

DO you suffer from sour stomach, heartburn, chronic dyspepsia, pains around the waistline or in right shoulder blades, biliousness or colic? If you do, your liver is probably to blame. Keep the bile in a fluid state by Marlatt's. It tones up the liver, prevents bile stagnation, strengthens the stomach functions and keeps the intestines active and normal.

COMING SPORTS.—The Georgetown Exhibition Association is putting the track in splendid shape for the horse races on July 25. They have built eight new stalls, repaired the fences and made wonderful repairs to the track. The track will be one of the fastest on P. E. Island. Good prospects for a large gathering is expected.

SUDDEN DEATH.—Seldom have the people of Georgetown been more shocked than when they learned of the death of Mrs. Harry Thistle, which occurred at her home on Saturday, July 14th, after a short illness. It mattered little what came or went she had a cheery smile and a pleasant word for everybody. Her passing will mean a great loss to her many friends, but while all shall miss her, it is in the home her loss will be felt most keenly. She was a devoted member of the Roman Catholic church and was visited frequently by her pastor, Rev. O. Kiggins. She leaves to mourn three sons, in the United States, namely, Herman, Henry and Frank; one son, William, in Western Canada, besides her sorrowing husband and another son, Charles, at home. One brother, John Fraser, of Summerside, and one sister, Mrs. Laundry, of Lower Montague, to whom sincere sympathy is extended. May her soul rest in peace.

ISLANDER DEAD.—Mr. T. E. Morrissey received a telegram from Rudolph McPhee, of Moosejaw, stating that his father, Mr. Angus Dan McPhee had died Sunday, July 8, after a short illness. The late Mr. McPhee left Georgetown about fifteen years ago. Before going to Moosejaw he was employed as post master of Georgetown for a number of years. Possessed of a splendid and sympathetic loving and kind disposition and of a gracious manner, he endeared himself to all with whom he came in contact. He was a devoted member of the Roman Catholic church. In the loss, the immediate relations have sustained, there goes out a feeling of deep sorrow to his wife and family. The many beautiful floral tributes, spiritual bouquets and mass cards, testify to show the high esteem in which he was held. He leaves to mourn, besides his widow, nee Catherine McCormac, of Broughton Island, four daughters and two sons. The daughters are Mrs. Coleman, of Edmonton, Mrs. Kelly, Mrs. Thackery, and Mary, of Moosejaw. The sons are Rudolph and John, of Moosejaw, all of whom have the sympathy of the whole community.

Stop the Cough.—Coughing is caused by irritation in the respiratory passages and is the effort to dislodge obstructions that come from inflammation of the mucous membrane. Treatment with Dr. Thomas' Electric Oil will allay the inflammation and in consequence the cough will usually stop. Try it and you will be satisfied.
