### Why It Will Pay You To Buy Invictus Shoes

You'll know the difference between good and bad leather only if you've worn it.

It's then that the inferior leather shows its defects, both in looks and wearing qualities.

When you buy a pair of shoes you are at the mercy of the maker.

If he puts inferior leather into them he's going to lose your future trade.

But, if he uses good, high grade, selected leather it means that your purchases won't stop with the one pair,—you'll become a permanent buyer.

Men who buy one pair of INVICTUS Shoes keep on using them from year to year.

Because INVICTUS Shoes are made of the best selected leathers, by skilled workmen, on modern machinery, over stylish, up-to-date lasts.

They're made with the object of giving the maximum of wear, style and comfort that any shoes can give.

Price \$4.50 to \$5.50

## THE QUEEN'S COUNTY GUARDIAN

Head Offices in New Prowse Block--Charlottetown.

The latest news, first of all. Several girls are wanted by M. Trainor & Co., to learn the millinery.

Miss Belle Martin, Dundas is visiting at Rollo Bay, the guest of Miss Annie Keefe.

Capt. A. Sullivan of the H. M. Customs, is recovering from his recent illness.

J. J. Enman of The Examiner is expected home today from a holiday to Boston and New York.

Mrs. Charles Coffin of Charlottetown, visited her mother Mrs. McLaren at Rollo Bay last week.

Any person who has a desirable city residence with all modern improvements to let should apply at the office at once.

Money well employed is the verdict of advertisers who use The Guardian's classified advertisements, as told in that column.

M. Duffy, City, received a telegram yesterday from Boston, announcing the death of James Duffy, printer. He was sick for a short time.

Any reader who receives a dirty or badly printed, or badly folded edition of The Guardian will confer a favor on the management by forwarding same promptly to the subscription department, when a well printed paper will be sent by return mail.

Do not send communications to individual members of staff. Everything should be addressed "The Charlottetown Guardian, Charlottetown P. E. I.," and on the left hand corner at the bottom of the envelope should be "Advertising," "Subscription," "News," "Editorial," or "Four Editor," according to the contents.

The Barbers had made some arrangement with the team of Carter's Bookstore, and wish to state that they will be glad to play this team on any other convenient night. No other more suitable manner than this to bid farewell to winter could be found and it is to be hoped that a record crowd will come to see the game of the season.

Yesterday the Chief Justice of the Supreme Court set the time for the trial of the following election petitions, against the candidates mentioned below:—John McLean and Laughlin MacDonald, at Souris on April 20th. James Kennedy and Hon. Joseph Read at Summerside on June 10th. Murdoch Kennedy at Charlottetown on June 22nd.

A series of three games of Basketball has been arranged between the St. Dunstons College and the P. W. C. The first of the series will be played in the Y. M. C. A. Gymnasium tomorrow night. The St. Dunstons boys have a strong team and as the P. W. C. won the local league there is sure to be a hotly contested game. Both colleges are planning to send a large number of supporters to cheer for their respective teams.

The banquet of the Athletic Club of the Prince of Wales College took place last night and proved most successful. A dainty menu announced the numerous good things for the inner man, and after these had been partaken, a large number of toasts were proposed and ably responded to. The toastmaster, Prof. D. D. Shaw well maintained the dignity of his office. An interesting feature was the presentation of the cups and medals and after the health of "Our Host" had been given, the assembly dispersed.

Apparently the greatest interest is being taken in the hockey match to be played this evening in the Arena as more than once poorly suppressed excitement could easily be perceived in the sporting circles. Some slight alterations had to be made, but everything is at last in readiness for the fray. An able referee has been secured in Sam Doyle, and a bevy of charming nurses consisting of the Misses Irving, Cook, Clements, Myers, Dewar, Doucette and Herrell will be present in order to render first aid to the injured and supervise their conveyance to the ambulance which will arrive at eleven sharp. The Barber's goal judge will be D. Sullivan and F. McDonald has consented to act in the capacity for the Newspaper boys. T. Reardon and J. Enman are the penalty time keepers, and A. P. Starr will keep time in a fearless manner. The line up are as follows:—
