IN MEMORIAM

MRS. NORA McLEAN.

The death of Mrs. Nora McLean of Brookfield removed from that district one of its pioneer settlers. Mrs. McLean, whose maiden name was Nora Matheson, was born in Scotland in the year 1820. She came to Brookfield at the age of 18 years. Four years later she married Donald McLean who died fourteen years ago. In the midst of an unbroken forest they made their home, clearing the land and toiling as pioneers in a new land are compelled to do. In this home Mrs. McLean lived until Sabbath, March 23th, when she was called to her eternal rest and reward at the ripe age of 94 years. The late Mrs. McLean had throughout her long and useful life enjoyed good health, retaining all her faculties even to the last. About three months ago she was taken ill. All that medical skill and careful nursing could do to prolong her life was done and it was thought she was improving. On Sabbath morning she seemed better and was able to sit up a few minutes. In a short time a change was noticed and at 11.30 o'clock she entered into the rest that remaineth to the children of God. Mrs. McLean was a woman of superior intelli-

gence, a model of kindness and hospitality, and her whole life was an example of sincere, strong, Christian character. Her memory will long remain as a precious legacy to her kindred and friends and as an example to all who knew her. Few there are who have been loved and respected as she was. "To know her was to love her" as many can testify. She was a true and sincere follower of the meek and lowly Jesus. At an early age she united with the Presbyterian Church, and always took a deep interest in its welfare. The Gaelic Service of the Sanctuary was to her a feast of good things. She could repeat from memory the greater part of the Holy Scriptures in the Gaelic language. Four sons, and four daughters, many grandchildren, and great-grand children will long cherish a memory that will ever be a benediction. The sons are Malcolm and Johnny in Brookfield, John in Charlottetown and Murdoch in Colorado. The daughters are Mrs. Alex McDonald, Mrs. Kenneth McDonald, Brookfield, Mrs. Donald McLeod, Rustico, Road and Mrs. Alex McLeod, Hartsville. On Tuesday, March 31st, in spite of the inclemency of the weather and very bad roads, many friends gathered at the home to pay their last tribute of respect to the departed. A short funeral service at the home was conducted by her pastor, Rev. J. H. McHattie. The Rev. A. Ferguson of Strathalton assisted in the service at the grave.

SPECIAL SERVICES.—A special service was held in the Grace Methodist Church last evening at which there was a good attendance. Rev. Mr. Bell opened the service with prayer. He was followed by the pastor, Rev. Mr. Marshall who delivered a decidedly interesting and inspiring address, taking as his subject "A study in the life of Jesus." The address was listened to very attentively, and during its process 34 stereopticon views, from some of the most beautiful and famous paintings in the world, were shown, Mr. Burke operating the lantern. Tonight another address will be given, the second on this subject when 37 views will be shown.

She will leave this morning at 7 o'clock, on return to Pictou. The Earl Grey, which left here about 7 o'clock, arrived in Pictou at 4 p. m. with a large freight, express, mail and a number of passengers. She will make the return trip to the Island this morning.

SCHOOL BOARD MEETING.—The Charlottetown School Board met last evening at 7.30 o'clock, with a full attendance of members. The Principal of West Kent School, who has been ill and unable to attend to his duties, was granted a leave of absence for the remainder of the term, a substitute. Some further discussion took place regarding the inspection of schools and it was decided in the hands of the City Council. Considerable discussion of the estimates, which amounted to \$13,950, took place and the meeting adjourned.

ZION SOCIAL.—A social was held in the Zion Church Hall last evening that was fraught with pleasure for the very many in attendance. The entertainment was opened by a program of readings and music, consisting of the following numbers: Piano trio, Misses Cameron, Belle McKenzie and Marie Ross; solo, Art Bruce (encored); reading, Sidney Bonnell; solo, Jean Allen; string quintette, by five young gentlemen; male quartette, Messrs. Harry McDougall, John Gillis, Roderick Gillis and Art Bruce; reading, Rev. Mr. Taylor; reading, Mr. John Lawson. After the rendition of the above program the people adjourned to the Social Hall and there took part in guessing contests and other amusements after which

GIRLS! GIRLS! TRY IT, BEAUTIFY YOUR HAIR

MAKE IT THICK, GLOSSY, WAVY, LUXURIANT AND REMOVE ALL DANDRUFF.

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a "Danderine hair cleanse." Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil and in just a few moments you have doubled the beauty of your hair.

Besides beautifying the hair at once Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair. But what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yet really new hair growing all over the scalp. I you care for pretty, soft hair and lots of it surely get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter, and just try it. Lunch was served and an enjoyable evening was whiled away. Rev. Mr. Taylor presided.

FUNERAL SUNDAY.—The funeral of the late Mrs. Frank McKenna took place from her late residence, Queen Street, to the Pro-Cathedral, thence to the Catholic Cemetery on Sunday afternoon and was largely attended. The funeral services at the church and grave were conducted by Father Peter Duffy.

PRINCE EDWARD THEATRE.—There was a fairly good attendance at the Prince Edward Theatre last night when an excellent program of entertainment was presented. The leading picture was "When a Woman Loves." It was an excellent play exceptionally well acted with splendid settings. The photography was very beautiful and it can safely be voted one of the best photo-plays ever put on in Charlottetown. "The Shadows of Shame" was another real good drama and "Surf and Sunset on the Indian Ocean" was a splendid scenic picture. "Alkali Ike the Hypnotist" and "Dish Wash Dicks Counterpart" were two "side-splitting" comedies greatly enjoyed. Mr. Cairns was well applauded upon the rendition of the song "Maybe I will Forget you then."

THE PEOPLE'S THEATRE.—The People's Theatre was crowded last night when an excellent programme of pictures was shown including the eleventh instalment of the "Mary" Series, "A Race to New York." This picture shows Mary escaping from Cobb's Island, whither she had gone when her uncle endeavoured to kidnap and detain her, on a schooner. A very instructive and interesting film was "Specimens of Lizards and Frogs" depicting these reptiles in various phases of their existence. "When the Debt was Paid" was a strong drama in which a detective allows mercy to have the better of duty out of gratitude to a doctor who saves his child. "Looking for Trouble" and "The End of Black Bart" were splendid pictures. Mr. A. Priestman Cameron was vociferously applauded in two comic songs "There's a peculiar thing" and "A thing he had never done before."

Our Ranch Management

and Advisory Board

Assure Successful Returns

The Connaught ranch will be under the direct supervision of W. H. Pethick, government veterinarian. Dr. Pethick has had long experience attending foxes under all conditions and is one of the very few men who can handle foxes skilfully and expertly.

The Advisory Board is composed of J. Walter Jones, John S. Cousins, and K. W. Stewart, all men who have had practical experience in ranching, breeding and caring for foxes. This is but another point that shows you the advisability of investing in the Connaught Fur Farming proposition.

It's True

"Speaking of the harmful effects of baker's white bread, Dr. Edson Smith says: "Baker's bread is an abomination to the stomach. Its fine flour, its yeast and its undextrinized starch make it largely undigestible. Only the well-baked outer crust is fit to eat." — Rutledge Rutherford in Nat'l Food Magazine, February, 1912.

Some 17 years ago there was originated a food designed to avoid the objectionable qualities of white flour products. That food is

Grape-Nuts

It established a standard of digestibility and food value hitherto unapproached in any cereal food.

This object was attained—

By building Grape-Nuts from the two greatest of food grains—wheat and barley—and baking, and rebaking it until the starchy parts were converted into dextrose (grape-sugar) or so thoroughly dextrinized as to require but little effort to digest.

Grape-Nuts digests usually in about one hour

(White Bread requires about 3 1-2 hours for digestion)

In the milling of white flour, nearly all the "vital" mineral salts of the grain (such as phosphorus, lime, iron, sulphur, etc.) are thrown out with the bran-coat, just to make the flour look white and pretty.

These phosphates, or mineral salts, are positively demanded by Nature in order to build normal bodies, brains and nerves, and in their lack physicians find one great cause of impoverished blood, listlessness, nervous prostration, kidney disease, etc.

Grape-Nuts, on the other hand, retains ALL the vital phosphates so richly grown by Nature in wheat and barley, as well as ALL the other nutritive elements of the grains. It provides these well-balanced values in a convenient, appetizing food, ready to eat from the package, fresh, crisp, and untouched by human hand.

A ration of Grape-Nuts with regular meals supplies admirably what white bread lacks.
