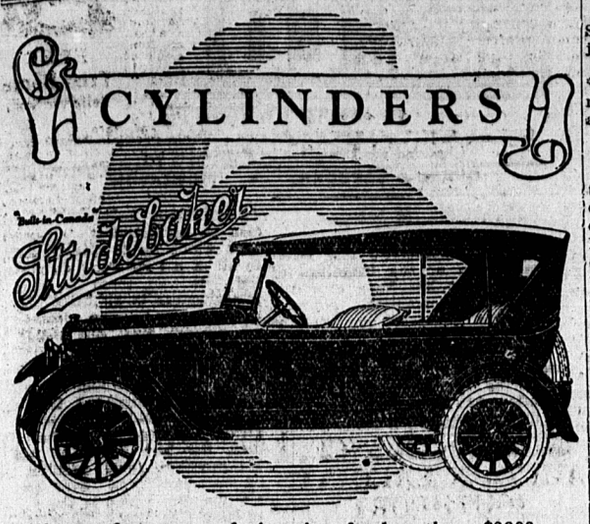
MENNEN SHAVING CREAM
FOR A QUICK PERFECT SHAVE

CYLINDERS



The performance of the Studebaker Light-Six is smooth and instantly responsive to the touch of the throttle. Its powerful six-cylinder motor, with its overlapping power impulses, will pick up from a walking gait to top speed in a few seconds.

Vibration, so common to many cars, is practically eliminated in the Light-Six through machining the crankshaft and connecting rods on all surfaces. In no other car in Canada selling for less than $3000, are these engine parts completely machined.

The Light-Six is a proven product of a 71-year-old concern. One hundred thousand Light-Six owners vouch for its dependability and complete satisfaction. Twenty-seven world-wide tests, in which an average of 26.9 miles to the gallon of gasoline was established, offer conclusive proof of its economy.

SPEAKS ON ARMY WORK—At the Salvation Army citadel last evening before a large and interested audience Major W. H. Burrows, Divisional Commander, delivered a stirring address upon the work of the Army since its conception. His address was appropriately entitled "The Acorn and the Oak." He contrasted the vast scope of the work today in spiritual and social welfare with its early beginnings. His Worship Mayor Jenkins presided at the meeting and before introducing Major Burrows paid a warm tribute to the work of the Salvation Army. A warm vote of thanks to the speaker, moved by Commandant Higdon, was tendered him unanimously.

STIRRING ADDRESS IN LEGISLATURE.— There was a large attendance of visitors including many ladies, at the Provincial Legislature last night when Mr. J. D. Stewart, K. C., Leader of the Opposition, resumed the Budget debate and concluded a masterly and trenchant criticism upon the policy of the Bell government throughout the whole period of its office. His address was one of the most forceful and eloquent heard within the walls of the Legislature in recent years, and it was evident from interruptions by the Commissioner of Agriculture and others that his blows struck home. These interruptions which Mr. Stewart effectively silenced, served only to increase the dramatic effect of his words. Mr. Stewart was followed by Mr. A. C. Saunders who at 11 p. m. adjourned the debate. Third reading was given to the Prohibition Act Amendment Act, 1923.

## PERSONALS

Miss Evelyn G. Cass, North River, spent the week end with friends in Charlottetown.

Mr. and Mrs. R. T. MacNeill, Hunter River, were in the city yesterday.

## BIRTHS

WOOD—At the P. E. Island Hospital April 10, 1923, to Mr. and Mrs. Harry Wood, a son.

WALKER—At 25 Elm Avenue, April 11, 1923, to J. S. and Mrs. Walker, a son.

## DEATHS

RAND—At the Rectory, Crapaud, on Sunday afternoon, Lucias H. Rand, in his 87th year. Burial will be made at Ficth Bay, Quebec, on Wednesday.

## BOWLING

Last night on the Y alleys the Zion Church defeated St. Paul's church by 121 pins. L. Robertson rolled the highest single score of 222 pins and the highest total of 505 pins. In the second game of the double header the Methodists defeated St. James. Percy McInnis won the highest single and highest three.

## Won Match

NEW YORK, April 15— Charles Peterson of St. Lou's, won the first match for the world's short stop 18.2 balk line billiard championship last night by defeating Albert Cutler of Chicago 800 to 500.

## Ball Teams in Good Condition

NEW York, April 15— With the opening of the 1923 baseball season but a few days off, the regular preseason forecasts in the Major Leagues are being given out by the magnates. All are of the opinion that the coming season will be a record one in the matter of close pennant races and public interest.

## Annual Meeting of Exhibition Ass'n. Held Yesterday

The annual meeting of the Charlottetown Driving Park and Provincial Exhibition Association was held yesterday afternoon. The directors in their report for 1922, while regretting that financially the exhibition of last September was not a success, felt that they could nevertheless congratulate the shareholders on it being one of the best ever held on their grounds. The amount received from the Dominion Department of Agriculture in 1922 was but $2,027.55; or about four fifths of the minimum grant of $2,500.00. The Local Government have reimbursed the Association for all prizes paid by the association, with the exception of the Special Prizes. A grant was also received of $500 from the City of Charlottetown. Thanks were due to Hon. WM. Lea, Commissioner of Agriculture for his efforts in preparing the Prize List and helping along in other ways. The sliding scale in prizes for live stock introduced by him at the 1920 Exhibition and continued each year since, has proved most successful and at meetings of Exhibition managers held in Toronto and Ottawa in December and January last, called by the Hon. Mr. Motherwell, the Dominion Minister of Agriculture, this sliding scale has been approved of and recommended to be adopted by all exhibitions receiving aid from the Dominion Department of Agriculture. These meetings at which were attended by Secretary Smallwood, will, it is expected result in much greater assistance to the Exhibition here. The details of how this assistance is to be rendered will be decided at a meeting to be held in Moncton in a few days. The aim will now be to give every encouragement to the breeding of animals most suitable and profitable for sale in the markets of the world.

The dates of the Exhibition this year will be fixed after the Moncton meeting.

The financial report showed a small deficit.

The directors were re-elected as follows: Mr. J. J. Davies, president; Mr James Paton, vice-president; Mr. C. R. Smallwood, secretary treasurer; Hon. G. E. Hughes, Messrs. Hammond Kelly, F. P. Bell, John McLean.

## McLaughlin Buick Four Negotiates Chinese Wall

A McLaughlin-Buick four cylinder touring car recently astonished the Chinese by climbing in high gear the famous wall that surrounds the ancient city of Pekin.

This wall is about thirty feet in height and the runway to the top is approximately two hundred feet long. Starting at twenty miles an hour, the McLaughlin-Buick reached the top traveling at the rate of ten miles an hour.

This is the wall which played so important and tragic a part in the historical Boxer rebellion.

Leading up to the top of the wall are long ramps, paved with rough brick and pitched at a steep angle. The grade is twenty per cent.

The performance of the McLaughlin-Buick aroused a great deal of discussion in Pekin and was watched with interest by many spectators.

A photograph of the above is on display in the window of the McLaughlin-Buick showroom, Queen Street.

## WHAT IS THE SECRET OF THIS MEDICINE'S WONDERFUL POWER?

**Hundreds of men and women say they are amazed at its wonderful effects on disorders of the Stomach, Kidneys, Liver, Bowels and Blood. How does it wipe out disease?**

"I Started to believe my case was impossible to cure," says Mr. John Veine, Woodstock, N. S. "After years of suffering from stomach t ouble, got relief in short order," says Mr. James Archibald, Halifax, N. S. Hundreds of others who tossed about on Beds of Pain are now well.

### Marvelous Banishment of Pain and Disease

If you have suffered agonies from rheumatism and neuralgia during the past months; if dyspepsia has gnawed at your vitals and tortured you from day to day; if kidney and liver troubles threaten to end your life; if poisoned and impure blood has shown its effect in boils, pimples and skin eruptions; if sleeplessness and nervousnes have made you miserable and despondent; if headaches and backaches give warning of approaching disorders; constipation, rheumatism, or stomach disorders have you in their grasp. If you have tried everything under the sun to get relief, and have failed, don't you think it is time you gave Dreco a chance to lift you out of the slough of misery and set you again on the path of perfect health and the full enjoyment of life, which is every man's and woman's God-given right?

Dreco seems to be the most talked of medicine today. Almost everywhere you go—in homes, offices, shops, factories, clubs and meeting places of all kinds, you are almost sure to hear someone tell of the wonderful results secured by this "Miracle Medicine," as it has been called. Scores who doubted the powers of this marvelous reconstructant and invigorant have been prevailed upon to give it a trial, and are now singing its praises.

Dreco is made entirely of natural herbs. It contains no minerals or anything to hurt the system.

Here are just a few signed statements, selected as random, from the many which are being received daily from men and women everywhere. Read them carefully and see how true they ring.

**Spent Almost $1,000 Nova Scotia Man Tells of Wonderful Relief Dreco Gave Him**

"I started to believe my case was impossible to cure, as I have spent almost $1,000 on my stomach and bladder," says Mr. John Veine, Woodside, N. S. "After talking with the Dreco expert at Kinley's Limited, I decided to give Dreco a trial. What a happy day that was for me. The first bottle did me more good than anything I had ever taken before. I noticed a big improvement in just a few days. The pain in my bladder is gone; it had been there for years. My case was of long standing, but Dreco seems to be just what I needed, as I feel so much better in every way.

"My stomach and liver were in bad shape. Things I'd eat would sour in my stomach. I had to be very careful with my food, otherwise I was troubled with terrible gas. I always had a bad taste in my mouth. I was bilious and spots would float before my eyes. I was troubled with constipation. I did not sleep well and my nerves always seemed to be on edge.

"Dreco has made a new man of me. I have gained four pounds. That's why I so highly praise and recommend Dreco for anyone suffering as I did should give Dreco a trial."

Dreco, the great herbal remedy acts on the stomach and aids it in digesting the food, stops the formation of gas, relieves constipation, strengthens the kidneys, rouses the liver and relieves billousness headaches, bitter taste in the mouth, heartburn, coated tongue and purifies the blood, thereby banishing rheumatism.

Such praise as this, told in the straightforward, honest language of a man, cannot but convince even the most skeptical, that here is a medicine for which the world has long been waiting.

**Read This Remarkable Story**

"My stomach troubled me for years. Gas would form after meals and things I'd eat would sour," says Mr. James A. Archibald, 61 Queen street, Halifax, N. S., a trackman in the employ of the government.

"My liver was in bad shape, spots would float before my eyes and I used to get terrible dizzy spells. I would get up in the morning feeling just as tired as before going to bed. I never felt rested. I was nervous and didn't sleep well. My appetite was very poor.

"You can imagine how happy I am since taking Dreco, and I am free of these troubles. I never have gas in my stomach now. I can eat whatever I want my bowels act regularly, I sleep well and feel like a new man. I am highly pleased with it."

No, it is not a miracle; just another case where science steps in to save a human being after all hope has been abandoned.

Dreco is credited with hundreds of cases similar to the above. Cases where everything else had failed, and this new medicine discovery was tried as a last resort.

Dreco is not a cure-all; it is not a miracle worker, but there are very often cases of organic disorders that will not yield to a rational scientific treatment. That's why so many are telling grateful stories of the good this medicine is accomplishing. Try a bottle yourself and see. Do it today.

**Dreco, is being specially introduced in Charlottetown by E. A. Foster, Drugstore, 119 Grafton St. Go there today and ask for Mr. Arthur, the Dreco Expert, and let him explain the merits of this great remedy. There is no charge and he will tell you honestly if he believes Dreco will benefit you. Dreco is also sold in Summerside by Gallant Drug Co., Limited, and by a good druggists everywhere.**

## IM MEMORIAM

In loving remembrance of our dear mother, Mrs. Charles Murray who departed this life on April 16 1922.

Dearest mother, thou hast left us
Here thy loss we deeply feel.
But 'tis God that hath bereft us,
He can all our sorrows heal.

Yet again we hope to meet thee
When the day of life is fled;
Then in Heaven with joy to greet thee,
Where no farewell tear is shed.
—Inserted by her sons.

## In Memoriam

In loving memory of
Dr. W. H. Dougherty,
April 17th, 1920.

JUST AWAY

(Adapted)

I cannot say and I will not say
That he is dead. He is just away.
With a cheery smile and a wave of the hand
He has wandered into an unknown land.
And left us dreaming how very fair
It needs must be, since he lingers there.
And you—oh, you, who the wildest yearn
For the old-time step and the glad return—
Think of him faring on as dear
In the love of There as the love of Here;
Think of him still as the same, I say:
He is not dead—he is just away!
