

"I FEEL LIKE A NEW BEING"

"FRUIT-A-TIVES" Brought The Joy Of Health After Two Years' Suffering

MADAM LAPLANTE
35 St. Rose St., Montreal, April 4th.
"For over two years I was sick and miserable. I suffered from constant Headaches, and had Palpitation of the Heart so badly that I feared I would die. There seemed to be a lump in my stomach and the Constipation was dreadful. I suffered from Pain in the Back and Kidney Disease.
I was treated by a physician for a year and a half and he did me no good at all. I tried "Fruit-a-tives" as a last resort. After using three boxes, I was greatly improved and twelve boxes made me well. Now I can work all day and there are no Headaches, no Palpitation, no Heart Trouble, no Constipation, no Pain or Kidney Trouble and I feel like a new being—and it was "Fruit-a-tives" that gave me back my health."

COUNTY COURT.—The August Term of the County Court, Judge McQuarrie presiding opened at Summerside on Friday. There were some forty one cases on the docket ten of which were contested at some length. The Court concluded business Saturday.—H.

A NARROW ESCAPE.—While Miss Nellie Chapman, Cape Bear, was busy about household duties the other day she lit a match in close proximity to a can containing gasoline in a cellar when an explosion followed and she was quite badly burned about the legs. This is a warning to all who have to do with such an inflammable thing as gasoline.

STILL ON THE ROCKS.—The Schooner Glyndon is still on the rocks off Tryon shoals. Some assistance was given by the Brant on Thursday which succeeded in uprighting the vessel. The owners have some hope, now, of saving her. They have secured the services of a tug and made an effort Saturday to pull her off, but the results hoped for have not been realized.—H.

MAY SELL PROPERTY.—Mr. James H. Stevenson, Manager of the Bank of Nova Scotia at New Glasgow, N. S. accompanied by his wife who has been spending a few days in Summerside left on return home Friday. Mr. Stevenson who is owner of the Weatherbie property made an offer to sell the square situate in the eastern end of the Town to Mayor and Council and the offer will no doubt be considered at an early date. This square if purchased by the Town would add greatly to the appearance of that section.—H.

Strength in Summer comes to the man or woman whose daily diet consists of cereals and fruits. Meat and potatoes are a heavy load on the digestive organs. The ideal Summer diet is **Shredded Wheat Biscuit**, a food that is 100 per cent. whole wheat and prepared in a digestible form. For breakfast with sliced bananas or berries, with milk or cream.

Made in Canada.

HELPING THE RED CROSS.—The Ladies of the "Allied" Red Cross Society of Bloomfield, Mill River and Hills River acknowledge with thanks the receipt of \$2.50 from the Ladies of the Dwyar Road per Mrs. Andrew Martin. Also \$1.00 from Mrs. J. R. Dignan Howlan.

LAW BREAKING AUTOISTS.—Several complaints by citizens have been made to the Summerside police that autoists run their machines at night, at a much higher speed than allowed by the law. Those who break the law, carry a rear light so dim that instead of showing the car number for a distance of sixty feet, the number is not visible at even ten feet and in some cases they carry no rear light at all. The police are taking up the matter and will likely have the guilty parties brought to justice.—H.

PLEASANT OUTING.—The Annual Sunday School Picnic of St. David's Presbyterian Church, Georgetown was held on Thursday afternoon, August 23rd at Atkins' Ferry and as usual it resulted in an excellent outing; even the mosquitoes warmly welcomed them. The several games, tag-of-war, leaping and running broad jump exercises were given to the gratification of all especially the winners. Credit for such a pleasant day is due in a large measure to the Sunday School Staff and Rev. J. A. and Mrs. Greenless.—G.

PATRIOTIC FAMILY.—Mr. and Mrs. Simon A. Murchison, Pinette has reason to feel proud in having two of their loyal and sturdy sons fighting for their King and country; viz., John Malcolm Murchison and Angus A. Murchison. These two young men, at the call for volunteers laid aside their vocations of life and enlisted in their country's cause. They stood their ground and fought boldly and nobly until John Malcolm was wounded. Angus A. still fights bravely on and so far has escaped the enemies bullets.—O.

SERVICES AT SANITORIUM.—Rev. Canon Simpson conducted divine service yesterday afternoon at the Dalton Sanitarium. Quite a number of visitors took part as well as patients at the institution. The service followed was that laid down by the Department of Militia and Defence for use in Military camps, etc. Canon Simpson delivered a very sympathetic and helpful address taking as his subject "Patience." This is the first service which has been held at the Sanitarium and was much appreciated. It is to be hoped that some of the other city clergymen will take a turn at holding services at the institution.

DOES THIS APPLY HERE ALSO?
—A writer in a Nova Scotia exchange asks:—What is the matter with our automobilists? A few years ago when horse carriages were in general use, it was considered the worst of form to pass anyone on the road. In this respect Canadians were the most hospitable of people, and nobody scrupled to ask a ride. Today, he says, all this is changed. Motorists rush by with empty seats, and a hard for bidding, not to say flinty, expression on their faces which discourages any but the most adventurous and thick-skinned from hailing them and asking for a ride. To this rule there are no doubt a few exceptions. There are kindhearted, neighborly automobilists, who make a point of offering the hospitality of their cars to pedestrians on a fixed principle, but they are conspicuously few. The typical or representative automobile owner today, as far as I can judge, religiously abstains from anything so old-fashioned and contrived as stopping and asking somebody to jump in. That sort of thing is quite beneath his dignity. Many a good-hearted fellow who in his horse-driving days took a genuine pleasure in giving anybody and everybody a "lift" and only drew the line, as I once heard someone put it "at drunken niggers," has, I fear been sadly spoiled by becoming possessed of an automobile, to which he has to live up to.—It is to be hoped that the above does not apply to P. E. I. autoists.

SUCCESSFUL ISLANDERS.—The many friends of Mr. Joseph Gillis, son of the late Mr. A. D. Gillis, Pinette, will be pleased to learn that he has enlisted, and is now doing duty at Omaha, Nebraska. Mr. Gillis is a young man of 23 years, and American by birth, and is prepared to fight and join the Allies. A daughter, Miss Emily Morin Gillis, is an American school teacher, and is doing well. Misses Jessie M. and Gertrude Gillis are jewelry piece workers. O

The death took place on August 3rd, of Mrs. Elizabeth Doucette, at the home of her son, Mr. Jeremiah Doucette, in Andover, Mass., aged 71 years. Deceased was a native of Rustico, P. E. Island, and left for the United States about twelve years ago, settling in North Andover, where she had made many friends. In her illness she was frequently visited by the pastor of St. Michael's church, Rev. J. M. Gallagher, who administered the last rites of the Catholic church. The funeral took place on Monday, Aug. 6th, with high mass in St. Michael's church, North Andover, to St. Mary's cemetery, Lawrence, where the deceased Christian lady was laid to rest. Many Island friends will sympathize with the family in their sad bereavement.

MINISTER INDUCTED.—There was a large gathering in the Presbyterian Church Murray Harbor South last Thursday (16th) when Rev. Wm. H. Sweet was inducted in the pastoral charge of Murray Harbor, Murray River and Little Sands Congregations. Rev. M. D. McLeod of Caledonia conducted the inductive service. Rev. Mr. McVicar of Cardigan preached, Rev. E. S. Weeks (Methodist of Murray Harbor) led in prayer. Rev. D. Wright, Montague addressed the newly inducted Minister, and Rev. A. Sutherland, Murray Harbor North addressed the people while Rev. Mr. McLeod, Dundas spoke words of welcome assuring Mr. Sweet of the kindest fellowship as he enters the Presbytery of P. E. I. Mr. Sweet is a native of this province and after a term of some eight years in Blue Mountain, N. S., congregation he returns to take up work here under most favorable circumstances.

ISLANDER PROMOTED.—John Hensley, son of Mr. Chas. Hensley, of Summerside, has been promoted to the rank of captain, Captain Hensley enlisted in the 85th Battalion as a private, earning well deserved promotion step by step. Two days before he left England he was promoted to the rank of lieutenant. He was in the thick of the many big battles in which his battalion took part, and was mentioned in despatches for bravery at Vimy Ridge. Capt. Hensley is one of the youngest officers in the Canadian army, and the honors he has won were won by hard work. Summerside is proud of its boys who are fighting the battle for freedom, and especially those who have distinguished themselves as Capt. Hensley has done.—Agri.

WEDDING BELLS.—The home of Mr. and Mrs. Samuel Jardine of Orwell was the scene of a very pretty wedding on July 31st at 8.30 when their daughter Lettie M., (formerly a nurse in P. E. I. Hospital) was united in marriage to Neil R. McKinnon of Earncliffe. The ceremony was performed by the Rev. Mr. McEwen in the presence of a large number of invited guests. The bride looked very pretty in a gown of cream colored satin with bridal veil caught up with orange blossoms in her hair. She wore numerous and costly including several substantial cheques, cut glass, silver and china which goes to show the popularity of the bride and groom. The groom's gift to the bride was a beautiful neck lace and to the bridesmaid a gold pin and to little Miss Pearl Henderson, organist, a gold chain and pendant.

On August 20th, 1917 after a prolonged illness there passed to rest Mr. Francis Goteil at the ripe old

age of eighty one years. The late Mr. Goteil has had a very interesting career. He was born at Granville, France, in 1836 and when young he came to St. Pierre, Mi., and later he removed to Georgetown which was about fifty years ago. As a ship carpenter the deceased was indeed a capable workman and he also was among the best boat builders of Eastern part of the province.
About nineteen years ago the late Mr. Goteil made a journey to France with the object of recovering property which was rightly his but unfortunately he was unsuccessful and this reverse proved upon him that he became feeble mentally and physically. For the past six months he was bedfast. The late Mr. Goteil will be deplored by a wide circle of friends for he was a most thrifty, upright man with a name that has never been sullied. He leaves a widow, and large family to mourn his loss, namely Henry, Fred and Peter all of Georgetown and Mrs. Easton, Mrs. King, Mrs. Fairweather, Mrs. Eaton, Mrs. Mahar, Mrs. Theatt and Mrs. Lebane besides numerous grandchildren. His body was laid to rest in the Roman Catholic Cemetery, Georgetown, R. I. P.—G.
