**Rules**  
ONLY members of the Floral Association can exhibit. The membership fee of 50c entitles each member to all of the privileges of the society.  
This includes entry of exhibits and free entry to the Show.  
(2) Entries for competition must be made on the form provided for the purpose and sent to Mr. Chas. M. Williams, Sec., previous to the 24th of August.  
The prize list and forms can be had by writing Mr. Williams, Dept. of Agriculture, Charlottetown.  
(3) All exhibits, except potted plants must be grown by the Exhibitor, and no Exhibitor shall be eligible for more than one award in each class. Potted plants must be owned at least one month previously by the Exhibitor.  
(4) All exhibits must be placed in Show room before 11 a. m., August 28th, except from the West, when they must be placed immediately after the arrival of the noon train.  
(5) Exhibitors may enter any number of exhibits in any class, provided they are entered under the same number, but only one of such number shall be eligible for an award.  
(6) Class cards, corresponding to the entries, will be furnished to the exhibitors by the Secretary, and they will be responsible for the proper placing of the cards on their exhibits.  
(7) The decision of the judges shall be final.

**TUESDAY**

**FARMERS PICNIC.**—Farmers are making arrangements for picnics to the Experimental Station, the fame of which is spreading throughout the country as the result of the visits earlier in the season. On the 18th inst the Murray River, on the 20th the Hope River, and on the 21st, the Long River Farmers Institutes will picnic at the Station.

**ACCIDENT.**—Harry Chown, the fifteen year-old son of Mr. Frank Chown Charlottetown Royalty met with a serious accident on Wednesday last. He was driving over to the hay field in a light wagon, accompanied by his brother and grandfather. They had two horses, the one drawing the wagon and another being led alongside. The outside horse, started kicking and broke the shaft of the wagon. This caused the other animal to get frightened, and both started to kick and run, and as one of the shafts was detached from the wagon it was difficult to control the excited horses. The grandfather and one of the boys were pitched out and escaped with little injury, but Harry was thrown between the wheels his leg being caught in the spokes. His leg was broken in three places, while his back and shoulders were terribly bruised. The injured boy is a nephew of Rev. D. Chown, Secretary of the N. B. & P. E. Island Methodist Conference.

Many in this province will learn with sorrow of the death in Spokane, Washington, of Mrs. Evelyn Clay, wife of Mr. Fulton J. Clay formerly of Summerside. The deceased was a daughter of the late Mr. Adam Leard, Merchant of Victoria, this province, who removed to the west about 35 years ago. She leaves to mourn her mother and three sisters in Spokane and three brothers, Fred in Oregon, Elsworth in Chicago, and Dr. A. W. Leard, in Iowa. Mrs. Clay had been on an extended visit to her daughter, Mrs. Brown, in Seattle, and had been home out a few days when she took ill and died. She will be remembered here by many as a woman of exceptionally lovable character, kind, sympathetic and a true and warm hearted friend. Her husband, who, also will be remembered as one of the prominent teachers in the province, is a son of the late Sheriff Clay of Summerside and will have the sympathy of many in his bereavement.

On Monday afternoon at 3 o'clock died Sadie Florence Carson, beloved wife of Mr. C. Carson, Elm Avenue. Seldom does death enter a home under such a sad combination of circumstances as in this case. Only about two weeks ago, little Katharine aged seven, the light and joy of the home, was called away, and the devoted mother, though bearing up with a remarkable courage, never seemed to rally from the blow. Last Wednesday a baby boy was born and the shadow of death again hung over the house. In spite of all that the best medical skill and careful nursing could do. The mother passed away, after having borne the most trying suffering with a calm Christian fortitude. The deepest sympathy of the whole community is extended to the bereaved husband and his two motherless little ones. The funeral services will be held at the home on Elm Avenue, today, Tuesday, at 3.30, the interment taking place at Brookfield.

**WEDNESDAY**

**MARRIED YESTERDAY.**—The marriage of Mrs. Elizabeth Pineau of this City, to Mr. John Callaghan, of the Singer Sewing Machine Company was solemnized yesterday morning in St. Joseph's Church. The ceremony was performed by Rev. Dr. McMillan, the bride and groom being attended by Mr. and Mrs. Malachias Callaghan. The happy couple left yesterday morning on a honeymoon trip to Moncton.

It is with deep regret that the Guardian chronicles the death of Mr. J. A. McDonald, of Colman, P. E. I., which occurred at Duncan, B. C., on Thursday July 17, at the age of 45. Deceased had been ill only about three weeks. The funeral, which was largely attended, took place on Saturday July 19, to St. Ann's Church and Cemetery, Quamichan, the Rev. Father Francis officiating. The pallbearers were Messrs H. Pielan, R. Miller, A. Chisholm, J. Potts, J. McLaren and W. Ferneybough. Much sympathy is expressed to his wife and children.

**ENJOYABLE PICNIC.**—A school picnic was held on the beautiful grounds of Mr. Samuel McPhee, Heatherdale, on Monday last. Some forty five children and about as many of maturer years enjoyed a delightful day outing consisting of various popular games and a beautiful and refreshing repast prepared by the ladies, which well merited the hearty vote of thanks accorded. If cordial good fellowship, hearty cheer, and active interest in the public welfare are worth cultivating, then, this gathering of friends and neighbors was an unbounded success. The rippling stream close by was a factor in the deeper enjoyment of the occasion. The programme which was interspersed with music came to a close by the singing of "Auld Lang Syne" and "God Save The King."

**A FRIENDLY VISIT.**—In the early morning of yesterday, about 5 o'clock, some people in the vicinity of Government Pond, in the west end of the city, were awakened by a curious whooping sound, which appeared to come from the clouds and which they could not understand. Upon investigation it was found to be two large birds of the crane type. They flew at a prodigious height in the air and as they came alone performed great evolutions. Their wings, rounded rather than elongated, as in other species of birds, stiffened in the breeze as the birds soared and circled, and their long stem-like legs stuck out straight behind them. The birds finally alighted in the pond in

search of food. Here those watching had a better view of them, and it was seen that they stood between four and five feet high. Their plumage was pure white with the tips of the wings black, and in getting the fish from the water they used their bills as one would a dagger. While eating they were disturbed by some dogs and rose again in the air flying as before in quest of a quiet feeding ground. The birds were probably cranes of the Whooping or American genus, as this family migrates to the north in the summer, but rather into the interior than to the eastern part of the Continent, and although often seen in this province, it is rare if ever that they have come to the city.

In the death of Thomas Tweedy, Vernon River has lost its oldest resident and one of its most respected citizens. At the ripe age of 91 years, after but a few weeks of illness, he departed this life. When still a young man at 25 Mr. Tweedy under the earnest evangelistic appeal of Rev. F. Metherall gave his heart and life to God. Since then he has lived with the love of God and his fellow-men in his heart. He loved the place of prayer, and will be greatly missed as a church officer and worker. A helpful memory will remain of an exemplary life, a true friend, and faithful parent. The funeral service was conducted on Monday, Aug. 11, in the Vernon River Methodist Church by Rev. Henry A. Brown, at which a great number of mourners gathered. The pallbearers were: Messrs. William Huntley, Michael Donnelly, Geo. McMillan, Frank Jenkins, Bertram Lea and Chas. McMillan. He leaves the following members of his family:—Mrs. D. P. Irving, Vernon Bridge; Mrs. C. Mashou, Murray Harbor; Dr. Geo. J. Tweedy, Winona, Minn.; Cephas B. and Miss Pensa at home.

**LAI D TO REST.**—The funeral of the late Father James Aeneas MacDonald took place yesterday morning from the City Hospital to the Railway Station, thence by special train to St. Andrew's. A Pontifical High Mass of Requiem was celebrated in St. Andrew's Church by His Lordship Bishop O'Leary with Father R. B. McDonald, as deacon and Father D. S. Bourgeois, as sub-deacon. The deacons of office were Father John A. McDonald and Father Monaghan; Assistant Priest, Mgr. D. M. McDonald; Master of Ceremonies, Father A. J. McIntyre, Assistant, Father J.R.A. McDonald. Nearly all the priests of the Island who could conveniently attend were present in the sacristy. The sermon for the occasion was preached by Rev. Dr. McMillan, Cardigan, who spoke eulogistically of the late Father McDonald. In eloquent terms he portrayed the long and faithful career of the deceased clergyman drawing many valuable lessons from his useful and well spent life. A large number of people from all parts of the Island were in attendance.

**The Best Friends**  
of Red Rose Tea are those who have returned to it after trying other teas. No stronger recommendation of the good quality of Red Rose Tea could possibly be given.  
N.B.—Coffee users will find Red Rose Coffee as generously good as Red Rose Tea.  
**RED ROSE TEA** is good tea

Why should any other cereal be called "just as good" as  
**Kellogg's**  
**CORN FLAKES**

Because Kellogg's is known to be the best and most nutritious cereal on the market—  
Because the sale of Kellogg's Corn Flakes is enormous as trade returns will show—  
Because another large modern factory, the best and most sanitary in Canada had to be built to take care of our constantly increasing trade—  
Because the imitator, knowing these facts and having few selling arguments for his own product thinks to create a market for it by comparing it to Kellogg's:  
But---the flavor and the sustaining qualities of Kellogg's Corn Flakes cannot be counterfeited. Sold in big packages at 10c. Look for the signature.

**BEAVER FLOUR**

**COSTS LESS - IS BETTER - AND GOES FURTHER THAN ANY WESTERN WHEAT FLOUR**

**"BEAVER" FLOUR** makes a real home-made loaf of bread, close grained, beautifully white and tempting, with the delicious old-time flavor that "mother's brand" always had.

"Beaver" Flour makes Pies and Pastry that far excel anything made of western wheat flour, and with less shortening. And do you know why? Western wheat flours are strong and absorb much water, but they lack flavor. Ontario fall wheat has the nutty flavor, and pastry-making qualities, but lacks strength. "Beaver" Flour contains the choicest Ontario wheat with a little Manitoba wheat to increase the strength.

The bakers of Toronto and London—the experts at the Agricultural Colleges—and thousands of homes through Ontario, Quebec and the Maritime Provinces—have proved that "Beaver" Flour is superior to any western wheat flour and is equally good for Bread and Pastry. Try it. DEALERS—Write us for prices on Feed, Coarse Grains and Cereals.

**THE T. H. TAYLOR CO. LIMITED, CHATHAM, Ont.**

C.F. Pooley, 6½ Kent St., Halifax, N.S., Travelling Sales Agent

Arrangements are being made for a Suitable Building in which to hold the Show. A Definite Announcement will soon be made through the Press
