—LINER CANADA DETAINED IN HALIFAX.

The White Star Dominion Liner Canada, which arrived in Halifax yesterday from Portland, Maine, and which was to have sailed last night for Liverpool, has been detained until the St. Paul's arrival.

The Canada has nearly a hundred passengers from Portland and over two hundred joined her at Halifax, in addition to the rescued passengers from the Bohemian. Therefore she can only take a portion of the St. Paul's list. The remainder, expected to number about 350 will be looked after until the White Star liner Cedric calls on Monday morning en route from New York to Liverpool.

MRS. CLARKE WORKS FOR BLIND.

"We don't want to be pitied, and she doesn't pity us," said one of the blind soldiers of Pearson Hall, Toronto, speaking of Mrs. Lionel Clarke, wife of the new Lieutenant-Governor of Ontario. "We enter the race of life with a handicap, and that's all, and Mrs. Clarke recog-

nizes the handicap, but recognizes us at the same time, as competitors."

Mrs. Clarke, who is described as being full of thoughtfulness for other people, is President of the Association for the Welfare of the Blind. Her daughter, Miss Diana Clarke, has given herself to work for the blind also, first as a V. A. D. at St. Dunstan's, England, and later in Toronto.
