The assurance is offered that this increase of authority is only to be used to prevent inferior exports being sent abroad to the damage of Australian trade.

SUFFRAGETTES ON WAR PATH.

LONDON, Nov. 23.—The political campaign is being waged with a fierceness almost unknown in England, both by politicians on the stump and suffragettes on the battlefield.

The battle of Downing Street, which was fought yesterday, when several hundred suffragettes attempted to storm the Premier's residence, assaulted Mr. Asquith and Augustine Birrell, Chief Secretary for Ireland and broke many windows in the Government offices, surpassed all previous spectacles of the sort.

HORSE NOTES OF LOCAL INTEREST

The Bondsman is for sale. How much will he bring? Lou Dillon, 1.58, is safely in foal to Bingen.

Lady Maud "C" is stepping some—2.00 against time. Cope-de-Ora now has a mark of 1.59. Ulian, 1.52, the trotting king, has all shoes removed and is now running in a paddock, where he enjoys himself immensely.

Prince Louis, 2.14, by Brazilian, started in a race recently at White River Junction, V. T., five hundred dollar purse. He won first money quite easily in straight heats. Time, 2.20, 2.21, 2.19. Hooper, you should have kept this king, as he belongs to the family that races on.

Gordon Ives, Montague, picked up two nice Brazilian colts last week, one from Hamilton Gamble, Tryon, the other from Colin Craig, Middleton. The Gamble colt is a racer and can go fast now and will be heard from soon. The Craig colt is intended for stud purposes as he has lots of size and bone and a horse of substance.

Spurgeon Gammon is of the opinion that Peter Conroy is some genius. He says Peter builds his own sulkeys and carts and does his own shoeing. Mr. Gammon says no better gaited trotter ever scored for the word than was Baby Logan in her two starts at Halifax, and that Conroy had Money Maker up to his top notch last year, or it looks that way.

The horses at Charles Wright's sale, Central Bedque, brought big prices. All the stock, in fact, was in good demand. A two-year-old Brazilian brought \$160. The Oakley Baron year olds were good and sold well.

The writer noticed Tom Medium on the streets of Summerside recently, looking spry and good. His popular owner remarked: (We can step some yet.)

Parkside looked just like a colt when last seen. Capt. F. Peters, Summerside, was looking for some speed and took a fancy to the Gamble pacer which Mr. Ives just purchased.

The great brood mare Orianna, 2.19, that produced Czarevna (3) 2.07, and Grace (3) 2.08, was by Ansel, a thoroughbred son of Lexington. The descendants of Miss Russell and Alma Mater were much in the limelight at the Phoenix, Arizona, meeting last week. Copa de Oro (p) 1.59, and Lady Maud C (p) 2.00, are descendants of Miss Russell, who is the dam of Nutwood 600 and grand dam of Precursor.

Place a salt brick in the manger of every animal of the horse kind. If the animals do not want salt the brick will do no harm. If devoured, replace it by another. The close of the light harness season of 1910 has never before been approached in brilliancy by that of any previous season.
