Millinery

Fall fells in the spirited tempo of the season. Your favorite tams, ribbon-feather and metallic trims, roll brims, sailors, helmets and off-the-face styles, with and without the new eye-length veils. Brimful of loveliness, these smartly tailored lines have both that personal and feminine touch.

There is nothing as youthfully flattering as an off-the-face style; that's where campus and play toppers take the form of head fitting, with the up-roll all around.

Dresses

One of Smallman's aims is to build extra value—more and more solid good garments—to match price with quality. We have done this in our dress line—presenting you with bunny wool, wool jersey, angora and fine wool crepe, tending to give you the raglan or droop shoulder with emphasis on full hips. The sizes are 11 to 17 and 12 to 20 in blues, greys, rose, cream, tan—in fact—all the popular fall shades.
