

Fire Causes Damage At Hornsby's Bakery

A fire, which broke out at five o'clock, was the cause of considerable damage at Hornsby's Bakery, 9 Upper Queen St., yesterday morning.

COUNCIL TO PRESS

(Continued From Page 1)

It is regretted that the Water Commissioners have seen fit to refuse the citizens of Charlottetown the information which has been requested by their Council.

Quotes Statute

"Under the Statute constituting the Water Commissioners, they are obliged to give the City Council a statement of affairs, property, profits, tenants supplied with water, particulars of expenses of election, salary of officers and servants, cost of repairs and improvements, and such a statement as will at all times inform the City Council of the state of affairs of the water works as far as they are under the management of the water commissioners and such other information as may be required by the Corporation of the City of Charlottetown."

Urges Canadians To Think Nationally

We Canadians must think nationally rather than provincially if we expect to have any success in international relations," said Rev. J.A. McKeggen, D.D., St. Andrew's Church, Halifax, at a meeting yesterday.

BUT CALL DOCTOR

Too much sun and excessive exposure to sunlight can cause sunstroke. When sunstroke is indicated the sufferer should be kept cool and a doctor called.

water service, and I am very sorry that you have taken such an attitude towards myself and my Council.

"There are certain things which I certainly cannot countenance in your communication. You state that the Commissioners are a body selected by the citizens. My understanding is that the Commissioners select themselves and pay \$1000 to the City Treasury to run an election to elect them."

"I appreciate the fact that you turn in a certain amount each year to retire maturing debentures and to defray interest charges, but nevertheless it is the responsibility of the City to look after your debentures and your interest."

"You may say that the money for these obligations but that has only been in recent years, and there is no guarantee that this will always be the case, especially if we have any accidents similar to that which happened recently. With this obligation clearly in mind, and our responsibility to the taxpayers, the Council certainly has the right to demand a statement which indicates any expenditure by your department. How else is the Council to know that a break may not develop into a capital expenditure which will have to be taken care of by a further issuing of debentures? Further serious break, or an additional cost in maintenance, would necessitate the paying out of City revenues, a sum sufficient to meet your interest, and the required amount in Sinking Fund to retire maturing debentures. You must appreciate that your financial obligations are a direct charge on the City Corporation."

"As the Mayor and members of the City Council constitute the Board of Health and as such are responsible for the health and welfare of our citizens; any trouble with our water supply is their business whether it be a break in the supply or pollution of the supply."

"No matter how you personally feel, we do not think that we were in error in trying to give to our citizens the information which is rightly theirs. Ever since I have been a member of the City Council, I have tried to keep the public informed about all civil affairs, so that they would be content with their choice of representatives, and I feel you should not be so hasty in refusing my Council's request."

"Yours very truly, (Signed) B. Earle MacDonald."

Production of Many Items up

OTTAWA, July 21 (CP)—Reporting briefly on the May production of a wide miscellany of items, the Dominion Bureau of Statistics said steel wire, refrigerators, salt, copper, and nickel were up compared with a year ago, while wire nails and footwear showed decreases.

He Managed World Champion

(Continued from page 1)

NEW YORK, July 21 (AP)—Old Billy Gibson was found dead in his hotel room today. The one-time high-rolling gambler managed Benny Leonard and Gene Tunney to world boxing championships in the 20s and probably no other fight manager had a record like his: two world champions who retired undefeated.
