SABBATH DESECRATORS.—The people of Millview have been annoyed this spring on several occasions by certain persons from Charlottetown fishing at Bradley's Mill on Sundays. It is too bad that a community like Millview, where the people observe the sanctity of the Lord's Day should have to put up with the presence of such Sabbath desecrators. Can the Lord's Day Alliance give some advice. The names of those parties are known in the community and might be given in this note.
