HALT
The command to HALT has back of it the power of the army. In hundreds of communities in this country today a HALT has been called on the man or woman who, thinking or unthinkingly robs the community by refusing to patronize HOME interests. What's needed today are MORE sentries, more men and women to call a halt on such thoughtlessness. Our Community is asked to take a definite stand on this question. Let each man appoint himself a sentry to see that the community life is preserved. Other communities have fallen in line. They have hoisted the Home Trade flag. WE must fall in LINE or fall BEHIND. Forward, March.
