Wildcats Play Rings Around Home Team For Fourteen To Three Win

Stellarton Players Widely Outclassed Until Third Period—Chester Gregory Unable To Play

STELLARTON, Feb. 7.—Completely outplaying their opponents in every department of the game to 3 victory over the Stellarton team here last night. The visitors showed wonderful hockey ability all through the game and worked like a well oiled machine.

Combination, poke-checking and fast skating won the game for the Wildcats and they gave the four-

Crescents Win Over Wanderers 3-1

HALIFAX, Feb. 7.—Crescents scored their second victory of the week over the Wanderers, and their first win in the second round of the Halifax Amateur Hockey League schedule, by scoring a 3 to 1 decision over the Reds in a regular league tilt at the Marks-Cross Arena Saturday night.

Slightly more than one hundred spectators saw the game, but the tilt was interesting most of the way and deserving of better support.

Wanderers front-liners furnished unexpected opposition and the Blue and Blacks were forced to show their best to edge out a win.

Sensational net-minding by Jack Lewis and Cyril Hanrahan kept the score down. The goalies were never better, and both were forced to show their wares all the way. Lewis was peppered most of the way but came through except on three occasions.

A scoreless first period reminded the fans that they were in for a real game. Several times the Reds threatened the Crescents net by sweeping down the ice on combination plays, but Hanrahan let nothing in. Lewis had his work to do also, but turned them all aside.

"Whispering Wires" Makes a Big Hit At First Showing

FOX FILMS Version of Noted Stage Play a Thriller in Every Sense of Word.

If you were a beautiful girl whose father had been mysteriously slain at midnight and were informed that the same fate was in store for you, what would you do? This is exactly what confronts Miss Stewart, playing the part of Boris Stockbridge in "Whispering Wires", Fox Films thrilling version of the noted stage hit of the same name. The photodrama opened its day engagement at the Prince Edward Theatre yesterday and went over with a bang. It will be shown today at the Strand. Put it on your "must" list.

Albert Ray, who directed the picture, caught the spirit of the stage play and has produced a thriller in every sense of the word. He has improved on the original by intelligent use of the sweeping scope of the camera. Not once did Mr. Ray fail to extract the utmost from the many possibilities presented in J. G. Rigby's adaptation of the play.

Two comedy detectives, played by Arthur Housman and Mack Swain, supply some of the best humor this reviewer has seen in a long time. The "bells" in question are so laden with ammunition etc. that they resemble portable grenades. McCarthy, played by Housman, is more busily engaged in paying attention to the pretty maid (Cecile Evans) than in solving crime and the scenes wherein the dumb detective tries to make a hit with her are hilarious in the extreme.

"Wife Shy" a hilarious two part comedy and Pathe Review complete this excellent program. I want a good laugh come see it.

STRAND Last Time Today At 3.15, 7 and 8.45

Rosenburg Gave Bushy Graham Bad Trouncing

NEW YORK, Feb. 7.—The bantamweight championship of the world was vacant today, the second of the lighter class to lose its holder within a year through inability to make weight.

But despite his abdication from the bantam throne, Charley Phil Rosenberg proved last night that he still is one of the greatest of the present day little men when he battered Bushy Graham, curly-headed title aspirant, for 15 grueling rounds in Madison Square Garden.

Rosenberg vacated his title in accordance with the articles of agreement for the match when he scaled 122 1/2 pounds, four and a half over the class limit, at weighing time yesterday. He then announced his intention of campaigning in the future among the featherweights, another class that lost its champion when Louis Kid Kaplan gave up his crown last June because of difficulty in paring down to the 126 pound limit.

Graham scaling 117 1/2 could have gained the championship by victory in the scheduled title defense last night. But the dancing master of Utica, almost frail beside his rugged opponent was whipped and battered throughout.

After winning the championship from Eddie (Cannonball) Martin on a decision in March, 1925, Rosenberg staged his last title defense against Ed Shee of Chicago, five months later.

Shortly after his knockout victory in that match, Rosenberg found himself in weight difficulties. He was indefinitely suspended by the New York Boxing Commission over a year ago for failure to meet Graham, picked as the logical contender. The solemn reinstated him when he agreed to meet Graham and vacate his title in the event of failure to make the class weight limit.

Moncton Loses To Petitoodiac

PETITODIAC, Feb. 7.—The Petitoodiac hockey team defeated the C. N. R. team by the score of 2 to 0 Saturday. Spectacular goal tending by Smith was largely instrumental in applying the whitewash brush to the Moncton outfit, while Melanson in the net for the C. N. R. team had an off night.

The game was clean throughout only a few minor penalties being imposed. R. Smith and Mann were responsible for the two scores for the home team.

Over 100 Horsemen Likely to Attend

WOODSTOCK, Feb. 7.—Upwards of 100 horsemen from Northern Maine and New Brunswick are expected to visit Woodstock on Wednesday for the annual meeting of the Maine and New Brunswick Harness Racing Circuit and the annual mid-winter east-together banquet of the Down East racing club which follows.

Word has been received from W. H. Grocher, secretary of the National Trotting Association that he will be here from Hartford, Conn., to explain the new classification rule that is based on money won instead of time records. The season's racing schedule will be set by an officer elected for the ensuing year. President F. O. Creighton, of Woodstock, will preside.

Queen Square Ice Sports

The annual ice sports for Queen Square School are to be held at the Arena rink on Friday next.

The usual program of races, hockey, clown skating with band etc. will provide a full night's entertainment.

It is expected that this year's program will be even better than that of previous years—which is saying a good deal.

Show the boys that their efforts are appreciated by being on hand Friday night.

Acadia Will Meet Abegweits Tonight

Tonight at 8.15 the Acadia Hockey team will try conclusions with the Abegweits in the first of two exhibition games.

Acadia has a fast working hockey machine having met the Kentville Wildcats in their own rink and were able to pass Barnaby for four quarters, losing the game by the score of 10 to 4.

They have also met and defeated Dalhousie 3 to 1 and were defeated by Mount Allison 3 to 1.

The showing that counts in comparison to the Abegweits is the Kentville game.

The Abegweits were only able to get a lone tally against the Wildcats in two games, Acadia scored four times in one game.

With the Abegweits in better shape and fully organized since the game with Kentville it will be just a matter of a toss up on the gamewatchers, losing the game by the score of 10 to 4.

Two island boys are directing the destinies of the Acadia team, Manager Gordon Gordon, son of Mr. J. P. Gordon, Longworth Avenue, City and Coach Fred Kelly, who needs no introduction to the sport loving people of Charlottetown.

"Swede" as he was known by athletes proved himself a valuable player and with his long experience on the Champion Abegweits team he no doubt prove just as valuable as a coach to Acadia.

Everybody will be more or less interested in the outcome of these games as they will have an interest in both teams and will want to see how the island boys can coach as well as how the Acadia boys will play against the visiting team.

Acadia team arrived in the city last night in the pink for the fray and the Abegweits are right on edge going so that the fans should be treated to a real lively contest.

The following is Acadia's lineup:

Goal—C. McKenna
Sub Goalie—A. Ferguson
Defence—R. B. Johnson, B. S. Elderkin
Forwards—R. B. Eaton, J. Johnson, W. Payzant, A. J. Brady, W. Barteux, H. Matthews.
Manager—D. H. Gordon.
Coach—Fred Kelly.

Jack Dempsey on Road to Recovery

(Canadian Press)

LOS ANGELES, Calif., Feb. 7.—Jack Dempsey, who is confined to his bed at his home here with blood poisoning, was believed to be on the road to recovery today. His physician, Dr. Warren Clark, late last night declared that the danger period probably would be passed today.

The poisoning is said to have started from a slight scratch on the middle finger last week while Dempsey and his wife, Estelle Taylor, the film actress, were in a motor trip to San Francisco.

Dempsey was to have started for his mountain camp tomorrow to begin training for his effort to regain the heavyweight title which he lost to Gene Tunney, but the poisoning has caused at least temporary abandonment of that program.

Bisley Team to Sail on Ausonia

MONTREAL, Feb. 7.—Canada's Bisley team for 1927 will sail from Montreal on Friday, June 10, by the Cunarder Ausonia, according to the announcement made by the Dominion of Canada Rifle Association. Although no names have been mentioned as yet in connection with the travelling arrangements, it is probable that the team will consist of twenty members.

Last year the Canadian Bisley team members were very successful and won prizes at Bisley amounting in value to almost \$2,000. It was generally considered to be the most successful representation for the Canadians since the war. The chief exploit of the team was the capture of the Rajah of Kolar's Imperial Challenge Cup, which they brought to Canada for the tenth time, and for the second year in succession. Other trophies carried off by members of the team were the Clement-Smith Trophy, the High Commissioner's Cup, the Canada Club Gold Watch, and the City of London Rifle Club Cup. Many other prizes were also won, including 15 in the grand aggregate, 3rd, 4th and 5th place being taken in the latter. King's Barges, Crown's Crosses, and other service rifle badges were also won by various members of the team.

Last year, Major C. R. Crowe was commandant of the team, and Major R. O. Wheaton, M.C., adjutant. The team used the Cunarder Ausonia, returning on that ship in August.

Second Abbies Nose Out R. N. C. V. R. 2-1

The R. C. N. V. R. received a bitter set-back last evening at the hands of the Intermediate Abbies when they lost a hard fought and closely contested game by a score of 2 to 1.

For the full three periods both teams battled to a 1 all deadlock. It being necessary for an overtime of ten minutes to break the tie.

Earl McDonald proved the score teller in the Abbies' sides last evening. This last and clever forward of the red and black counting both tallies, the winning marker coming two minutes on the opening of the overtime.

The game as a whole was featured throughout with fast and hard hockey with very little, if any, to choose between either aggregation.

Mr. Leo McDonald handled the game very satisfactorily.

The lineup:

R. C. N. V. R. 2nd Abbies

Goal	W. Collins
Defence	J. Harper
Forwards	U. Blanchard
C. Ryan	E. McDonald
J. Brennan	H. Stevenson
G. McMahon	J. D'Oron
G. Connolly	J. Squarbriggs

New Glasgow Players Win Game

NEW GLASGOW, Feb. 7.—The New Glasgow Speed Boys opened their season last evening at the Arena rink when they defeated the Pottery team by the score of four to three. The game was one of the most exciting seen in the rink for some time and was witnessed by a large crowd. The Speed Boys played great hockey throughout and are developing into one of the best teams in the country. They are now waiting for games with some of the other colored teams in the Province and it is possible that they will travel to Toronto on Tuesday and play the colored team of that town. The Pottery team, a newly formed team played good hockey and it is expected that they will be a hard team to beat in the course of a few weeks.

Clark Sad Over Injury to Former Classmate

FREDERICTON, Feb. 7.—Captain Alden Clark of the Fredericton Hockey Club was the saddest person in the more than 400 who returned to Fredericton from Saint John last night. Four o'clock this morning on the hockey special train.

It was not because Fredericton had lost its fight in the second round that the captain was sad, because unless the most unexpected thing happens Fredericton is absolutely sure of winning the second round and thus getting into the playoff. It was because he happened to be the player who crashed with Carl Fraser, when the Saint John team's captain suffered head injuries which required three stitches.

Both Clark and Fraser are former Acadia University hockey stars and close friends and it was but natural that the Fredericton captain should feel badly even though Fraser's injuries were entirely accidental and not caused by rough or illegal play.

POTATOES O'BRIEN.

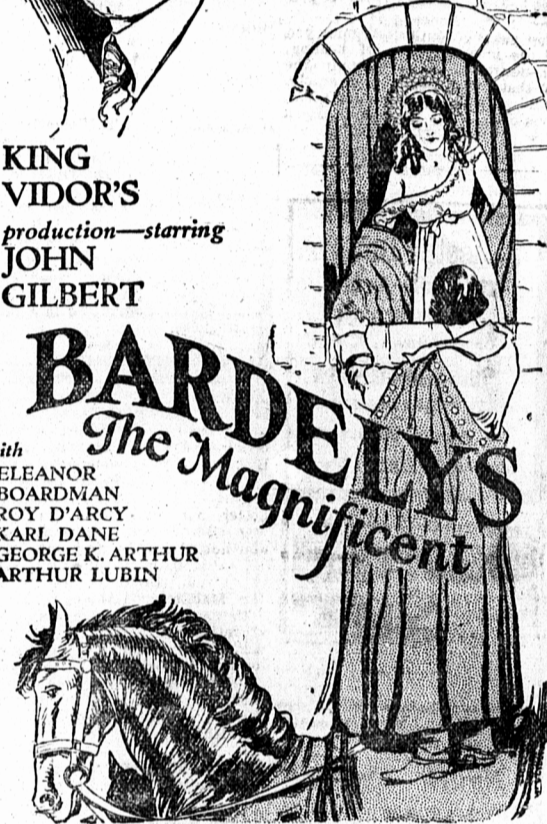

The other day, in a cafe, the menu listed "Potatoes O'Brien." To my astonishment, they were nothing but Irish potatoes; fried this time.

Stuffed Baked Apples

STUFFED BAKED APPLES. Pare and core large apples. Fill the centers with chopped dates, or with seedless raisins. You may dust with cinnamon if you wish.

If you prefer to leave the peel of the apple on it, prick the apple to let out the steam that the apple may not burst. Add a little sugar and a dot of butter to the top of each apple, put the apples in a deep pan; add a small cup water and bake slowly, basting occasionally. Serve with cream.
