By years of study, experiment and the practical experience of learned men as physicians, dentists, bacteriologists, chemists and others it is now possible for each and everyone to have their teeth preserved to do the work nature intended them for.

It is Our Business to Save Teeth

It is your duty, to yourself, to have your teeth saved. If you intend having dental work done, call and have a talk with us, we will advise and explain matters to you, tell you just what you should have done and what the cost will be. We make

THE SUMMERSIDE GUARDIAN

Office—Upstairs Royal Bank Block—G. M. Matthews, Mgr

One drunk was fined \$5 and costs at the Police Court yesterday.

Rev. G. D. and Mrs. Ireland, Woodstock, spent Christmas in Fredericton.

A number of the C. B. C. students were among the passengers to the city last night.

W. C. Marchbanks, Montrose, has left for Grand Forks, B. C., to join his brother J. W., who went out there in July last.

B. Webster, Esq., Augustine Cove, is spending his Christmas holidays with his daughter, Mrs. D. Marchbanks, Montrose.

Miss Myrtle Larkin, who has been spending her Xmas holidays at her home in Tignish, returned to the city last night.

L. B. McMurdo formerly of Alberton but now of Newcastle, N. B. left a few days ago for a trip to New York and other cities.

An item in yesterday's Guardian should have read:—There were 1385 instead of "139" documents recorded in the Prince County registry office during the past year. This is 300 above the yearly average since the office was opened in 1891.

Return tickets at one first class fare will be issued Friday, 5th inst., good to return up to Saturday, 6th inst., at all stations from Emerald to Tignish to persons attending Convention of Temperance Alliance to be held at Summerside Friday, 5th inst., at 2 p. m. 3d21 tw1.

Miss Ida Melrose, milliner, for the past two years at Sinclair & Stewart's, has resigned and leaves today for her home in Guelph, Ont.

Elias Schurman and Harold Wright who have spent the past two months at their homes in Bedouque leave this morning on return to Boston.

The Stanley arrived yesterday at 1 o'clock. She had about 25 passengers going and the same number returning. A party of Summerside's young people made the round trip.

Allison Campbell, teacher, Southport arrived by the Stanley yesterday from Guelph where he had been taking a course in nature study. He came via Boston where he made a few days' visit.

The sum of \$100 was realized at the concert in Market Hall New Year's night. Much credit is due to the performers and to Prof. Whitney for making the concert a musical and financial success.

At the teachers' institute in Woodstock recently there was presented to G. H. Harrison, the retiring principal of Carleton county Grammar School, a beautifully bound set of Shakespeare's works, by the teachers of Carleton county. Mr. Harrison is son of Rev. George Harrison, formerly Methodist minister at Tryon.

Merchants Rubbers

VULCANIZING GIVES LIFE AND VIM.

Proper vulcanizing puts life and vim into Rubber Footwear—renders the raw gum impervious to weather conditions.

It is accomplished by mixing certain chemical compounds with the gum and subjecting to a process of heating. To achieve the best results the greatest care has to be exercised—the various materials must be scientifically mixed.

Merchants Rubbers are properly vulcanized—the plant is the most modern in America, its machinery is the newest, and its artisans were chosen for their special knowledge.

Merchants Rubbers wear longer, look better and cost no more than common rubbers.

If your Shoeman doesn't sell them, let us know.
