P. E. Island Protestant Orphanage

We do not need to tell you of the children who have been nourished, clothed and educated under kindly supervision at the Mount Herbert Orphanage. Some from your own community, perhaps, have passed through this institution, being prepared for useful and profitable lives. It has been, and with God's continued blessing, it always will be

A HOME FOR THE HOMELESS

where no deserving orphan will seek and in vain.
But now, with crowded quarters, we have over 20 more children than we can accommodate seeking shelter. A new building is necessary, a new, clean building where these little folks can study and play and grow strong.

Money is needed, a lot of money, to build this home and leave a sufficient surplus to carry on this work properly. The financial aid of everyone in this province is urgently required. Reckon your contribution in proportion to the need.
