tonic on our guarantee. Children love to take it.
E. A. Foster, druggist, Charlottetown.

THE WAR WOMAN

The real woman of the war has not hesitated where it has been a choice between external attractiveness and full ability to cope with her man-like work. Shorn of her hair, a young Scotch woman drives an ambulance between the front and a base hospital in Salonica. Deprived of her "crowning glory," as the locks of woman have been called, it is said that she is dear in her womanliness to wounded men, who call her "The Angel." Clad in sweater, short skirt and heavy hose, and with her hair that may or may not be combed, as conditions shift with each passing hour, this woman of the heathery heights carries no unnecessary or superfluous equipment to impede her work of saving men.

Perhaps a small percentage of women have followed the example of this Scotch woman, or preceded her, by clipping their tresses before entering into work that calls for highest efficiency. It seems as though woman clings to her "crowning glory," as if she, too, considered herself uncrowned by making of her head a smooth, round silky ball.

But glory may be glorified. Woman's tresses of today may thin or fade, but the glory of the shorn head of the "Angel" of the heat of warfare becomes everlasting and goes on and on forever.—Newark Evening News.

SUGGESTIONS TO SICK WOMEN

How Many Are Restored To Health.

First.—Almost every operation in our hospitals performed upon women becomes necessary through neglect of such symptoms as backache, irregular and painful periods, displacements, pain in the side, burning sensation in the stomach, bearing down pains, nervousness, dizziness and sleeplessness.

Second.—The medicine most successful in relieving female ills is Lydia E. Pinkham's Vegetable Compound. It regulates and strengthens the organism, it overcomes disease.

For forty years it has been making women strong and well, relieving backache, nervousness, ulceration and inflammation, weakness, displacements, irregularity and periodic pains. It has also proved invaluable in preparing for childbirth and the Change of Life.

Third.—The great number of unsolicited testimonials on file at the Pinkham Laboratory at Lynn, Mass., many of which are from time to time published by permission, are proof of the value of Lydia E. Pinkham's Vegetable Compound, in the treatment of female ills.

Fourth.—Every ailing woman in the United States is cordially invited to write to the Lydia E. Pinkham Medicine Co. (Confidential), Lynn, Mass., for special advice. It is free, will bring you health and may save your life.
