WEDDING BELLS.—A quite but pretty wedding was solemnized at 5:30 Wednesday evening, November 15th, at the United Church Parsonage, York, when Emma Louise daughter of Mr. and Mrs. W. J. Scott, Marshfield, was united in marriage to Arthur Leith Brown, son of Mr. Stephen Brown and the late Mrs. Brown of York by the Rev. F. E. Boothroyd. The bride wore a dress of Navy blue georgette, navy broadcloth coat with Lynx trimming and hat and shoes to match. They were attended by Miss Muriel Brown, sister of the groom and Mr. Alex Scott brother of the bride. Immediately after the ceremony they drove to the home of the bride where supper was served to the immediate relatives. The bride on the eve prior to her marriage was given a miscellaneous shower at her home when she received a large number of lovely gifts. The United Church Choir, of which she was a faithful member for a number of years also presented her with a beautiful Hall Mirror. At a late hour on Wednesday night they left for their future home in York followed by the best wishes of a large number of friends.

when the Mission Band of the Knutsford Baptist Church held a chicken supper. A sumptuous supper was served by the girls of the Mission Band assisted by a few of the members of the Ladies Aid. The supper was well attended and the amount of the proceeds most satisfactory, a comparatively large sum being realized which goes towards the funds of the Mission Band.

Among recent visitors to Summerside from this vicinity were Mrs. P. N. Pate and her two daughters, Mrs. Wm. Bernard and Mrs. Chas. Dennis also Mrs. J. Pate and Miss Helen Adams.

The opening of mite boxes by the Mission Circle and the Womens Missionary Society of the United Church was held in the Sunday School Room. Mrs. W. E. Turner presided and the program opened with a song. A duet was rendered by the Misses Ina Phillips and Eva McLennan which was much appreciated. This was followed by an interesting reading by Miss Erma Palmer and a solo by Rev. Mr. Baker. Much interest was aroused by the reading of a letter from Miss Florence Murray by Mrs. A. J. Matheson. Miss Murray who spent her girlhood in O'Leary and later attended Prince of Wales College is now a medical missionary in Ham Heung, Korea, and her work in this field naturally is of considerable interest to former friends in this section. At the close of the program the mite boxes were opened and although many were absent from the meeting the amount turned in on this occasion netted the satisfactory sum of \$116. Luncheon was served and thus a pleasant and profitable evening was brought to a close.

Mr. and Mrs. Percy Kinch accompanied by the latter's sister, Mrs. Edgar McArthur and Mr. McArthur and also Mrs. Mallett motored from Alberton on Friday and spent the afternoon here.

Several residents are preparing for the long winter evenings by investing in a radio. Among those who recently purchased Victor radio sets from Mr. H. A. Jelly, the local agent, are Messrs Thos. Stilliker, Bayfield Wedlock and Mount Royal and John B. McPherson of Glenwood.

A serious accident occurred last Sunday when a car driven by Mr. Wesman Harris overturned on the road. The party which included Mr. Harris' sister, Aileen and Miss Olive Adams, teacher in Knutsford School were on their way to the latter's home in Bayside when the accident occurred. Exaggerated accounts reached relatives here and Mr. Harris' father, Mr. John Harris and his brother, Arvid, immediately left for the scene of the accident. The occupants of the car were badly shaken up and sustained bruises and abrasions. The car was badly broken up and it seems miraculous that the occupants escaped with such slight injuries.

On Wednesday an enjoyable evening was spent at the O'Leary Hall out of the Alberton and West Prince Board of Trade will also be in attendance.

Mr. Ray Jelly has returned to his home in Toronto after having spent a two weeks holiday with his parents, Mr. and Mrs. John Jelly.

Mr. and Mrs. Harvey Adams, of Knutsford motored to Rosebank on Monday, to visit the latter's sister, Mrs. Leslie McMillan.

SOCIAL GATHERING.—An enjoyable whist and dance was held at the beautiful home of Mr. and Mrs. Walter Quilly, South Shore, on Thursday evening, Nov. 27 ult., and despite the incongeniality of the weather there was a large attendance, whist being played at table. The prize winners were: Ladies—Mrs. Frank Murphy, consolation, Mrs. Annie Currie; gentlemen—Mr. Timothy Rochford. About 12 o'clock a bounteous table was spread and all present partook of a delicious luncheon prepared by Mrs. Quilly in her usual creditable culinary style. Following the repast, dancing was enjoyed till an early hour. Excellent violin music was furnished by Messrs Royland Alchem, Ivor Smith, and Jim Rochford. When the clock struck the hour for retiring, the jolly party dispersed to their respective homes, much pleased with the evenings enjoyment and with best wishes for their worthy host and hostess.

RETURNS FROM VACATION.—Mr. C. Howard Dingwell who retired from the C. N. R. after fifty years' service last July, has just returned from a three months vacation spent visiting his sons in Toronto and Boston, and also Mrs. Harris, New York, whom he had the pleasure of seeing last year. Mr. Dingwell spent his vacation in Bay Fortune, where they have spent many summers and now contemplate spending the winter there, as Mr. Harris finds he can work better in King's than in Los Angeles, his southern home. Mr. Harris has spent thirty or forty thousand dollars in making a summer home in Bay Fortune, and the Province has a great booster in him in literary and theatrical circles. Mr. Dingwell's son, Reginald, is Conductor on the C. P. R. and has a fine home in Toronto; while his other son, Frank E., has a lucrative weather stripping business in Boston. Mr. Dingwell contemplates returning to Boston for the winter, but could not resist the temptation to return to the old sod for Christmas and the New Year. He thinks there is no place like it, and that people who live here are not half appreciative enough of the blessings and other advantages they enjoy here.

CLUBS HELD BANQUET.—About 110 guests were present at a banquet held by the Cape Breton and P. E. Island clubs of Mount Allison, in the United Church parlors, Sackville, Friday evening, when an appetizing repast was served by the Ladies' Aid. After doing full justice to the good things provided, the following toast list was observed, Chalmers Stacy acting as toastmaster: The King, proposed by the chairman; to P. E. Island, proposed by Clifford Dubien and responded to by Miss Marie Clark; to Cape Breton, proposed by Dick Hinton, and responded to by Al McIver; to the University, proposed by E. D. Logan, responded to by Dave Burchill; to the Faculty, proposed by Beth Johnson, response by Lloyd Shaw; to the Senior, proposed by Nell McLeod, response by Elsie Thompson; to the Guests, proposed by Wilfred Boothroyd, response by Bud Howard; to the Ladies, proposed by Charles Green, response by one of the ladies, the president being absent. Music was effectively rendered by the college orchestra, and at the close the party attended the college play in Chas Pawcett Memorial Hall, as a fitting conclusion to a pleasant social evening.—Sackville Tribune.

MURRAY HARBOR

On Wednesday evening December 3rd, Rev. C. R. Ashdown, Ph. D. who is supplying at the neighboring congregation of Wood Islands will give an evening with Bobbie Burns in the Presbyterian Church here.

Rumors tell us of many changes in farms in our district but no one has yet come along to purchase the shore farm of Mr. William Condon that is offered for some time now. It is a great opportunity for some young and enterprising farmer.

Mr. Ben Clow with the assistance of Mr. Benjamin Miller has been tearing down and removing his old lobster factory. That is a sign that business is changing.

Mrs. Edward Miller, who spent a few weeks with her parents at Ver-

non River returned home last week. We regret the illness of her mother, but hope she is on the way to a speedy and complete recovery. Mrs. William Clow is a sister and has been visiting there lately.

We are glad to report that the people in our locality who have had operations in the past few weeks are on the fair way to recovery for which we are all thankful.

The Women's Missionary Society of the Presbyterian Church here held their December meeting at the home of Mrs. Fred Johnston on the evening of Tuesday the 2nd of December commencing at 8 p. m. Our Society has had a very successful and prosperous year and the invitation of Mrs. Johnston to meet at her home surely guaranteed a large attendance as there was such a large number of members who are seeking additional education. They believe the applicants realize more keenly than ever before the value of education and extra knowledge in their particular line of endeavor.

The total enrollment to date for the extension courses has reached more than 10,000 with several classes yet to start. In addition, more than 2,000 students have enrolled in correspondence courses. A total of 40,000 men and women is expected to be studying the various courses by the end of the academic year.

The most popular course is one in the classics, given twice a week by Professor Robert E. Rogers, of “snob” fame. Other subjects accord excellent attendance are correct English, social psychology, international affairs, retail credit and collecting, and stenography. Financial courses are more popular than ever.

She (to the elevator man) “Can't you go any faster?”  
Elevator man: “Sure, but I have to stay with the elevator.”

“Is your wife artistic?”  
“Artistic? Why she's so artistic that she doesn't care how the soup tastes so long as it is a pretty color!”

“Sore's Flea Before It—There are many who have been afflicted with sores and have driven them away with Dr. Thomas' Electric Oil. All similarly troubled should lose no time in applying this splendid remedy, as there is nothing like it to be had. It is cheap, but its power is in no way expressed by its low price.”

O'Leary and Vicinity  
Congratulations are extended to Mr. and Mrs. H. A. Jelly upon the arrival of a new baby boy Roy Allan, on Nov. 19.  
Mr. Heber Ellis and his son Charles were recent visitors to Summerside.  
Mr. Frank Platts of Summerside recently spent a holiday at his old home here.  
A rumor was circulated recently to the effect that the large new rink was not going to be in operation this year. This however is incorrect as a meeting was held recently to make arrangements for the coming season. Mr. William Bernard was appointed secretary and tenders have been called for a caretaker for the rink for the season. Many not only from O'Leary but also from sections at a considerable distance from the village took advantage of the opportunity to attend the hockey matches and enjoy a skate last year and will be glad to know that they will have the privilege of repeating the experience this coming season.  
Mrs. Chester Easter accompanied by her son George and her two daughters, Geneva and Janetta, were visitors to Summerside on Friday.  
Mr. George Ellis of Springfield has been appointed a delegate to attend the Maritime Board of Trade which meets in Moncton on the 3rd of December. Mr. A. J. Matheson, President of the Alberton and West Prince Board of Trade will also be in attendance.  
Mr. Ray Jelly has returned to his home in Toronto after having spent a two weeks holiday with his parents, Mr. and Mrs. John Jelly.  
Mr. and Mrs. Percy Kinch accompanied by the latter's sister, Mrs. Edgar McArthur and Mr. McArthur and also Mrs. Mallett motored from Alberton on Friday and spent the afternoon here.

Stubborn Coughs Ended by Recipe, Mixed at Home

Here is the famous old recipe which millions of housewives have found to be the most dependable means of breaking up stubborn, lingering cough. It takes but a moment to prepare and costs little, but it gives real relief even for those dreaded coughs that follow severe cold epidemics. From any druggist, get 2½ ounces of Pinex, pour it into a 16 oz. bottle and fill the bottle with plain granulated sugar syrup or strained honey. Thus you make 16 ounces of better remedy than you could buy ready-made for three times the cost. It never spoils and tastes so good that even children like it.  
Not only does this simple mixture soothe and heal the inflamed throat membranes with surprising ease, but also it is absorbed into the blood, and acts directly upon the bronchial tubes, thus aiding the whole system in throwing off the cough. It loosens the germ-laden phlegm and eases chest soreness in a way that is really astonishing. Pinex is a highly concentrated compound of genuine Norway Pine, containing the active agent of creosote, in a refined, palatable form. Nothing known in medicine is more helpful in cases of distressing coughs, chest colds, and bronchial troubles.  
Do not accept a substitute for Pinex. It is guaranteed to give prompt relief or money refunded.

MILLVIEW AND VICINITY

On the night of Monday, Nov. 24th, there passed away at Pownal, in the 78th year of his age, Mr. Alexander Weatherbie. The late Mr. Weatherbie was born in Mt. Allison, where he lived until three years ago, when he moved to Pownal. The deceased had been in his usual health until within a few weeks ago, when he succumbed to a disease, from which he never rallied and he steadily grew weaker until the end came at the above mentioned date. All that medical skill and devoted attention could do was done, but God willed otherwise, as we know, death always has an excuse. Mr. Weatherbie was a first class carpenter and a man of excellent qualities. A good neighbor and ever ready to lend a helping hand. The funeral services were conducted by the Rev. Mr. Ewen McDougall and Rev. Mr. H. E. Campbell. Mr. McDougall took his text from the 14th chapter of St. John. The hymns were “Safe in the arms of Jesus.” “The hour of my departure comes.” “Sweetly sounds the name of Jesus.” There
