### Stomach Troubles That Are Dangerous

(OUT THIS OUT)

Some forms of stomach trouble, if neglected, often lead to dangerous conditions—ulcers or cancers—then a surgical operation is about the only hope.

For this reason, even the most simple stomach ailments should be given prompt and careful attention. So, don't neglect acid stomach, sourness, gas or bloating! And don't waste time with unknown or unreliable treatments. At the very first signs of distress, go to the best drug store and obtain a few cents' worth of pure Bisulphated Magnesia. This special Magnesia Compound is safe and pleasant to take—quickly, almost instantly effective and does not act as a laxative. Be sure and ask for BISULPHATED Magnesia for stomach troubles only.

INVESTIGATION has shown that on numerous occasions other hams and bacon have been substituted when Premium was ordered.

This can no longer be practiced.

To protect the conscientious dealer and discriminating consumer, Premium Hams and Bacon can now be identified not only by the brand "Swift Premium" but also by the brand "Swift" which appears in dots on the side. This branding resembles the rich brown color of the broiled ham and bacon.

Recent visitors to North Tryon were Mr. and Mrs. Fenwick Lefurgey, North Bedeque, and son Dr. Alexander Lefurgey, St. Agatha Quebec. Dr. and Mrs. Lefurgey are spending the summer on P. E. I.

Summer is almost over and autumn draws nigh, soon another year will be past and gone. Whether are we drifting P. E. I's Canadians, yes whither are we drifting? Our population has decreased in the past year. Our boys and girls flock to the U. S. A. where factories are running there they make goods of raw material exported as they were from Canada. Raw material that we export and when we buy back why of course we buy a finished article. And some day someone will pay the piper and it is easy to guess who that will be. Those who dance must pay the piper and therefore we must pay. Canada for Canadians - Canadian goods for Canadians.

Two motto's which if followed by all who would help to lower the price to the piper. A dollar spent at home remains at home and if we trade one with another all can make a profit so let us after this insist on Canadian made goods. Elsmac "Z"

### ADDRESS AND PRESENTATION

A very pleasant evening was spent on Friday evening, July 6th, when the friends and neighbours of Mr. John Andrews assembled at his home to congratulate him and to welcome Mrs. Andrews to Norboro. In a few well chosen words Mr. Harry Bownes explained the object of the gathering, after which an address was read by Mr. Thos. Lawless and Mr. Walter Bownes presented them with a well-filled purse. Although taken by surprise Mr. Andrews, on behalf of Mrs. Andrews thanked his friends for their gift. Luncheon was served by the ladies present and the remainder of the evening was spent with music and games.

The following is the address:—  
Mr. and Mrs. John Andrews  
Dear Friends:—It is with feelings of great pleasure that we, your friends and neighbours, have assembled here in your home this evening to extend to you our congrat-

and best wishes as you are starting on the journey of life together. To you, Mrs. Andrews, we wish to extend a cordial welcome to our community. We do not look upon you as a stranger as you have been present at some of our social gatherings in the past, where by your charming personality and great musical ability you won a place in our hearts. We trust that time may unite your hearts more closely and each year may but add to the domestic joys of both of you. We would ask you to accept the accompanying gift as a small token of our esteem and respect for you both.

Your Norboro Friends.
