

OUR BIG OVER PRODUCTION SALE STARTS THURSDAY DEC 1ST

"This Store Will Not Be Undersold"

This has been our business motto for 21 years. Our success has been due to this principle. We will maintain this principle for our future success. Not only do we sell as low or lower than other stores, but we insist on all our merchandise being trustworthy and dependable. Our methods are truthful and our service satisfactory or money cheerfully refunded.

Our Both Factories have taken Stock and we find that we have too much Goods Manufactured and to do away with all our over Production of Stock the firm has taken this step to get clear of it, by putting on an IMMENSE SALE for 20 DAYS of the Finest Manufactured Ladies' and Men's Ready to Wear Clothing, Dry Goods and Furs, regardless of cost.

Never in the history of retailing do we recall a like opportunity at the beginning of a season. It is a chance worth coming hundreds of miles to take advantage of. There's something here for everyone and for every use; Something that's new, up-to-date and thoroughly desirable, at a price which makes buying a positive economy. Take our advice and buy as much as you can. The more you buy now the more you'll save later on, for it may be years before you'll again have such a chance to buy so much for so little money.

Special Notice ?

The preparations for this event were so extensive that we'll have new bargains to add every day of sale. As soon as any of the lots are sold out, other equally great bargains will then take their places.
