Stock Markets At A Glance

WINNIPEG, June 6—(CP)—Rye futures prices on the Winnipeg Grain Exchange today tumbled the five-cent limit in October and December due to reports of rain in some sections of the west. Offerings were not liberal but supply was thin. Trading was dull.

CHICAGO, June 6—(AP)—Heavy profit-taking toward the close cancelled gains in oats contracts today, leaving final prices mixed. At one time gains extending to more than a cent were registered on buying stimulated by an upturn at Minneapolis and belief feeding demand for all grains will expand if price ceilings are removed from livestock and poultry.

NEW YORK, June 6— (AP)—Buying of selected rails, industrials and utilities steadied the stock today although many leaders were neglected in lower territory.

Transfers of 980,000 shares compared with 1,170,000 Wednesday and were the smallest since May 20.

The Associated Press 60-stock composite was unchanged at 81. The industrials were down .1, the rails up as much and the utilities unchanged.

MONTREAL, June 6 — (CP)—Paced by papers and some leaders in utilities and industrials, securities showed a downward trend on average in deals today on the stock exchange and curb market. Liquors were among the sub-divisions to move to lower territory.

Outstanding individual stock to display weakness was Brazilian, which had a renewal of its recent easiness. Some explanation of the stock's action was seen by market students in a statement in the annual report of Canadian Foreign Investment Corporation, which has substantial Brazilian interests and whose stock has also tumbled lately, reporting that limitations on dividend payments to non-residents had been imposed by the South American country.

TORONTO, June 6—(CP) —The gold shares had a narrow margin on the up side at the close of today's Toronto exchange market and other groups were down. Base metals took a drop of 1.27 while the western oils were lower by .12.

Sherritt was soft from the opening and despite a mid-day rally it worked back to close at 2.45 for a net decline of 17 cents. Smelters finished 1 1-2 points down and sizable losses were netted by Pend Oreille, Labrador and Normetal. Steep Rock and Denison were a bit stronger.

KILL 20-FOOT PYTHON
