## ONE DAY'S PAY TO HELP OTHERS

Handsome Act of C.P.R. Men  
For Those Still Out of Em-  
ployment.

WINNIPEG, Nov. 19—(Special)—  
Union mechanics on the C. P. R. in  
the west have given one day's pay to  
help their eastern brothers who have  
not yet found work.

## PLED GUILTY OF MANSLAUGHTER

They Had Assaulted A Claim  
Jumper Shooting Two in  
His House.

GREAT FALLS, Mont., Nov. 19—  
(Special)—Fourteen men here charged  
with murder pleaded guilty of man-  
slaughter and were sentenced to vari-  
ous terms of imprisonment.

The crime was an attack upon the  
cabin of John Hayes and family  
which resulted in the death of Hayes  
and his daughter. Hayes had "jump-  
ed" a claim and the settlers decided  
to rid the country of "claim jump-  
ers."

They joined in warning Hayes to  
leave the country and when he did  
not go, they went to his cabin at  
midnight, shot through it and at-  
tempted to set it on fire.

## OLD GLORY HORSE SALE

NEW YORK, N. Y., Nov. 18—The  
annual "Old Glory" auction sale of  
trout-bred horses opened in Madis-  
on Square Garden with the largest  
first day crowd in the history of this  
sale in attendance. By no means the  
best of the catalogued horses were  
offered, and prices for the miscellane-  
ous offerings by the consigners of  
some prices were low.

The bidding was fast, however, and  
113 horses were sold for a total of  
\$19,800, making an average of \$117.

## ELOPED WITH A TUTOR, NOT WITH HIS COJUNT

VIENNA, Nov. 18—The reports cur-  
rent here recently that Countess  
Marie Louise, the beautiful twenty  
year old daughter of Count Haraun-  
court, had eloped from Budapest with  
a Hungarian Count thought to be  
Count Anton Sigray. It is now said  
that the young woman eloped not  
with Count Anton Sigray, but with a  
poor German aristocrat who was em-  
ployed as tutor to her brother.

## CANNOT SIT IN LORDS

LONDON, Nov. 18—The Committee  
on Privileges of the House of Lords  
yesterday declared the right of Al-  
bert Fairfax, who is a native of Vir-  
ginia and who has been described as  
the only American bearing an English  
title, to the rank and title of Lord  
Fairfax of Cameron in the Scottish  
peerage. The committee heard evi-  
dence on this matter for two hours.

J. A. Barrett, Lord Fairfax's at-  
torney, presented the Fairfax family

## IN THE GOVERN- MENT SERVICE

A New Reel Full of Thrilling Situations and Intense  
Interest.

Every one interests themselves in  
the doings of people who defraud the  
government. Tonight, New Wonder-  
land shows how a government offi-  
cial gets the better of those who want  
to get out of paying their just dues,  
and the story is told so well and in-  
terestingly that every one who sees  
it will enjoy it. It runs a whole reel,  
so there is something worth look-  
ing at for sure in this depiction.  
"Love Reward" and "A Yawn-  
ing Joke" are the other numbers, and  
one which will not be shown again.  
Miss Von Branders gives a new il-  
lustrated song and for the final pre-  
sentation renders "Oh, You Kid"  
one of the most fetching and catchy  
specialties New Wonderland has yet  
produced. Come tonight, and enjoy  
the splendid picture list, the music,  
and the specialties. Nothing better  
has ever been here, so do not miss  
it.

## CHINA GETTING ALONG SMOOTHLY

Prince Ching Sends Personal Letter to  
Powers, Setting Forth The Situation.  
Diplomatists Pleased That Trouble  
Has Not Arisen.

PEKIN, Nov. 19—(Special)—Prince  
Ching, President of the Board of For-  
eign Affairs forwarded direct to all  
the powers a personal letter in the  
name of the infant Emperor setting  
forth the crisis through which the  
throne had passed during last week.  
These communications make a plea  
for the new rulers of China who are  
unaccustomed to Chinese procedure  
and emphasize the efficiency with  
which the events of the week have  
been conducted.  
Several of the legations here have  
expressed surprise and gratification  
at the manner in which the Govern-  
ment is managing the situation.

## FOUR DROWNED IN RED RIVER

Parents and Two Children  
Broke Through Ice, How  
Mother Saved Baby.

SSELKIRK, Nov. 19—(Special)—  
Four lives were lost in Red River yester-  
day.

The victims were C. Favel, fisher-  
man, his wife and two children.  
There were travelling over the ice  
by dog train to the open winter fish-  
ing quarters when all went through a  
weak spot.  
Mrs. Favel threw her little baby  
upon solid ice when she went through  
and it was found shortly afterwards  
safe and sound.

## GAVE HIS LIFE, SAVING CHILDREN FROM DOG

CHICAGO, Nov. 18—Gustav A.  
Wolf Jr., died at the German-Ameri-  
can Hospital yesterday of hydropho-  
bia. The young man, who was 22  
years of age, was bitten in the right  
hand on August 30, in rescuing sev-  
eral small children from a rabid dog,  
while they were playing near his  
home. The wound was dressed and  
it was believed he was out of dan-  
ger until Sunday when he complai-  
ned of a pain in his hand. A phy-  
sician examined him and found him  
too far gone to be taken to the Pas-  
teur Institute. The young man was  
to have been married soon.

## LARGEST LOBSTER ON RECORD WASHED ASHORE

DIGBY, November 18—The largest  
lobster on record in these parts, evi-  
dently the daddy of the species, was  
washed ashore near Church Point,  
and was picked up on the beach there  
by Charles Melanson the other day.  
The huge crustacean had given up the  
ghost evidently a short time before  
his remains were found, but other-  
wise he was all there. In length he  
measured thirty-one inches, his  
claws, which were in perfect condi-  
tion, measured fourteen inches and  
his weight tipped the scales at nine  
pounds.

## WILBUR WRIGHT WAS IN DANGER

His Aeroplane Nearly Over-  
turned But He Came to  
Earth in Safety.

LEMANS, Nov. 19—(Special)—Wil-  
bur Wright, aeroplane pilot, had a nar-  
row escape yesterday in an accident  
similar to that which happened to  
his brother Orville's aeroplane at  
Fort Meyer some weeks ago.  
The chain attached to the propellers  
broke, when he was making his  
second flight and the machine began  
to turn over.  
Wright with marvellous presence of  
mind re-established the balance by  
leaning to one side and cutting off  
the motor, thus descending safely.

## DUAL LANGUAGE IN MANITOBA

May Form Subject of Legis-  
lation. Grand Trunk's Big  
and Costly Elevator.

WINNIPEG, Nov. 19—(Special)—A  
bill will be introduced at next session  
of the Legislature to abolish bi-lingual  
schools in the Province except  
those in the French districts.

W. R. Sinks, general manager of the  
big handling warehouse for the  
Stewart Company which will build  
Grand Trunk Pacific at Fort William,  
is preparing to undertake the con-  
tract.

He says the mammoth elevator in-  
volves the largest contract of the  
kind ever let in America.  
The tanks of the new warehouse will  
be of concrete and have a capacity of  
three and a quarter million bushels.  
The estimated cost is \$1,250,000.

## A FAST COLT IN NEW HANDS

NEW YORK, Nov. 18—Binyolo,  
2399, the great three-year-old owned  
by William Russel Allen of the Allen  
Farm, Pittsfield, and trained at Read-  
ville by John Young, has been sold  
to Dr. J. C. McCoy, Kirkwood, Ill.,  
and will take the place of the dead  
Admiral Dewey, 2041, at the head of  
the breeding establishment.

## UNIQUE FORMERLY THE LYCEUM

One winning feature after another,  
a veritable procession of successes is  
the Unique's record. To-night the  
leading dramatic picture, "The Road  
to Ruin" is one that has created a  
sensation wherever it has been exhib-  
ited. It's an old story interestingly  
told of a woman's first false step and  
the desertion by the man she loved.  
The meeting in after years and the  
final scenes of the drama makes  
one of the most interesting pictures  
ever thrown on canvas. Don't fail to  
see it, it is a grand picture.  
The comedy is well looked after,  
Benita's Life Mother used to Make,  
being particularly funny, while the  
other picture, Father gets in the  
game, is bound to create a roar that  
can be heard at Summerside.

In addition to this J. E. Ferguson,  
who has been creating sixty laughs a  
minute each time he appeared will be  
present for the first time in Dutch  
comedy. New songs, jokes, and his  
original wooden shoe dance.  
The illustrated song When the  
Whip-poor-Will sing Marguerite by H.  
Dodge, another entertaining feature.  
Admission five cents.

## PORTUGAL FACES EPIDEMIC OF LEPROSY.

LISBON, Nov. 18—Declaring Portu-  
gal is threatened with an actual epi-  
demic of leprosy, Dr. Zepherino Fal-  
cao, of the Lisbon health department,  
has begun a furious newspaper cam-  
paign for government action toward  
stamping out disease. He calls atten-  
tion in an article in the "Seculo" to  
the fact that a trifle more than 1500  
leprosy cases are already registered  
throughout the country. This number,  
he adds is a long way—perhaps 100  
per cent—short of the truth.

LIGHT SNOW SHOWERS.  
TORONTO, Nov. 20—(Special)—  
Northerly winds, mostly cloudy with  
slight local snow falls.

## FRANCE HEARS OF NO DANGER

At St. Pierre, Though Discontent is  
Admitted. Pleasure Expressed Over  
Official Conduct of American Consul  
When Mob Called.

PARIS, Nov. 19—(Special)—There  
has been no report of disturbance at  
St. Pierre, where there had been  
trouble during the past three days  
over the school question.  
The situation has been taken under  
consideration by the ministry but no  
steps have yet been taken.  
The decided discontent in the is-  
land is attributed principally to the  
disastrous operation of the Anglo-  
French treaty of 1904.

## ANOTHER PEACE CONFERENCE

May Be Called at Holland's  
Instance. It Will Be the  
Third One.

THE HAGUE, Nov. 19—(Special)—  
The Government of the Netherlands  
has proposed convening an interna-  
tional committee to arrange for a  
third peace conference.

During the debate in Parliament  
Foreign Minister Van Swinderen made  
a general statement touching inter-  
national politics in which he said he  
declined to ask the powers for a de-  
claration of neutrality in case of the  
Netherlands, explaining that such  
course would be incompatible with the  
independence of Holland.

## TORONTO MAY HAVE LABOR CONVENTION

DENVER, Colo., Nov. 18—Today's  
session of the annual convention of  
the American Federation of Labor  
was devoted to the consideration of  
complete reports of the resolutions  
committee and reports of a number  
of other committees that had not  
yet been heard from. The report of  
the committee on President Gompers'  
report was made a special order of  
business for tomorrow morning. The  
election of officers may be reached  
Friday afternoon and the installa-  
tion Saturday morning, after which  
the convention will adjourn. Toronto  
seems to have the lead over the other  
cities contending for the honor of  
the next convention, though St. Louis  
is making a hard fight. There ap-  
pears to be only two fights for offi-  
cers in the Federation, John Mitchell  
and Thomas L. Lewis will lock horns  
for the second vice-presidency and  
Andrew Furuseth of the Seaman's  
Union will try to oust Daniel J.  
Keefe of the Longshoremen's Union  
from the office he holds.

## ACADIA'S CARNEGIE SCIENCE BUILDING

WOLFVILLE, November 18.—The  
Acadian Carnegie Science building is  
making good progress, the outside  
being so far done as to allow of in-  
side work during the winter. It is a  
substantial and useful looking struc-  
ture, and adds much to the apper-  
ance of the college grounds. It is  
expected that at the beginning of  
another college year, a distinct ad-  
vance will be made in the science  
department at Acadia, the new  
building making this step possible.  
Professor Haley, of the science chair  
at Acadia, is at present in the  
Eastern States, where he is visiting  
the universities and studying ad-  
vanced methods and recent develop-  
ments in science work.

## EXPORT LUMBER TRADE.

NEW WESTMINSTER, Nov. 18.—  
New Westminister will again enter  
the export lumber trade this winter,  
eight cargo vessels having been char-  
tered to load at the Fraser river  
sawmills for South America and Aus-  
tralia. The first of the fleet, the  
Chilean bark Ivanhoe, will arrive  
here 24th inst.

## MEXICO SHORT OF PROVISIONS

May Take Off Duty and Open  
Market For Canadian  
Wheat Crop.

OTTAWA, Nov. 19—(Special)—There  
is a provision shortage in Mexico  
and Commissioner Donley writes that  
the Government proposes to suspend  
the custom duty on wheat until June.  
This will provide a market for  
Canadian wheat, as the duty is now  
sixty eight cents per hundred pounds.  
Canadians can ship by either Van-  
cover or St. John as there is direct  
service on both Atlantic and Pacific.

## LIBERALS MADE A NOMINATION

Hon Mr. Burchill Named to  
Oppose Conservative in  
Northumberland County.

CHATHAM, Nov. 19—(Special)—  
The Liberal convention today nomi-  
nated Hon. John P. Burchill to con-  
test the county at the bye-election  
December first, opposing F. D.  
Swim.

## LORD MILNER IS ENTHUSIASTIC

LONDON, Nov. 18—Viscount Milner  
recently stated that he  
had not covered any prejudice a-  
gainst the English emigrant in Can-  
ada and if prejudice did exist the ex-  
planation must be that certain En-  
glish immigrants make themselves  
unpopular. There was nothing like a  
general feeling of dislike on the part  
of Canadians for immigration from  
the Mother Country.

## ROYAL VISITORS ARE WELCOMED

PORTSMOUTH, Eng., Nov. 18—  
The King and Queen of Sweden, who  
have come to England as the guests  
of King Edward, landed here recent-  
ly and shortly afterwards boarded  
a train for Windsor. Full naval hon-  
ors were accorded their Majesties and  
the imposing fleet of twenty-five war-  
ships assembled in the Bay, fired a  
royal salute. The Prince of Wales  
boarded the Royal yacht Victoria  
and Albert, on which the King and  
Queen crossed the channel from Cher-  
bourg and welcomed the visitors on  
behalf of King Edward.

## CHASES THE BANK

TORONTO, Ont., Nov. 18—It is  
reported that the Standard Bank of  
Canada is about to absorb the West-  
ern Bank of Canada with headquar-  
ters at Oshawa, which has carried on  
business for upwards of 25 years.  
The Western Bank of Canada was  
one of the old semi-private financial  
institutions which served the purpose  
of the older days of financing. There

## KING CANCELS HIS VISIT TO GERMANY

LONDON, Nov. 18—The cat is out  
of the bag at last. It was Sir Row-  
land Blenheim who is the author  
of the interview with Kaiser  
Wilhelm which appeared in the Daily  
Telegraph, and the price paid for it  
was two thousand dollars.  
There are some who have said that  
King Edward was inclined to be  
amused at these further indiscre-  
tions of his impulsive nephew, but  
that is far from being the case, for  
the King was very seriously annoy-  
ed, particularly at the part which re-  
ferred to the plan for the conduct of  
the South African campaign. His  
Majesty is showing his displeasure  
in a very marked way, for all plans  
for the proposed forthcoming visit  
of the King and Queen to Berlin have  
been stopped. much to the surprise  
of Court circles. The King has not  
seen him next year.
