CONGRESSMAN FITZPATRICK Says Pe-ru-na is a Splendid Catarrh Tonic.

Congressman T. Y. Fitzpatrick.

Hon. T. Y. Fitzpatrick, Congressman from Kentucky, writes from the National Hotel, Washington, D. C., as follows:

"At the solicitation of a friend I used your Peruna and can cheerfully recommend your remedy to anyone suffering with catarrh or who needs a good tonic."—T. Y. FITZPATRICK.

A Good Tonic.
Pe-ru-na is a natural and efficient nerve tonic. It strengthens and restores the activity of every nerve in the body.

Through the use of Pe-ru-na the weakened or overworked nerves resume their natural strength and the blood vessels begin at once to regulate the flow of blood according to nature's laws. Congestions immediately disappear.

Catarrh Cured.
All phases of catarrh, acute or chronic, are promptly and permanently cured. It is through its operation upon the nervous system that Pe-ru-na has attained such a world-wide reputation as a sure and reliable remedy for all phases of catarrh wherever located.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice free.

Address: Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

ONE of our newspaper men recently challenged a prominent barber to play a match game of quoits and yesterday they took off their coats on the quoit club ground. A referee was appointed who had present with him a clergyman, a coroner and two veterinary surgeons. The game was hotly contested. Whether or not this had anything to do with yesterday being the warmest day of the season is not for the writer to say. The result was that the newspaper man won by several points but the barber is still determined and says he will give him a closer shave next time.
