1st. S'Side Troop Boy Scouts Camp A Great Success
 This troop went into camp Wednesday morning 20th July until Thursday 28 July at Fernwood, Bequee, there being 29 boys in camp.
 A start was made from Summerside at 9.00 A. M. and the troop and equipment arrived at Fernwood at 10.10 A. M.
 Setting up camp was started at 10.30 A. M. and all tents, dining shelter, etc. were up and ready for occupation by 12.00 noon, when Rev. W. J. Phillips and 3 Scouts of the Alberton Troop arrived and all sat down to a picnic lunch. The afternoon was passed in making camp really comfortable.
 Just before dusk S. M. Wm. Warren and A. S. M. Stuart Leigh arrived from Provincial Headquarters to act as assistants to the Camp Chief in instructing the boys and passing them in the various Scout tests.
 At 8.30 P. M. a brief Council Fire was conducted by S. M. Warren and closed with the camp blessing by the camp Chief.
 During the camping period a number of boys passed in 2nd class Scout tests such as fire lighting, semaphore signalling, compass reading, and cooking.
 Swimming was indulged in daily. Morning dip at 7.00 A. M., for those who wished and full bathing parades at 11.15 and 4.15 when instruction was given in swimming to those who had not acquired the art.
 Tracking hikes were the order for afternoon which were enjoyed by all.
 A. S. M. Moore had offered a prize for the Patrol gaining the most points during camp and this caused the keenest rivalry.
 The nightly Council Fires were enjoyed by all—opening with "O Canada" Scout Yells, and songs and some instructive talks on the various Scout Laws by the Camp Chief, S. M. Warren, A. S. M. Moore and Leigh.
 S. M. Warren one afternoon gave a very instructive lecture on map planning which should be of great benefit to the boys when passing for 1st class Scouts.
 Sunday 24th July was set for visitors and a "Scouts Own" service. Unfortunately the afternoon turned in very wet and not many visitors were able to make the trip. Despite the weather the Service was conducted in the Dining Shelter—Service was opened by the reciting of "The Camp Law" prayer by the camp chief. P. L. Billy Johnston read the 23rd Psalm and A. S. M. Moore read 1 to 18 V. Chap. St. Matthew. Prayers by A. S. M. Leigh and a splendid address on "Love" by S. M. Warren. Hymns "Onward Christian Soldiers" and "Abide with me" were sung very lustily. At the close of the service the special camp blessing was delivered by S. M. Warren.
 Following the Service a full invigilation of two scouts was held. This impressive ceremony was held on the parade grounds and followed with great interest by the visitors present.
 The boys taking the invigilation were C. A. Brennan and Read Stuart.
 S. M. Warren addressed the Troop in behalf of the Provincial Commissioner who, owing to being absent from the Province was unable to pay his official visit to the camp.
 The Roman Catholic boys of the Troop were taken to 7 Mile Bay R. C. Church for Mass on Sunday morning by the Camp Chief and A. S. M. Leigh in cars.
 On Tuesday morning 15 boys were passed as proficient in swimming for 1st class Scouts, and during the day a Trestle Bridge was constructed over the ravine leading to the playing fields.
 Mr. Parent, Provincial Secretary paid an official visit to the camp remaining overnight and made a thorough inspection of the camp and expressed himself as greatly satisfied with all camping arrangements.
 Wednesday, 27 July was scheduled as visitors day and preparation was made for that entertainment.
 As this was practically the last day in camp, A. S. M. Leigh in compliance with previous arrangements made his recommendation of one of the boys to be Troop Leader, and recommended that 2nd leader C. Hallett be given this appointment. The promotion was approved by the Camp Chief and orders confirming the promotion posted on the camp notice board. Scout Hallett has been camp quarter master in charge of supplies etc.
 The programme for the entertainment of the visitors was as follows:
 Scouts rally round the flag and salute followed by Scouts yell and Troop yell.
 A message of welcome was semaphored into the camp and delivered to the visitors.
 Display of rope spinning by some of the boys.
 First Aid demonstration of bandaging an injured person and the carrying away of the patient on an improvised stretcher.
 Demonstration of Artificial Respiration of an apparently drowned person by the Schaffer method.
 Boxing bouts between several of the boys.
 The bathing parade was attended by some of the visitors.
 Several visitors remained for the Council Fire which for their benefit was lit at 7.45 and carried out with usual ceremony. Brief addresses to the boys on Scout Law were given by the Camp Chief, S. M. Rev. Phillips (Alberton Troop) and A. S. M. Leigh. The Council closed at 8.30 P. M. with "The King" and special prayer by Rev. Phillips.
 Our last morning in camp broke with very heavy rain which fortunately cleared shortly after 8 A. M. As tents were all very wet it was decided to leave all standing as long as possible so as to have them dry for packing. The sun came out in full strength and tents were all dry by 11 a. m. Striking tents commenced at 1.15 p. m. and by 2.30 p. m. all tents and canvas shelters were down, loaded and on the way to Summerside and thus ended a very enjoyable and instructive camp of eight days.
 The thanks of the officials and boys of the 1st Summerside Troop are due: 1st to Mr. Harrison McFarlane who so kindly gave the camp site and also to Master and Miss Connie McFarlane for their many acts of kindness.
 2nd to those ladies and gentlemen of Summerside who provided transport by car for the boys in going to and coming home from Camp—Miss Gladys Holman, Mrs. Brennan, Mrs. H. S. Mutari, Mrs. Lucas Allen and Messrs E. T. Foley, Mark Gaudet, Dr. Sinclair, W. J. Lidstone, P. G. Clark, A. S. McKay and Oliver McNeill.
 3rd to Messrs. Bruce McKay and Co. for truck for transport of heavy baggage.
 4th to Messrs R. T. Holman Ltd. for a radio receiving outfit.
 And last but not least to S. M. Wm. Warren and A. S. M. Stuart Leigh who so kindly and efficiently assisted the Camp Chief in every possible way to make the 1932 No. 3 P. E. I. Boy Scout Camp the success it was.
ERNEST J. HALLETT

PLATE GLASS BROKEN—An altercation between a sailor from one of the warships and a local man last evening about 7.30 resulted in the breaking of a plate glass window in Howatt's shoe repair shop. It appears that the local lad was armed with a stick and the sailor with only nature's weapons. In the heat of the battle the former crashed into the window. The sailor was placed under arrest by the police but the other combatant escaped.

BOYS MISSING—Two lads Russell Smith and James Gillis, aged fifteen and sixteen respectively are reported missing from their home on Chestnut Street since Monday last. The lads are alleged to have gone on a fishing trip, but have failed to turn up.

 strength by polling 14.4 per cent of the vote. Scattered on the left was 1.8 per cent of the votes.
 These final percentage returns were based on the preliminary final figures and accounted for 99 per cent of the vote cast.
BERLIN, Aug. 1.—(Monday)—(A.P.)—Provisional final returns from yesterday's Reichstag election, with a few precincts in two out of the 35 electoral districts missing, are:
 National Socialists—13,732,000.
 German Nationalists—2,174,000.
 Populists—436,000.
 Economic—146,000.
 Christian Socialists—362,000.
 Farmers—91,000.
 Total right groups—16,641,000.
BERLIN, July 31.—(A.P.)—Four-fifths of Germany's 44,000,000 voters elected a new Reichstag today and if early returns were a barometer they decided that Adolf Hitler, fiery Fascist leader, shall not take exclusive charge of the fatherland's affairs.
 Although his National Socialists polled more votes than any other single party, on the basis of early returns they ran almost exactly as in the Prussian Diet election when they obtained 38.3 per cent of the total. At the run-off Presidential election on April 10, the Hitlerites obtained 37.8 per cent. While the Hitlerites, as well as the social democrats, on the basis of the first one-fourth of today's returns regained stationary, the Communists gained, coralling 15.3 per cent of the ballots, as compared to their former percentage of 12.8.
 With 26,280,000 of the approximately 35,000,000 votes counted, the news agency reported the party standings as follows:
 National Socialists, 9,537,000.
 Socialists, 5,739,000.
 Communists, 3,965,000.
 Centrists, 3,319,000.
 Deutch National, 1,579,000.
 Bavarians, 797,000.
 Populists, 329,000.
 State's, 281,000.
 Christian Socialists, 241,000.
 Economic, 103,000.
 Farmers, 22,000.
 Scattered, 404,000.
 Polls watched over the balloting and no serious election-day disorders were reported, but ten persons were killed in over-night political brawls, winding up a bitter and bloody campaign.
 As the German people feverishly awaited complete returns from the election, upon which seats in the new Reichstag will be allotted, one group of men serenely stood above the din of the electoral battle and seemed unaffected by it. That group was Chancellor Von Papen and his fellow Cabinet members, who on June 1 by a virtual coup d'etat, took charge of Germany's destinies.
 Far from considering itself an interim Cabinet, the Von Papen group while envisaging this or that replacement, was convinced that it would continue to govern because it was unfettered by party dictates.
 In the past Cabinets have been formed only after the designated Chancellor assured himself that the parties on whose support he counted approved of his co-workers and had their representatives properly appointed in the cabinet.
 Members of Chancellor Von Papen's Cabinet felt, however, that the new Reichstag would not dare to unseat them, both because President Paul Von Hindenburg stands solidly behind them and because they regard the German people as thoroughly sick of government by what the Von Papen supporters consider

 duties owed by each to its domestic industries and other vital interests.
 The South African statement holds that the primary function of the conference is to conduct an examination of ways and means whereby members of the commonwealth can co-operate in extending mutual trade. "It is submitted," the statement adds, "that this object is not best served by a statement such as that under consideration which aggregates the trade of the Dominions with Great Britain and consequently reflects a favorable trade balance for the Dominions."
 Here are a few points from the South African statement:
 "If figures are examined in their true perspective the balance of trade is definitely in favor of the United Kingdom.
 Table 2 of the British statement (this analyzes British imports from foreign countries and the Dominions respectively) does not truly reflect the Union's absorption of British goods, nor the increasing market which it has offered those goods. The Union would see nothing unreasonable or unnatural in South Africa produce being subjected to duties in the market of the United Kingdom for the protection of the domestic produce of the latter. The Union would welcome preference for the Dominions over foreign produce.
 The British statement on visible balance of trade "is not a true reflection of the position as between Great Britain and the Union."
 Table 3 of the British statement (on favorable and unfavorable balances of trade as between Great Britain and the Dominions) contains a "rather misleading computation."
 "The South African statement proceeds to challenge the British statement in some detail and concludes with a reiterated offer of reciprocal concessions.
 "If the United Kingdom are able to meet the wishes of the Union delegation in regard to assistance to certain products," Mr. Havenga declares, "the Union delegation will be prepared to give favorable consideration to requests from the United Kingdom for additional preferences on commodities which offer the greatest possibilities of an increase in trade to the mutual benefit of both countries.
 "It is suggested that a discussion of these lines take place as soon as possible."

GREATEST
 (Continued from Page 7)
 and Gass, White and Houston, are the strongest ever produced here and will be watched with interest in the big open tournament to be held here August 8th to 15th.
 The semi final match in men's singles between A. S. Dickson and Alan Stewart was a fine contest which the 1931 champion won in straight sets.
 In ladies doubles Misses M. Black and V. Harrington provided an upset by defeating Misses J. Tait and M. Stewart in three sets. Miss Black's back line steadiness and Miss Harrington's ability to cover all corners of the court provided the punch necessary to win over their strong opponents who were generally favored to win. The winners will face Miss E. Bourke and her sister, Mrs. Geo. Wood in finals today.
RESULTS OF SATURDAY'S GAMES
 Men's singles, semi-finals: Dickson won from Stewart 6-2, 6-2, 6-1.
 Men's doubles, semi-finals: White and Houston won from Hutchison and Tees, 6-3, 6-2, 6-3.
 Stewart and Gass won from Dickson and McDonald, 9-7, 6-7, 6-4, 6-4.
