GOOD RECORD.—There were no cases before the Charlottetown Police Court this morning.

NORTHUMBERLAND LEAVES. — The Northumberland left Charlottetown this morning at 7.30 ffor Pictou with a fair number of passengers and a general cargo.

A RECEPTION.— The committe of Halifax and Dartmouth Catholics from the different parishes on the reception to Archbishop Stagni, papal delegate to Canada, on his arrival here on Thursday evening next, his first visit to Halifax, met again Friday night and furthered the arrangements. His grace Aechbishop McCarthy, who had just returned from P. E. Island, whither he went to attend the funeral of the late Bishop of Charlottetown, was present, and informed the committee he was advised the papal delegate would cross from St. John to Digby by steamer and arrive here by the D.A.R., Thursday evening, at 6.45. The committee met again yesterday. It has been practically arranged that the committee, members and other prominent citizens will meet His Excellency at a point along the D. A. R., and that he will be welcomed at North Street Station by Archbishop McCarthy, who will have preceded him from St. John after the consecration of Bishop LeBlanc. Representations of all the Catholic societies of the City and Dartmouth will also be on hand at the station to welcome his excellency and will accompany him to the cathedral, where the address from the clergy and laity will be read and benediction given. It is proposed to outline the facade of the cathedral front in incandescent lights for the occasion of the reception.—Exc.

E. GALLANT DEAD.—The death occurred at his home in Charlottetown yesterday after a lingering illness of Eusabe Gallant, for many years a boarding house keeper in this city, and proprietor of the Cavendish House Mr. Gallant, during his long illness, was tenderly cared for by his loving wife and friends and passed peacefully away after a useful life well spent. Besides his wife the following sons and daughters servive to mourn the loss of a kind and indulgent father. Mrs. James Farley, Boston; Mrs. Thos. Meek, Charlestown; Mass; Mrs. John Cronan, Charlottetown; Mrs. Marin Blanchard, Rusticoville; Mrs. John Monaghan, Lot 48; Mrs. Emile Raymond, Havana; Miss Sophia, Boston; Joseph, John and Jeremiah, Charlottetown; Peter of O'Leary. The funeral notice will appear later.

HOCKEY.—Following will be found a few clipplings from the Halifax Echo which will prove very interesting reading:—Moncton's representative, W. S. Davidson, got up at the meeting the other night and proposed that the home team allow the visiting team 20 per cent of the gate receipts, in return or the same consideration when they would play the return match. In his proposal he was backed up by Sydney and to a certain extent by Chester Gregory representing New Glasgow. Gregory did not exactly want the 20 per cent business but asked for a guarantee of $100. Toby MacDonald to tell the truth did not seem very anxious either way. His object plainly was to try and help out the league in their difficulties caused by the inclusion of Sydney. As was to be expected the Halifax managers absolutely refused to have anything to do with the proposition, and then our outside friends decided to interview Mr. Mahar of the Arena Rink Company. Mr. Mahar met the Moncton, New Glasgow and Sydney representatives about 2 o'clock and intimated to them that the Arena Company would not for a moment entertain the idea. "That is good enough for us, Moncton will have no team in the league" was the reply of Davidson. That is where the matter finished.—Gregory is well known in Charlottetown.

FACE COVERED WITH PIMPLES

Spread on Limbs. Red and Inflamed. Became Sores. Had to Tie Hands While He Slept. Well, Thanks to Cuticura Soap and Ointment.

St. Cesaire, Quebec.—"My child was scarcely two months and a half old when his face and arms became covered with little red pimples which a little later spread on his limbs. The pimples were very red and inflamed. They were like a little red spot which soon became a little larger and raised up. There were four or five together. These pimples caused him to scratch so that we had to tie his hands while he slept. The itching made him suffer so much that he cried part of the night, waking up most of the people in the house. The pimples became sores and were very painful.

"I used without success several remedies which were recommended to me. I then used Cuticura Ointment and Soap, giving him a bath every morning with hot water and Cuticura Soap, and then applied a thin layer of Cuticura Ointment on the parts affected. They gave great relief with the first application. After using one box of Cuticura Ointment and a little more than one cake of Cuticura Soap my child was completely cured. Thanks to the Cuticura Soap and Ointment my baby is perfectly well, and I shall always have them at hand." (Signed) Mrs. N. Jobin, Jan. 4, 1912.

Cuticura Soap and Cuticura Ointment are sold throughout the world. A single set is often sufficient. Liberal sample of each mailed free, with 32-p. Skin Book. Address postcard Potter Drug & Chem. Corp., Dept. 37D, Boston, U. S. A.

AShort Talk About Island Chocolates

Why are Island Chocolates First-class? One reason is that your Island cream—Butter, etc.,is as good as the best on earth. Another reason is that I have been making high grade chocolates for 25 years. With the best materials in the world why should I not be able to make the chocolates as good as the best? I AM making the ISLAND CHOCOLATES to my mind BETTER than anything you have had. I KNOW they are BETTER even if I cannot convince you.

WHY NOT get away from the unpatriotic and unjust assumption that goods made away from home are better than the Home made.

In the United States everyone shouts for his HOME TOWN and the GOODS made their. That is one of the secrets of the Yankees' success.

Try it in CHARLOTTETOWN. AND SEE HER GROW.
