SUNDAY SCHOOL LESSON TRIUMPH OVER LIFE AND DEATH EASTER LESSON

(I. Cor. 15:50-58) March 22, 1918 "But thanks be to God, which gives us the victory through our Lord Jesus Christ."—I. Corinthians 15:57—Golden Text.

If we believe in Christ we cannot doubt that the life of the soul is not ended in this life. Christ did not give us any great amount of teaching on this subject. He seems to have left the subject of the future life almost completely in the shadow. He, centered men's thoughts upon the importance of the present hour—its duties, rewards and eternal significance.

He who believes in Jesus will rest in the quiet assurance of a life beyond the grave—not so much because of what Jesus taught, nor even because of the historical weight of evidence for his resurrection, but because of the whole spiritual significance of his personality. We need, almost never before, the steady assurance of an infinite value and reach to human life, in which the resources of eternal love and righteousness shall have a chance to work out to completion what this brief chaotic strife of right with wrong can never bring to pass.

But whether or not we need the stimulus and comfort of such a hope, it is obvious that he who believes in Jesus will find this sublime anticipation blossoming in his heart. It is impossible to trust in him and in the right with wrong can never bring to pass. Eternity was the scale on which Jesus worked out his earthly plan; and nothing but a like confidence in eternity gives one room to think after him his thoughts.

THE LIGHT IN THE DOORWAY

Easter shows a light in the doorway through which we must all pass. We call it the gate of death. No one would like to go through a door opening into the dark, especially if he had to go alone. But Christ has put a light in the path, close by the door, so that no one need be afraid. And he

THE ONLY MEDICINE FOR LITTLE ONES

Once a mother has used Baby's Own Tablets for her little ones she will use nothing else. Their use teaches her they are absolutely safe; that they never fail to give relief; that the little ones do not dread taking them as they do castor oil and other harsh purgatives. Convinced of the Tablets, Mrs. John M. Weaver, Blissfield, N. B., says: "I have used Baby's Own Tablets for the past ten years and have found them so good I always keep a box in the house." The Tablets are sold by medicine dealers or by mail at 25 Medicine Co., Brockville, Ont.

TAKE "CASCARETS" IF HEADACHY, BILIOUS AND CONSTIPATED

Best for liver and bowels, bad breath, bad colds, sour stomach

Get a 10-cent box. Sick headache, biliousness, coated tongue, head and nose clogged up with cold—always trace this to torpid bowels, delayed, fermenting food in the bowels, or sour, gassy stomach. Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull throbbing sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste water and poisons in the bowels. A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet, breath right, complexion rosy and your liver and bowels regular for months.

has told us that to the Christian is only the way of our Father's house. Christ has done more than this for us. He not only set the light just where the strange path opens, he went through the gate himself, and on the Resurrection Day came back to his disciples, to show death had not harmed him.

People sometimes say that we can know nothing about the great world that lies beyond death; but they are wrong. Jesus has told us very plainly some dear things about it. Just before he died, he told his disciples that he was going to prepare a place for those who loved him. It must be a beautiful place if he prepares it who has made so beautiful this world which is only our schoolhouse, for the home must be finer far than the schoolhouse. He said, too, that he wanted his friends to live with him in that glorious place, and then when the gateway opens; he would come to take them home.

Surely, no one who knows Jesus need be afraid to die, for he will keep his promise. He will not leave us to take a single step alone. We shall just walk with him along the path which he has lighted into our Father's house—Frank T. Bayley, in "The Man in the Crow's Nest."

After Christ was crucified and buried he rose from the tomb. That made it sure that we shall rise. When you see the Easter flowers, and hear the Easter music, do you ever ask: "If a boy dies, shall he live again?" God tells you, "Yes," and he wants you to think, "Yes." Have you done any thinking about it? Do not be afraid to think.

Here is how Dick and Mary did some thinking. While looking for shells on the beach one morning, they found a dead bird. Some one had shot it. They looked at the feathered body curiously and pitifully. "Mary said Dick, 'when we die, we'll look like that. How does any one know where's any more of us than a bird?' 'What a curious boy you are!' said Mary; 'how should I know?' Dick picked up the dead bird, then caught sight of his teacher coming toward them. He ran to her with his question. 'Well, Dick, she said, 'suppose you had been shot, and were lying on the sands, and this bird had passed over you, would it have stopped to pity you, or wonder who shot you and if you had gone to heaven?' 'I suppose not,' said Dick. 'Then there is something in you that asks questions, that the bird does not have. That is the part of you that is not like the bird, and will live forever.' Dick and Mary buried the bird in the sand, but they never forgot why they were different from the bird and more precious to Jesus because they had a spirit that would go to God.—James M. Farrar in "Chats with Children of the Church."

IN MEMORIAM MRS. PETER McDONALD

On March 9th, 1918, death visited the home of Mr. Peter MacDonald, Crapaud, and took away the beloved wife and mother, who although an invalid for almost five years will be sadly missed. About two months ago she had an attack which rendered her condition more precarious, but owing to the loving ministrations of her family, she improved greatly. On March 8th the Dr. was called again, and found that she had a cerebral hemorrhage which became more profound, and proved fatal the following day. The deceased was the daughter of the late John McKinnon of Canoe Cove, and was born at that place on December 9th, 1849. She leaves to mourn a sorrowing husband, two daughters Phoebe and Maymie at home and four sons, Joseph, Walter and Lloyd of Seattle, Washington, and Wilmot at home, and three grand-children, also two sisters Mrs. G. T. Richards of Dorchester, Mass., and Mrs. T. Stewart of New Argyle, P. E. I., and two brothers, D. D. McKinnon of Canoe Cove and L. McKinnon of New Argyle. The funeral which was a very large one, took place Wednesday, March 13th at 2 p. m. to St. John's Church Cemetery. Services were held at the house and church which were conducted by Rev. D. McLean and Rev. W. Deathe, assisted by Rev. G. Morris and Rev. J. D. Carey. The service at the church was a very impressive one, a touching incident being the reading of a telegram from

the absent sons who were unable to be present. A solo, "Peace, Perfect Peace," was sweetly sung by Miss Mary Inman. The pall-bearers were Messrs Jabez Lee, W. H. Inman, E. Boswell, E. H. Wright, Joseph and Robert McDonald. The deceased was a lady of strong character and a devout Christian and had many friends whose sympathy goes out to the bereaved family in their loss.

CONSOLATION

Not dead—oh no! but borne beyond the shadows Into the full, clear light! Forever done with mist and cloud and tempest, Where all is calm and bright. Not even sleeping—called to glad awakening In heaven's endless day; Not still and moveless—stepped from earth's rough places To walk the King's highway. Not silent—just passed out of earthly hearing To sing heaven's sweet new song Not lonely—dearly loved and dearly loving Amid the white robe throng. Be not forgetful—keeping fond remembrance Of dear ones left awhile; And looking gladly to the bright reunion With hand clasp and with smile. Oh, no! Not dead! but past all fear of dying

And with all suffering o'er; Say not that I am dead when Jesus calls me To live for evermore. MR. JOHN HARVEY

MR. JOHN HARVEY

Entered into rest at the P. E. Island Hospital, on March 18th, Mr. John Harvey, a highly respected citizen of Cape Traverse at the age of sixty-seven, after an illness of nearly a year. The funeral which took place from his home at Cape Traverse on Tuesday, March 19th was very largely attended, over a hundred sleighs being in attendance. A short service was held at the house conducted by the Rev. J. S. MacKay, and the remains were then forwarded to the Presbyterian Church, Trvon, of which Mr. Harvey was an elder for a number of years. A service was held in the church at the conclusion of which the procession adjourned to the cemetery where all that was mortal of a loving father and husband was laid to rest. The pall bearers were: Alex. Morrison Arnold LeFurgey, William Deagan, Frank Howatt, William Bell and David MacKay. He leaves to mourn a sorrowing widow, five sons and two daughters, namely Harry of the Royal Flying Corps, Texas; Bruce of Vancouver; Daniel, a professor in Wesley College and Mrs. Ira Cameron, of Winnipeg; Edith, Gordon and Fred of Cape Traverse. SAFE HOME TREATMENT FOR THE CURE OF RHEUMATISM

CHANGEABLE SPRING WEATHER STARTS THE PAINS BUT THE TROUBLE IS ROOTED IN THE BLOOD.

Thousands Throughout Canada Who Are Suffering Can Be Cured Through the Use of Dr. Williams' Pink Pills.

The twinges and tortures of rheumatism are not due to cold, damp weather as so many people suppose. Bad weather may start the pains going, but the real cause is rooted in the blood. Liniments and rubbing may help deaden the pain, but it always returns and usually in a worse form, simply because this treatment cannot cure. To cure rheumatism to say cured you must root the poison out of the blood. This is the only sure way—the only sensible way to get rid of the trouble. And the one medicine for doing this which has been pre-eminently successful is Dr. Williams' Pink Pills. These pills actually make new, rich blood that goes right to the root of the trouble, releasing the stiffened joints, clearing away the torturing pains and giving the sufferer renewed health and ease. If you are suffering from rheumatism, or any trouble due to poor weak blood, you should, in your own interest, at once give this always reliable medicine a fair trial.

ACTUALLY CRIPPLED FREE FROM PAIN COMPLETELY CURED

Mrs. F. M. Simpson, R. R. No. 1, Benheim, Ont., says: "For a long time I was confined to bed and actually crippled with rheumatism. The trouble first located in my ankle, then spread to my knees and then to my arms. The limbs were much swollen, and if I moved caused me much pain. I seemed to get weak in other respects and fell off in weight from 156 to 110 pounds. One day while reading I came across the case of a rheumatic sufferer cured by using Dr. Williams' Pink Pills. I decided to try them and sent for three boxes. By the time there were gone I had begun to improve, and with help was able to get up. Continuing the use of the pills I was first able to go about with the use of a crutch, which, later I discarded for a cane, and then through the use of the pills I was able to throw aside the cane as well, and go about as briskly as I had ever done. I feel that Dr. Williams' Pink Pills have been a blessing to me.

There has been no increase in the price of Dr. Williams' Pink Pills. They are still sold at 50 cents a box or six boxes for \$2.50. If your home dealer cannot supply you they will be sent postpaid on receipt of price by The Dr. Williams' Medicine Co., Brockville, Ont.
