Ryan Hurls Three Hitter To Put Abbies Into Series Lead

A combination of air-tight pitching by Charlie Ryan and an infield that dished out senior calibre ball behind the big right hander was too much for the Curran & Briggs nine yesterday and the Charlottetown Abegweits defeated the construction crew by the score of 4 to 0 on the C. & B. diamond to snatch a 2 to 1 lead in the final series for the championship of the Prince Edward Island Physical Fitness League.

Ryan was at the peak of his pitching career yesterday and deserved his shutout. He didn't give up a hit until the fifth inning and after that he was touched for only two more, one in the sixth and one in the seventh. The C. & B. boys, who have been pounding the apple with vigor all summer looked pathetically helpless against Ryan's Sunday pitches yesterday.

The visitors pushed a run across in the first inning. Higson, first man up, reached first on an error at short, MacKinnon laid down a bunt that advanced him to second. Whitlock struck out, but Matheson doubled to left field to bring in Higson with the initial counter.

The game remained at 1 to 0 until the seventh inning. With one out Higson hit to right field. MacKinnon grounded to short and with a double killing in sight MacKay juggled the ball and both runners were safe. This was the most costly error of the game. Whitlock walked to fill the sacks. Matheson sent a hopper to MacKay who elected to force Higson at the plate but the ball arrived a split second too late and everybody was safe.

Lund then doubled to score both MacKinnon and Whitlock. Matheson also came over the third sack but he was run down between third and home.

Matheson's extra-base clouting featured the attack. He had a double and triple in three trips. Eddie Lund's lunge to knock down Alan Stewart's vicious drive inside the first base in the fourth inning was easily the play of the game, but there were other fielding gems. Stewart was robbed again in the sixth when Whitlock raced back of third base to gather in his fly over the third sacker's head. Stewart himself pulled off two spectacular catches in centre field of Whitlock's deep fly in the third and Goodwin's in the sixth.

Murph Chamberlain Drops Curtain On Big Time Career

MONTREAL, Aug. 31 — (CP) — Murph Chamberlain, the grizzled hockey veteran whose big-time career extended over 12 seasons, has retired.

It is likely that Murph, whose real name is Erwin Groves Chamberlain, will accept a playing-coach position with Sydney (N.S.) Millionaires of the Cape Breton Hockey League.

Murphy will be 35 years old next February, and his last six seasons have been with Montreal Canadiens. He signed voluntary-retirement papers yesterday in the National Hockey League office.

In all his career Chamberlain played with five different N.H.L. teams and for a few games of the 1941-42 seasons was with Washington of the American Hockey League.

Never famous as a scorer, Chamberlain was the tough, rugged type of player who could take his bumps and hand them out equally well. His accumulation of penalties was never favorable to consideration for the Lady Byng trophy. For this award gentlemanly conduct plays an important part.

But Chamberlain was always recognized as an inspirational player whose competitive spirit and fighting qualities lifted a sagging team many a time.

Chamberlain, a native of Shawville, Que., turned professional with Toronto Maple Leafs in 1937 after playing amateur with Frood Miners at Sudbury, in the Northern Ontario Hockey Association.

After three seasons with Toronto he went to Canadiens. The following season, after the brief pause in Washington, he was back in Montreal and then away to New York Americans, all in the same season.

In 1942-43 he was with Boston Bruins, returning to Canadiens the next season.

Chamberlain lives on and operates a farm at St. Sebastien, 66 miles from Montreal, specializing in his dairy herd.

Pyle Winner Rough Battle

MONTREAL, Aug. 31 — (CP) —Cape Breton's rugged Joe Pyle last night knocked out Johnny Tousignant of Montreal in a rough battle witnessed by 2,300 fans at the Stade Exchange here.

Pyle rallied from a succession of losing rounds to belt out Tousignant, who also fights under the name of "Johnny Price", in the ninth round of their 10-rounder.

Pyle weighed 154 and Tousignant 153 1-4.

Tousignant staggered the Glace Bay, N.S. fighter in the fifth after four dull rounds and drove Pyle into the ropes. He also won the sixth, rocking Pyle with a hard right to the chin.

From then on, Pyle took the lead, flooring the Montrealer twice in the eighth with hard punches to the midriff. A hard right to the body ended things in the ninth.

Pyle now is expected to meet either Gus Mell or Gaby (Tiger) Ferland, both of Montreal. Ferland is considered an outstanding claimant to Johnny Greco's Canadian welterweight title.

Homer Gives Arrows Win

HALIFAX, Aug. 31 —(CP) — Tommy Dulmage slapped a game-winning homer in the fifth inning here tonight to give Dartmouth Arrows a 2-0 win over Halifax Capitals. The victory gave Arrows a 3-1 game lead in the Halifax and District Baseball League best-of-seven finals.

Winning pitcher Bill Clausen gave up only five hits. His opposing hurler, Jack Halpin, gave the winners eight safeties.

Zeke Bella robbed Caps Buddy Condy, the league's home-run king, of a round trip when he stepped into the bleachers to snatch a hard-hit ball in the last of the ninth.

In the first game of a double-header at Kentville in the Central Nova Scotia final series, Kentville Wildcats defeated Stellarton Albions 7-2. Kentville won the first game of the best-of-seven series 12-4, but it was thrown out because the game did not start on time and failed to go the full nine innings because of darkness. Stellarton won the second tilt 6-3.

In the second game Wildcats came back again to whip Albions 8-2 on the power of Jack Maroney's 14-strikeout hurling. The win gave Wildcats a 2-1 edge in the series.

Great Racing Features Re - Opening Of St. Peter's Track Yesterday

Well, the re-opening of the St. Peter's Raceway certainly got away to a brilliant start yesterday afternoon when nearly 3,000 racing fans crowded the stands and grounds to witness some really outstanding racing in the big 14 event card held there.

• • •

Making it's re-entry into the Island Harness Racing Circuit for the first time since the 1930's, the new plant presented a fine setting for the day's meet, with a brand new spectators stand and adequate parimutuel facilities, and most important of all, a splendidly conditioned track which saw times as low as 2:11 2-5 being chalked up over the mile course.

• • •

The racing was keen at every stage of the meet, and came up with some smart track battles and tightly packed, close finishes, which called for the use of the photo finish camera on almost every event that was run, although not always for the first place horse but for second and third positions as well.

• • •

Although the favourites came through with their fair share of winning honors, the meet had its upsets too, with Hilda Mac upsetting the apple cart in the third heat of the No. 4 Classified event to romp home a winner after placing 5th and 4th respectively in the first two heats, to pay off handsomely at the parimutuel to the tune of $236 for a $2 ticket.

• • •

The other major upset of the meet was Lee Brewer, who, after jumping it off all day to place sixth in the first two heats and didn't finish in the third canto of the No. 1 Classified, straightened away in the first of the special dash events, to go to the front at the first turn and stay there for the rest of the race for a clean-cut victory. It was also the fastest mile trot of the day in 2:11 2-5.

• • •

Coming through with a top-notch performance on the mound for the Abbies at Summerside yesterday afternoon, right-hander Charley Ryan racked up a three hit pitching feat to send the local squad to a 4-0 victory over the Curran and Briggs nine, and take a two to one game advantage in the Island Physical Fitness Baseball League championship playoff finals.

• • •

According to reports from the Prince County capital, Ryan came through with the performance of his career and had the opposing batters completely bewildered with his stellar pitching, to hurl no-hit ball for four innings and being tagged for one in the fifth for the first time of the game, and only allowing two more during the encounter, one in the sixth and one in the seventh.

• • •

But Ryan wasn't the only factor that gave the Abbies the first shut-out victory in the playoff series, as he was getting all the support in the world from an airtight infield in a performance that was described as "senior calibre ball" that proved just a little too much for the undaunted efforts of the hard-working Curran and Briggs nine.

• • •

Despite the fact that it was a 4-0 victory, the game was nevertheless a smart encounter all the way with the C and B nine also turning in a smooth performance on the defensive, but just couldn't get to the varied slants that Ryan was wheeling in over the plate, to make it a closer scoring contest.

• • •

Although it has already been announced in this column a few days ago, that the track and field meet which was scheduled to be held at the Kensington Community Sports Centre on Labor Day has been postponed until a later date in order to make way for the Maritime invitation track and field meet and other sporting events being held here the same day, the announcement is being repeated for the benefit of those who may have missed it.

MY FAVORITE

Ola is a lady
As pretty as you please,
And to bring home the bacon
She can do it with all ease.

When Randall sits behind her
And the starter he says "Go",
Ola is out and takes the lead
And there she ends the show.

She's a credit to her owner
And the track she races on,
The winning of first money
Is the fastest she has gone.

Randall MacDonald her proud owner
Very seldom uses the whip
Because he can count on Ola
Who he knows will never slip.

Neck and neck finishes, after the fields had battled it out from wire to wire in every heat highlighted the harness racing meeting at the reopening of St. Peter's race way yesterday afternoon when an estimated 2,500 fans crowded into the enclosure to witness racing on a par with any witnessed here this season.

It was one continuous battle the trotters and pacers staged yesterday afternoon in a meeting that saw upsets occur, thrilling battles being waged from the top of the stretch to the wire that saw the photo finish camera called into use on many occasions as the field finished closely packed and strung out in a line across the fast piece of racing dirt.

It was an auspicious re-opening for a track that in the past has been the scene of many memorable racing battles and will likely be the scene of many more now that it has swung back into the Island racing picture.

Cadegan Stable Wins Two

The Cadegan stables from Glace Bay were top winners of the day as Filbert and Ohio Hal came through with victories in the first two events and in Filbert's victory his driver Worrell Lewis captured twenty five dollars in prize money for the fastest heat paced during the afternoon, the third mile of his class being in 2.12 3-5. The caretaker also came in for a $12.50 premium.

But veteran Lee Brewer climaxed the special awards when he trotted off with the dash race in 2.11 2-5 after being beaten in the number one event. It was a great performance by the doughty campaigner and owner-driver Bernard received an ovation as he was presented his prize of $25.00 by Judge, Dr. R. F. Seaman.

And then the meeting had its examples of sportsmanship. Previous to Lee Brewer's performance it had been announced that Lusticia had gone the fastest trotting mile of the afternoon but when the Brewer horse came through driver Austin Tierney, sportsman that he is immediately asked that the prize money be given to owner Bernard.

The bettors also had their moments especially in the third heat of Number four classified when Hilda Mac, owned by Clayton Green and driven by Bernard paced off with the mile to reward her lone backer with $236.00 for a $2.00 pari-mutual ticket.

The fans started to witness thrilling finishes early when Tennessee Sue and Ola Budlong staged a bristling stretch duel in the first heat of the No. 1 Classified coming under the wire inches apart with the former getting the nod; Filbert, pre-race favorite finishing fourth in the first mile wasn't to be denied in the next two, however. In the second mile he took over at the halfway mark to lead from there on but the battles for the other positions were very close with Tennessee Sue shading Ola for the runner-up spot. It was much the same story in the final mile. Filbert got away on high to stay there all the way but again the horses a length back of the leader waged nip and tuck struggles with Prince Budlong winning by a whisker from Ola Budlong for second spot.

Stiff Competition

The second event on the card provided even stiffer competition than the first one before Ohio Hal chalked up the second Cadegan victory. He had tough times in heading Quick Lick in the first two trips but in the last mile Quick Lick had his revenge as he won by a head in a driving finish with Ohio and Jessie Direct 2nd in what was another photo finish.

Mary Merk, Earle Semple's fast improving pacer chalked up the only straight heat victory of the afternoon in the third event on the card. She showed just a shade too much speed as she rounded the field on every trip but nevertheless the battles were always close as bunched field hit the seven-eighths pole before going all out in the dash to payoff dirt.

Just Flicka, giving her best performance of the season chalked up wins in the first two miles of the number four classified to make her victory a certainty but she too fell prey to challenges in the final mile as Hilda Mac taking an early lead showed lots of pacing ability in the last quarter to stave off the closing challenge that was flung at her by the Cudmore-driven Just Flicka.

Lee Brewer, taking the lead on the backstretch the first trip around showed beautiful trotting form in winning the number one dash from Eleanor G, and three other entries while Ed. McL added the final upset to the card when he raced off with the number two dash in easy fashion. He built up a tremendous lead the first half and was never seriously threatened.

It was 22-year-old Miss Looney's third consecutive victory in the annual swim. She set the course record of 2:27.7 in 1947.

Winnie Roach, 23, of Toronto finished second in two hours, 50 minutes, two seconds.

Golfing Great Dies At 59

GLENDALE, Calif., Aug. 31 — (AP) — MacDonald Smith, for 40 years one of the world's great golfers, but never a big-time winner, died today. He was 59.

The Carnoustie Scot, who tied his equally-famous brother, Alex, for the United States open crown in 1910, only to lose in a play-off, had been in ill health for years.

Despite his poor health, however, he kept up with his golf, playing frequent rounds and giving instruction at Oakmont Course here.

His best tournament was the Los Angeles open, which he had won four times.

He was a figure for decades in big tournaments, but aside from his 1910 tie, his closest to capturing the National Open was 20 years later, in 1930.

That year he almost spoiled Bobby Jones' grand slam — the four major golf titles—but finished two strokes back of the master. Three times he was within the top four in the British Open.

Saint John Club Is Eliminated

SAINT JOHN, N.B., Aug. 31 — (CP) — Saint John was eliminated from the rest of the 1949 senior baseball picture when Black's Harbor Brunswicks edged the Dodgers 4-3 tonight in the seventh and final game for the South Coast League championship.

Brunswicks used three hurlers—Mitchell, Shea and Thomas — against Bud Hagen in the nine-inning contest.

Black's Harbor thus reached the provincial semi-finals with Moncton Legionnaires. In the other bracket, Fredericton Capitals will play either St. Stephen or Seal Cove. Marysville Royals, eliminated this season by Fredericton, won the provincial crown last year.

Help On Way For Faltering Yankees

ST. LOUIS, Aug. 31 — (AP) — A ray of hope pierced the gloom surrounding the injury-riddled New York Yankees today as they clung tenaciously to their lead in the American League. Help is on the way.

As an apparent first step in bolstering the club for the September stretch drive, the club has purchased Fenton Mole, first baseman, from Newark Bears farm team, with Mole due to report tomorrow.

It was expected that a first baseman would be the first man to be called up in as much as recent developments left that position the weak spot on the team.

Last Sunday Tommy Henrich, who had held down first base most of the season and was returned to the outfield when Johnny Mize was acquired, suffered his third injury of the season in crashing into a wall at Chicago.

(Dr. Sidney Gaynor, Yankee club physician, said after examining Henrich in New York today that he "wouldn't be surprised" if the star is back in uniform within three weeks. He added that he thinks Henrich should be ready to play before the season ends. Henrich suffered two fractured transverse processes of the lower vertebrae.)

Bright spot is the announcement that catcher Charley Silvera, injured when accidentally struck with a bat in last night's game, would be able to resume work tonight or tomorrow.

Yogi Berra, slugging receiver, still is sidelined by a thumb fracture, the result of being hit by a pitched ball.

'Shoe Tourney At Marshfield

Horse-shoes were singing through the night air under the lights at Sandy's last night when some ten teams from Bedford, Covehead, Tracadie, Dunstaffnage, Marshfield etc. entertained the crowd that stopped in on their way home from the races at St. Peter'.

In games which produced a very high standard of horse-shoemanship and in an atmosphere of the keenest competition, Fenton Court of Bedford piled up the "ringers" to fend off both young and old who challenged his position as champion.

Mr. Court and his partner won the day — or rather the night.

Anchors Have 2-Game Lead

The West End Anchors "took over" the lead in the Old Timers League playoff series at Memorial Field diamond last night by defeating the East End Hawks 9-8 in another bang-up ball game, to take a two-game advantage.

Ivan "Fats" Connors again proved to be the man of the day for the Anchors when he handcuffed the East Enders with some smart hurling after relieving Earl Nicholson in the 4th., while the big bats of the Anchors hammered out eight hits off Beagen for a close victory.

The third game of the series will be played at Memorial Field on Friday night, when both teams will be coming out strong in the race for the Sutherland Trophy and the League championship. Game time is slated for 5.15.

The following is the scoring by innings: —

	123	456	78	—Total
Anchors	403	001	01	—9
Hawks	100	202	03	—8

Florican In Upset Victory

DU QUOIN, Ill., Aug. 31 —(AP) —Florican, with Harry Pownall in the sulky, today staged the major upset of the harness racing season here by handing Lusty Song his first race defeat of the year.

The pride and joy of Hayes Fair Acres of Du Quoin, racing on his home track, trailed Florican home in the first heat of the Castleton Farm Stake, after breaking gait twice. He stood off Florican's sensational rush to win the second and fastest heat in 2.04. Then the two heat winners battled it out head to head until 100 yards from the wire, when Lusty Song threw a quarter boot, causing a second break that enabled Florican to win easily.
